Twin Bridges Bridge Detour

Bridge detour information from Madison County. No thru semitrucks on backroads. Backroads speed limit is 35mph and LEO is enforcing that. If you are going to Twin or Sheridan, this may help - if you are going to Bozeman, it may be faster to go to Butte and over the pass to Bozeman that way.

Car Seat Safety Check

Is your child in a safe car seat? Properly securing children in car seat that meet federal safety standards helps keep children safe. Come have your car seat checked by a certified child passenger safety technician on Thursday, April 11th, 2024 from 10 am to 1 pm in front of the Beaverhead County Public Health department at 327 East Helena St. in Dillon. There is a limited amount of free car seats available.

The Patagonia Outlet Dillon is hosting Working Dogs For Conservation April 11th 6:30 - 8 pm

Working Dogs for Conservation (WD4C) selects, trains and deploys detection dog/ handler teams for conservation.

Their dogs help save vulnerable species, end poaching and trafficking of wildlife products, help ensure biosecurity to protect species and habitats from invasive species, diseases and contaminants. WD4C provides a second chance to shelter or career change dogs whose exceedingly high energy limits their chances of adoption.

DOG DEMO Come meet some of the dogs at the event. Watch them use their extraordinary sense of smell to demonstrate how they protect wildlife and wild places.

Snacks and beverages will be served. WD4C will be offering a raffle and accepting donations. **April 11th 6:30 - 8 pm.** www.wd4c.org

The POW/MIA flag

The POW/MIA flag was the idea of Mary Hoff, whose husband is still listed as Missing in Action (MIA) in Vietnam. With her input, it was designed by WWII veteran Newt Heisley. On a black banner is a silhouette of a person (head and shoulder) with a guard tower and barbed wire in the background. The words "POW * MIA" are above the silhouette, and below it is "YOU ARE NOT FORGOTTEN." The military memorial nature of the image is further indicated by the style of decoration below the silhouette.

The POW/MIA flag was officially recognized by Congress in Section 2 of U.S. Public Law 101-355 on August 10, 1990 as follows:

Whereas the United States has fought in many wars;

Whereas thousands of Americans who served in these wars were captured by the enemy or listed as missing in action;

Whereas many American prisoners of war were subjected to brutal and inhuman treatment by their enemy captors in violation of international codes and customs for the treatment of prisoners of war, and many such prisoners of war died from such treatment;

Whereas many of these Americans are still missing and unaccounted for and their families are deserving of national recognition and support for continued priority effort to determine the fate of those missing Americans: Now, therefore, be it resolved, by the Senate and House of Representatives of the United States of America in Congress assembled,

Section 1. Designation of National POW/MIA Recognition Day (initially September 21, 1990 – and since then annually on the third Friday of September by Presidential proclamation.)

Section 2. Recognition of the National League of Families POW/MIA Flag, officially recognized and designated as the symbol of our National's concern and commitment to resolving as fully as possible the fates of Americans still prisoner, missing and unaccounted for in Southeast Asia, thus ending the uncertainty for their families and the Nation.

The facts about the POW/MIA flag may be unfamiliar to you. It is my honor to provide you with the true story behind the flag.

Beavers Baseball By: Jeremy Crawford SWMontana News
Tuesday April 9th, the Dillon Beavers defeated the Frenchtown
Broncs 7 to 2 in an away game.

The Beavers got on the board in the first inning when Trenton
Moreni grounded out, scoring one run. A wild pitch in the third
inning would see the Beavers putting another point on the board.

Pitching for the Beavers Andrew Bartlome allowed two hits
and two runs over five and two third innings. Bartlome struck out
seven and walked four. Trenton Moreni would take over the last one
and one third innings surrendering zero hits, striking out two, and
no walks. Kale Konen, Trenton Moreni, Taylor Handlos, Andrew
Bartlome, and Keyen Nash each collected one hit for the Beavers.
Trenton hit a solo home run to left field.

The Beavers will take on the Butte Bulldogs in Butte on
Thursday.

Letter to the Editor,

I am Senator Steve Hinebauch from far eastern Montana.
I represent SD18, which is Wibaux, Dawson, and Richland
counties. Montana is a big state but when I get to Helena my
goal is to give my constituents freedom. But not all legislators,
Republican or Democrat, who come to Helena are interested
in preserving freedom. That is why I am asking you to send
Shannon Maness to be your representative in HD 70. As you
know, Shannon Maness is a businessman in your district so
he understands that government can overregulate business,
agriculture, and families. So please send a voice for freedom
to Helena by voting for Shannon Maness.

Thank you for your consideration.

Veteran's Corner Update # 250

By Mike Lawson

Veteran News Updates:

- The VA is offering updated COVID - 19 vaccines . The virus changes so it's important to get an updated vaccine. You can locate a vaccine site at vaccines.gov - Search for COVID-19 vaccine locations.
- More than half of all VA emergency department visits involve a Veteran over the age of 65. The VA emergency rooms across America are becoming the largest specialized geriatric emergency care provider in the U.S. With approximately half of U.S. Veterans being over 65 years old, it's important to get into one of these emergency rooms if you need to. They are trained to not only get you care for what you came in for but also ask if the veteran has other needs that need to be addressed, social or otherwise. If so, they can be matched with both VA and community resources. There's a good emergency room that I have used at Ft Harrison. If you have an emergency need or know a veteran having this type of need, get them to Ft Harrison.
- For any of us Veterans who plan to travel or move, contact your "VA's Traveling Veteran Coordinatortator to coordinate your care, especially if you need medication refills or regular medical appointments. Veterans enrolled in VA health care receive the same standard of Care while traveling as they would at home. It's important to coordinate with your VA healthcare team so your sure to have a plan before you leave. It's seamless care and will help you even if you travel out of the country. VA healthcare is the largest integrated health care system in the country—with more than 1,200 care locations serving nearly 9 million Veterans a year. So if your moving or traveling, be sure to contact your VA Traveling Veteran Coordinator at Ft Harrison and get more information and help in making your trip or move as seamless as possible.
- If your a homeless Veteran or are in contact with one, the VA wants to help any homeless vet who will ask for help. We had a Homeless Veteran come into our church and attend our worship service. I talked with him, gave him my card and asked him to call me. If that Vet or any other homeless vet needs a ride to Ft Harrison, a DAV Van will take him/her up there, where the Homeless Veteran Office is located. The key is if the Veteran will take the first step and ask for help. If your that Veteran and you ask, it will change your life for the better.
