Missing Man Table

As a Vietnam Veteran, I am fully committed to seeing the POW/MIA Flag and Missing Man Table and Ceremony used in the right context. For those who may not be familiar, I offer the following.

Thomas Straugh
CAPT (O-6) USN (Ret.)

The Missing Man Table is a traditional feature of dining-in and ding-in-out services for the military. All branches of the military and veterans' organizations have encoded in their handbooks a solemn Table of Honor Ceremony, to recognize those missing from their ranks, unable to be with family and friends.

The Mission Man Table usually consists of a small round table with a white cloth, set for one. The POW/MIA Flag is present to represent any and all Prisoners of War (POW) and Missing in Action (MIA) service members.

The table is set with a red or white rose in a vase, yellow and red ribbons, a bread plate with a slice of lemon and pinch of salt on it, and an upturned glass. The chair is empty or leaned forward against the table. A formal, scripted ceremony honoring POW/MIA takes place at the start of the dining event to bring attention to the table, explain its symbolism and remind those present of the cost some service members have paid.

Om 2005 Margot Theis Raven, who was married to a POW from the Vietnam War, wrote America's Table,a children's book published by Sleeping Bear Press, explaining the significance of this tradition, The book helps us understand and remember the sacrifices of our military and military veterans. Perhaps it is time to review this little book.

Next week I will include the full ceremony in my letter. It is important to remember that this ceremony is a solemn event that deserves to be reserved for the POW/MIA service members who fought in time of war.

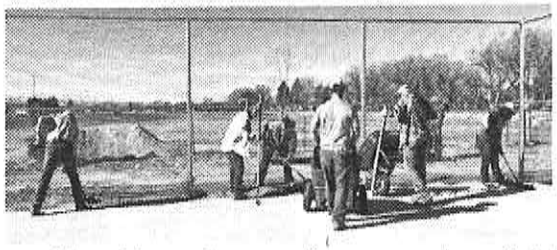
PICKLEBALL COURTS

With the warmer weather upon us, about two dozen pickleball players and friends turned out on Saturday April 13th for a work party at the pickleball courts that are under construction at the Chris Kraft Beaverhead County Park. The group worked to spread 105 yards of manufactured fines donated by R.E. Miller and Sons around the courts, and from the parking lot along the United Way supported pathway to the courts. Steve Cottom, of Cottom Seed, donated his time and loader to help with the project. Subway provided lunch through a partial donation.

The Beaverhead Pickleball Association is very appreciative of the community support they have received from community businesses, organizations, and individuals throughout its fund raising and construction process. The association is still looking for community support in the form of labor, materials, or monetary donations in order to finish the project. When finished, the courts will be free and open to the public. This will include free lessons for those who want to learn to play the world's fastest growing sport. If you would like to help you can make monetary donations by mailing them to the Beaverhead Pickleball Association, PO Box 683, Dillon, MT 59725.



Should you know of anyone who might be able to donate materials for any of the courts' needs, please contact Dave Cowardin at 406-360-0386. Need include a storage structure, fencing (12 foot wide gate, 6 foot wood posts, and field wire), benches, landscaping materials, signage, bleachers, covering for the bleachers, wire floor mats, court divider, and wind barrier material.

All donations, including labor and materials, are tax deductible under IRS rules, and letters will be provided to all donors to use for tax purposes.

Information about Mike Klakken for the State House of Representatives

Hello,

My name is Mike Klakken and I am running for the State House of Representatives District #70 as a republican. I believe that experience is important for this position and I have all the elements necessary for success. I have had the opportunity to serve in two of the three Branches of Government. I was a member of the Dillon City Council which is the legislative branch and served two four year terms as Mayor or the executive branch. These two positions showed me how the system works and what I need to do to get things done. I am also a small business owner and can see how regulations and taxes can help or hurt your business. In all of the above positions I have been very conservative fiscally and have found that less regulation is best. I am a graduate of BCHS and attended MSU and received my bachelors' degree. I went on to Washington State University and earned my Masters and Ph. D. in Physics. This training has helped me with problem solving and taught me to look at all sides of before you make a decision. I have found the input from different points of view often result in the best solution.

