Barrett Hospital & HealthCare Awarded Top 20 Critical Access Hospital for the Sixth Time

Barrett Hospital & HealthCare, a leading provider of comprehensive health services, is proud to announce that it has been recognized as a Top 20 Critical Access Hospital for the sixth time. This prestigious acknowledgment highlights Barrett Hospital & HealthCare's continuous commitment to providing high-quality, patient-centered care in the rural health landscape.

The Top 20 Critical Access Hospital accolade is awarded by the National Rural Health Association (NRHA), in partnership with The Chartis Center for Rural Health, based on an analysis of The Hospital Strength INDEX®. This benchmarking tool evaluates hospitals on various performance metrics, including quality, outcomes, patient perspective, and financial efficiency. "We are incredibly honored to receive this distinction for the sixth time," said Taylor Rose, Chief Executive Officer of Barrett Hospital & HealthCare. "This award is a testament to our dedicated team of healthcare professionals who strive every day to deliver exceptional care to our community."

"We remain dedicated to not only maintaining but exceeding these standards of care," continued Taylor Rose. "Our goal is to make a significant, positive impact on the health and well-being of every patient we serve."

Barrett Hospital & HealthCare invites the community to join in celebrating this significant achievement. With plans to continue its focus on excellence in patient-centered care,

Wapiti Players'

It is for the show! Wapiti Players' production of *Laundry & Bourbon* and *Lone Star*, two one-act comedies by James McLure.

"These plays are 'slice of life' shows," Cook said, "Laundry and Bourbon portrays an afternoon in the lives of three women as they gossip, fold laundry and share details of their personal struggles. *Lone Star* gives the audience a glimpse of the lives of three men at 1:00 am behind a small bar in a Texas town, as the character of Roy tries to find purpose and meaning in his life after his return from the Viet Nam War."

Opening night for the production is Friday, April 5 at the Dillon Elks' Lodge, with repeat performances on April 6, 12, and 13. Hors d'oeuvres will be served beginning at 7:00 pm, show time is 8:00 pm. Advance tickets are available at the Dillon Elks' Lodge and Womack's Printing Place.

Warden intercepts mussel-fouled boat after driver neglects to stop at inspection station

A Montana Fish, Wildlife & Parks warden stopped a driver pulling a ski boat after he drove past an aquatic invasive species (AIS) inspection station near Anaconda last week. The warden noticed some mussels on the boat and had the driver return to the inspection station. The boat was locked to the trailer.

This is a good reminder that it's the law that anyone transporting watercraft (motorized and non-motorized) must stop at all open inspection stations they encounter. Watercraft includes paddle boards, kayaks, canoes, rafts and pack rafts.

The driver was transporting the boat from Michigan to British Columbia. Boats with mussels have also been detected at the inspection station near Dillon, where a fifth boat was found to have mussels on Monday.

New Montana Highway Patrol colonel

Attorney General Austin Knudsen announced the appointment of Kurt Sager as colonel, and head, of the Montana Highway Patrol. Prior to his appointment, Sager served as lieutenant colonel with 21 years of service to the agency and people of Montana.

Colonel Sager served as the interim head of the Patrol, following former Colonel Steve Lavin's retirement earlier this month. He began his career with MHP in 2003 as a trooper in Northeastern Montana. He served as a sergeant in Helena, captain in Great Falls, and a major at Patrol headquarters, prior to becoming lieutenant colonel in 2023. He also oversaw the successful relocation of MHP headquarters from Helena to Boulder in 2021.

Survivors of Domestic Violence and Sexual Assault

The Women's Resource Center (WRC) and Vibrant Lives of Montana are pleased to announce a collaborative effort to offer "InPower: Mindfulness for Survivors of Domestic Violence and Sexual Assault," a free, transformative eight-week program designed to empower survivors in our community.

