THE SKUNK FIRE

By "Swede" Troedsson

In the early 1980's a ranch hand chased a skunk into a culvert located on the ranch. The ranch is located about twelve miles north of Wisdom, Montana.

The ranch hand was so intent on killing that skunk that he threw gasoline into the culvert entrance. After the ranch hand lit the gasoline, flames blew out the far end of the culvert and ignited the grass in the hay meadow!

Pushed by a strong prevailing southwest wind, the flames raced across the hay meadow and spread onto the adjacent national forest land!

The fire grew so large that several hundred men, along with a fire management team, were called in to fight the fire.

I was later informed that the company that insured the ranch ended up reimbursing the U.S. Government three hundred fifty thousand dollars for having fought that fire.

University of Montana Western Invites Community to 17th Annual Student Research Symposium

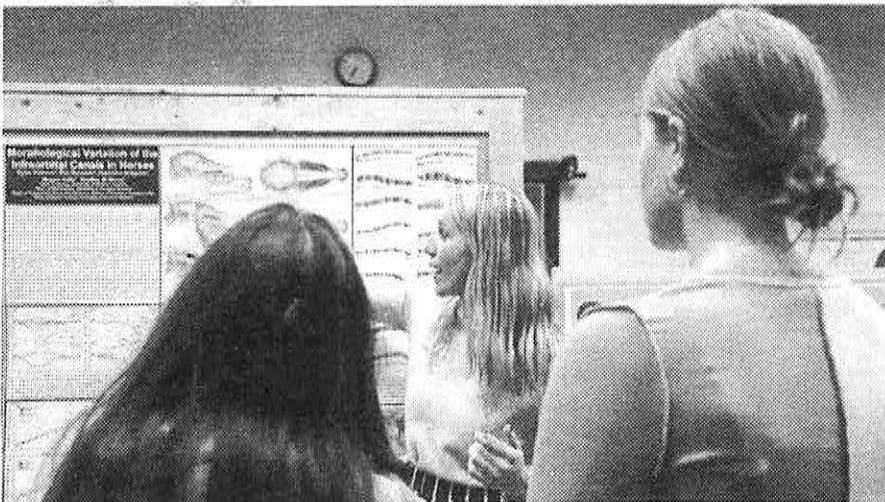

Please join us for the 17th Annual Montana Western Research Symposium to be held on Friday, April 19 and Saturday, April 20, 2024, in the Swysgood Technology Center Great Room on the UMW campus.

Organized and funded by the Montana Western Biology Club, the goal of the symposium is to highlight undergraduate research, theses, internships, projects, and other scholarly and artistic work by undergraduates from all academic disciplines and to share examples of authentic experiential learning.

Attendance is free and open to everyone from the campus and local communities. The program will include oral presentation sessions starting late Friday afternoon, a keynote speaker and a poster session/dinner. Saturday will consist of poster and oral sessions and will conclude in the mid-afternoon. To view the detailed symposium schedule, click here.

Guest speaker, Dr. Michelle Osborn, will present "Form, Function, & Failure: Using Whole Body Modelling to Re-examine the Horse" on Friday, April 19. Dr. Osborn is an Associate Professor in the Department of Comparative and Biomedical Sciences at the Louisiana State University School for Veterinary Medicine.

For more information about the symposium, please contact Montana Western Professor of Biology, Dr. Michael Morrow: michael.morrow@umwestern.edu or 406-683-7254.

UMW student, Kylee Pittman, shares her research on the infraorbital canals of horses during the Montana Western Annual Research Symposium.

Montana Western Volleyball 2024 Recruiting Class

Montana Western Volleyball welcomed four signees.

This year's recruiting class includes two student-athletes from Montana and two transfer student-athletes from Colorado and California.

Dani Brown | OH | 6'0" | Fair Oaks, Calif. / Bella Vista High School / Folsom Lake College

Dani is an outside hitter who joins the Bulldogs as a transfer from Folsom Lake College and a 2023 graduate of Bella Vista High School. Last season Brown earned first team all-conference honors while leading her team with 3.35 kills per set and 358 kills on the season. She ranked in the top 10 in the state of California for kills. She will pursue her degree in Biology at Western.