Now a little about myself. My wife is Renee, we have been married over 40 years. My father is Dr. Gordon Knorr and, as many of you know, he was a long time vet here in Beaverhead County. My mother was Alice Knorr, she worked as a teacher in the school system at Parkview Elementary. My in-laws were John and Beverly Hren. The Hrens have farmed and ranched in the Dillon area for many years.

We need to limit the amount of taxes assessed and spent by the State. Each Department of the State should be reviewed to see if there are duplication of Services and if the Department is an asset to the way of life for the Citizens of Montana. I would like to represent you to maintain the quality of life we enjoy in Montana.

Now that you have a brief history and information about me, please vote for Mike Klakken on the June 4. If you have any questions, feel free to call me at 406-925-1552, or visit my web page at www.klakkenforhd70.com, or my Facebook page at Mike Klakken for HD70, or come in and visit with me. Remember Experience makes a Difference.

This ad was Paid For By Klakken for HD70, Republican, PO Box 948, Dillon, MT 59725. Thank you.

Donkey Basketball

Jeremy Crawford, Southwestern Montana News

Friday 04/12, The Dillon Soroptimist Club held their annual Donkey Basketball fundraiser at the BCHS Gymnasium. With a group of volunteers from the University of Montana Business Office, Dillon Volunteer Fire Dept., Beaverhead Motors, Beaverhead FFA, Shepherds Garage, and the Dillon Jaycees.

With a packed crowd the first game between UofM Business vs the Dillon Volunteer Fire Dept. The game would go into overtime with UofM Business walking away with a 3 to 2 win.

Next up to the delight of the fans Beaverhead Motors vs Beaverhead FFA. Beaverhead Motors team came out ready to play and took the FFA by surprise, blowing past them with an 8 to 4 win.

Up next the Dillon Jaycees went against Shepherds Garage. The Jaycees proved to be the experienced team that knew how to get the donkeys around the court. Winning 8 to 6 and being the second highest scoring team of the night.

The championship game would pit Beaverhead Motors against the Dillon Jaycees. The Jaycees experience would prove too much for Beaverhead Motors and the Jaycees would trot away with a 16 to 4 win.

Funds raised from the event help the Soroptimist Club with their goals of helping to empower women through scholarships. Also bringing human trafficking to light.

Get to Know Shannon

Shannon Maness is one of three candidates on the upcoming June 4 Primary election ballot vying for the Montana House of Representatives District 70 seat.

From Maness's point of view, some people are fortunate to have called Montana home because they were raised here; some get to call it home by choice. Shannon and his wife, Krista, fall into the latter camp. The couple chose to settle in Dillon after both had previously explored the state. Says Shannon, "After visiting a couple times to see a friend and do some hunting, I couldn't get Montana out of my mind."

Shannon and his sister were raised in north Georgia by hardworking conservative parents. He spent his youth hunting, fishing, and riding horses with his dad and cousins. Shannon graduated from the University of Georgia in 1999 with Bachelor's degree in animal science, and a minor in agricultural economics. Before moving to Montana in the summer of 2010, Shannon wore several vocational hats, including cutting horse trainer, real estate agent, and UPS delivery driver. In Montana, Shannon has worked as a hunting guide in several wilderness areas and has worked in Glacier and Yellowstone National Parks. Once kids came along, his priority to be an always-present dad took precedence over seasonal occupations, so Shannon worked as a manager on a local recreational ranch before starting his own business, Blacktail Appliance Repair, in 2018.

Since settling in Beaverhead County, the 48-year-old father of two has invested much of his energy in local community volunteer service. He is currently an elected trustee of the Dillon Elementary School Board, and finance chairman of the Beaverhead County Republican Central Committee, where he has also served as secretary/treasurer. As a life-long hunter, Shannon enjoys serving as youth hunt coordinator for the local chapter of Pheasants Forever. He is secretary of the Dillon/Butte Montana Landlords Association, and previously served four years as a church deacon.

Shannon's faith is a guiding beacon for his work ethic and service mandate. He says, "Throughout my life of different careers and communities, a few things have always stayed the same. Foremost is a firm belief in God and his Son, Jesus. He is my moral compass, and from this perspective, conservative values and principles are those that hone in best with this compass."