Starting April 30 and concluding June 25, 2024, the program will be led by Licensed Clinical Professional Counselor, Yoga Educator, and Meditation Instructor Melainya Ryan at the WRC, 236 E. Reeder Street, Dillon, MT. Sessions are every Tuesday from 6:00-7:30 p.m. Dinner is provided.

"We believe that every survivor deserves the opportunity to reclaim their power and learn how to prioritize their own well-being," said Melainya Ryan, Founder of Vibrant Lives of Montana. "Through 'InPower,' we hope to create a confidential, safe space for survivors to explore and connect with their inner strength and resilience."

The eight-week program aims to equip survivors with essential tools and insights to foster self-love, resilience and holistic wellbeing. Through mindfulness practices and guided discussions, participants will delve into topics such as attachment, the human nervous system, emotional regulation, and the mind-body connection.

- Week 1: Intro of Mindfulness and Self Care as a Deep, Disciplined Care of the Mind, Body and Spirit
- Week 2: Attachment: The Lens through Which We Learn to Trust Ourselves, Others and this Life

BEAVERHEAD TREASURE HUNT!

Memorial Day through Labor Day

The Beaverhead Chamber of Commerce & Agriculture partners with The University of Montana Western Glass Club for this exciting geo-tourism treasure hunt! This is our 4th year of the treasure hunt and this year, the students will hand-craft 200 colorful Mushrooms!

These little glass paperweights will be hidden in Beaverhead County businesses for visitors and residents to find and keep! Once they have been found, just let the Chamber know who you are and where you found it, and you'll be entered into a drawing to win \$100 in Chamber Bucks! Send a selfie with your Mushroom to info@beaverheadchamber.org!

Rules of the Hunt:

200 paperweights will be hidden from Memorial Day to Labor Day.

Paperweights remain hidden everyday rain or shine.

One paperweight, per person/per summer and are YOURS to keep! Share the love!

Treasured Words of Advice:

We use the term "hide" loosely; we want the paperweights to be found!

Paperweights are cleverly hidden in plain sight, in public areas of local businesses and historical sites. Please do not disturb the areas.

New This Year, the Beaverhead Trails Coalition will hold a Family Fun Day at the Dillon Town Overlook Trailhead on June 1st from 12-5. They will be hosting a fun walk/run up past the "M" where there will be 25 Mushrooms hidden along the trails!

The \$100 Chamber Bucks drawing will be held in September. Questions, call 406-683-5511 or send your pic of you and your Mushroom to info@beaverheadchamber.org!

Thank you to our sponsors

Sportsman's Banquet

First Baptist Church in Dillon will hold a Sportsman's Banquet on Friday, April 19, at 6:00 pm. This is for adults, college, and high school age male and female hunters. FWP seeks public comment on proposed projects, conservation leases, other items
 Montana Fish, Wildlife & Parks is seeking public comment on several draft proposed projects, conservation leases and other items. For more information, including how to submit comments, visit fwp.mt.gov/public-notice.

Freisatz Private Pond Application Comments due April 5
Lewis and Clark Caverns Trail Realignment Project
 FWP proposes to reroute a section of the Greer Gulch Trail at Lewis and Clark Caverns State Park. The current trail starts from the Upper Picnic area parking lot trail head and traverses a riparian area by means of a 100-foot bog bridge. This bridge is beyond its lifespan and has deteriorated beyond repair, becoming a potential safety hazard for trail users. The project would remove the old structure and reroute the trail to the adjacent hillside for approximately 50 yards. FWP also proposes to reroute short section of steeply graded trail (approximately 50 yards in length) on the Nature Loop Trail.

The current trail starts from the Upper Picnic area parking lot trail head and traverses a riparian area by means of a 100-foot bog bridge. This bridge is beyond its lifespan and has deteriorated beyond repair, becoming a potential safety hazard for trail users. The project would remove the old structure and reroute the trail to the adjacent hillside for approximately 50 yards. FWP also proposes to reroute short section of steeply graded trail (approximately 50 yards in length) on the Nature Loop Trail.