Megan Hardman | Setter | 5'9" | American Fork, Utah / American Fork High School / Central Wyoming College

Megan is a setter who joins the Bulldogs as a transfer from Central Wyoming College and a 2022 graduate of American Fork High School. In the last two seasons, Hardman was named setter of the year and earned second team all-conference honors, she averaged 7.59 assists per set and added 482 digs. She also had 82 aces and 116 blocks in two seasons. She will continue to pursue her degree while at Montana Western.

Taylor Ketchum | DS/Libero | 5'3" | Billings, Mont. / Billings Skyview High School

Taylor is defensive specialist and libero who joins the Bulldogs from Billings, and will be graduating from Billings Skyview High School this spring. A three-year varsity athlete for the Falcons, Ketchum was selected team MVP twice while earning all-conference honorable mention, first team All-State and first team all-conference in the last two seasons. Last season, Ketchum led the Montana class AA with a total of 426 digs. She plans to pursue a degree in Business while at Montana Western.

Savana Warburton | MB/OH | 5'9" | Joliet, Mont. / Joliet High School

Savana is a middle blocker and outside hitter who joins the Bulldogs from Joliet, and will be graduating from Joliet High School. A four-year varsity athlete. During her high school career, she was named first team All-State last season, earned all-conference honors three times, is a four-time academic All-State selection, and holds the record for conference kills with a total of 291. She also holds the school record for digs with 345. She plans to major in Applied Science while at Montana Western.

The Bulldogs enter the 2024 season as the reigning Frontier Conference tournament champions after they capped off the historic 2023 campaign with an overall 22-8 record. The Bulldogs made their first ever appearance in the NAIA Women's Volleyball National Tournament and went 1-2 overall. UMW will be returning 15 players from last season's conference championship squad.

FWP accepting applications from landowners for Block Management Program

Montana Fish, Wildlife & Parks is accepting applications from landowners who are interested in participating in the 2024 Block Management Program. Application deadline is June 1.

Through the Block Management Program, landowners and FWP work together to help manage wildlife and public hunting activities on enrolled lands. Landowners and FWP enter into voluntary agreements that determine how hunting will be conducted on the landowner's property. Items such as permission requirements, times when permission will be granted, hunting opportunities provided and vehicle use are a few examples of what is covered in an agreement.

For more information or to receive an application packet, go to fwp.mt.gov/hunt/landownerprograms/block-management, contact your local biologist, warden or FWP regional access manager or contact the Parks and Outdoor Recreation Division's main office at 406-444-3750 or email LndSportRelations@mt.gov.

Three Bulldogs Selected to NFF Hampshire Honor Society

The National Football Foundation & College Hall of Fame (NFF) announced today a record number of members for the 2024 NFF Hampshire Honor Society, which is comprised of college football players from all divisions of the NCAA, NAIA and sprint football who each maintained a cumulative 3.2 GPA or better throughout their college careers. Montana Western had three individuals honored in this year's class.

An elite group of 1,988 players from 339 schools qualified for membership in 2024, setting a new record for the number of members in a single year during the program's 18-year history. The initiative has now honored 18,386 student-athletes since its inception.

Nominated by their respective schools, members of the NFF Hampshire Honor Society must be either: a senior player, who will graduate this spring/summer, and just completed his final year of playing eligibility in 2023; or a graduated player, who has been out of high school at least (3) years. They must also have attained a minimum undergraduate cumulative GPA of 3.2 (4.0 scale) and been starters or contributors throughout the 2023 season.

"We are thrilled to honor a record number of athletes as part of this year's Hampshire Honor Society," NFF President & CEO Steve Hatchell said. "Over the last 18 years, the Hampshire Honor Society has served as a powerful vehicle for schools to recognize their college football players who have distinguished themselves both academically and athletically, and we congratulate the schools and each of these young men for their commitment to excellence in all aspects of their lives."
