Cheers to 40 Years at The Bookstore

May 1st 1984 The Bookstore opened its doors at 26 N Idaho Street in Dillon. There will be an anniversary celebration on Saturday, April 27th from 9:00-5:00. The day isn't just about The Bookstore it is about Dillon and all of you, our friends and customers that have made the past 40 years not just a success but also fun!!!

In January of 1991 Debbie called Pat Blade and said you should sell me your store. She first asked "Who is this?" and followed it immediately with The Bookstore is not for sale and hung up. Debbie asked 3 times and was told no 2 and a half times. Over a 3 hour lunch at The Bannack house they penciled out a plan on a large red napkin, they then went home and told their husbands.

On June 1, 1991 Debbie walked through the doors of The Bookstore as the new manager. The original agreement was that she would work for a minimum of 6 months with no guarantee that she would still want to buy the store with the added note that there was no guarantee that Pat would sell the store. She learned a lot during those months. Discovering that running a Bookstore was so much more than just loving books. A spark was lit and she knew this was where she was meant to be. Of course, at her core it is still about loving books, loving reading and a love of sharing all of that with other readers.

March 1, 1992 Debbie's dream of owning The Bookstore came to fruition. This time when she walked through the door she had goosebumps because her dream had become real. At the time she was 32 years old and one of the youngest bookstore owners in the Pacific Northwest. She had a lot of guidance from Art and Pat Blade. When she became the owner Pat then worked for her for 5 years. She was a safety net for Sporich. Letting her learn the ropes, make it her own and keeping her from going off the rails. Debbie refers to her

husband Bill as the silent partner. He worked for the City of Dillon for 25 years providing them a steady income and benefits with Debbie taking care of The Bookstore.

Cathy Weber's art studio and Gallery occupies the back of the building at 26 North Idaho Street. She had moved into the building in the fall of 1988. She, along with the Sporich's bought the building in 1999. Owning the building together and operating their separate businesses under the same roof.

Saturday is the 11th annual independent Bookstore day. A day that is celebrated in all 50 states with more than 1200 stores participating this year. The doors will open at 9:00 with the celebration continuing throughout the day. The Dillon Junior Fiddlers will provide music starting at 10:00. Bozeman author, Dave Carty will be signing copies of his book "Red is the Fastest Color" from 1:00-3:00

The novel set against the backdrop of Montana is complex, heartwarming and heart wrenching. Carty gives us a compelling tale of love and loss, of real people living with real problems as they maneuver through life. Red is the Fastest Color is a quiet story about one man's struggle with loneliness, the joy he finds in friendship and ultimately the profound sorrow at its loss.

We look forward to celebrating this milestone with you. There will be drawings for door prizes, there will be cake and we will be revisiting 1984. Please join us sharing your memories of The Bookstore.

If you have any questions or would like to reserve a copy of Red is the Fastest Color call us at 406-683-6807

**Sweeney Named CSC Second
Team Academic All-America**

The College Sports Communicators (CSC) announced Tuesday the 2023-24 Academic All-America® women's basketball teams for NCAA Division I-II-III and NAIA divisions. Jordan Sweeney was selected as second-team All-America on the list that consisted of 11 women's basketball players from across the NAIA.

Sweeney, a 5-7 guard from Oakley, Calif., was previously selected as a Frontier Conference first team all-conference selection and as an AP All American Honorable Mention and NAIA second-team All American after she led the Frontier with 20.6 points per game and 5.4 assists per game. She also joined Montana Western's 1,000 point club after two seasons with the Bulldogs after she dropped 43 points against Rocky Mountain College back on February 24 for a new UMW single game scoring record.

The NAIA Academic All-America® program is being financially supported by the NAIA national governance structure to assist CSC with handling the awards fulfillment aspects for the 2023-24 NAIA Academic All-America® program.

Five of the 11 members of the Academic All-America® NAIA women's basketball teams maintain an impeccable 4.0 GPA in their undergraduate work or graduate school, with Sweeney falling in this category.

For more information regarding the Academic All-America® program, visit <https://academicallamerica.com/>.

**Attorney General Knudsen's statement on national
TikTok ban approved by Congress**

Montana Attorney General Austin Knudsen issued the following statement in response to Congressional approval of a bill that will ban TikTok in the United States if Chinese-owned ByteDance does not sell their stake of the platform:

"I'm glad to see that Congress finally acted and followed Montana's lead to ban TikTok. The dangerous application is a spy tool for the Chinese Communist Party that poses a serious threat to our national security and puts the privacy of Americans at risk. I hope President Biden keeps his promise and signs the bill into law."

Montana became the first state to ban TikTok last year when Senate Bill 419 was signed into law. Attorney General Knudsen's office drafted the legislation and was influential in getting it to the Governor's desk.

Secretary Christi Jacobsen thanks businesses for successful 2024 annual report season

Montana Secretary of State Christi Jacobsen thanked the thousands of businesses across Montana for a successful 2024 Annual Report season.

All limited liability companies (LLCs) and corporations (profit and nonprofit) are required by law to file an annual report to keep registration information up to date, while the business remains in active-good standing.

Roughly 220,000 Montana LLCs and corporations filed their annual report in 2024.

Since taking office, Secretary Jacobsen has cut registration fees in half for Montana businesses, waived several other fees entirely, and provided the one-time fee waiver for all Montana businesses filing a 2024 annual report by the April 15th deadline.

"Our office is a proud partner of the Montana business community," said Secretary Jacobsen. "We're honored to be the first step in their business journey when they register. We're proud to make it easier to do business in Montana by increasing efficiencies, decreasing deterrents, and providing excellent customer service."

"Thank you for doing business in Montana!"

During the annual report filing season, many Montana businesses thanked Secretary Jacobsen for waiving the 2024 annual report filing fee, while several others praised the Secretary of State's Business Services Division for providing excellent customer service throughout the process.

"I would just like to take a moment to say 'thank you' to Secretary of State Jacobsen (for) waiving the Annual Report fee," wrote one customer.

"I just want to say 'thank you' for removing the filing fee for 2024. I think this action sends a positive message for those who have a business in MT. Thanks so much!" wrote another customer. "Also, thank you for making the filing report 'user friendly' - everything correctly filled in for me. I am 71 and not very tech-savvy, but this was easy peasy for me! Thanks again. Keep up the good work."

"I would like to thank Christi and all of her staff for making my registration easy and efficient," added another customer. "I really liked the ease of completing the process and the immediate certification form I received. Thank you."

Dillon Farmers' Market Member Meeting

The Dillon Farmers' Market will hold its annual members' meeting at 6:00 pm in the Lucy Carson Library on the UMW campus on April 30th. Members from 2023 and prospective new members are encouraged to attend. Plans for the 2024 season will be discussed as well as the 2023 annual report. Market rules and applications will be available and will be posted to the DFM website following the meeting. Call Janet at 406.683.6419 with questions.

Dillon DAV Needs Volunteer Drivers

The Disabled American Veterans (DAV) service organization could really use several more local volunteer drivers in Dillon. Dillon drivers use two locally housed DAV vehicles to transport veterans to their medical appointments which are usually at Veterans Administration medical facilities in Butte, Fort Harrison in Helena, and Bozeman. Over the past year, though, most medical appointments have been in Butte at the new VA Clinic or at St. James Hospital. Local drivers give rides to vets not just from Dillon, but from a number of other towns in our area such as Sheridan, Ennis, Whitehall and others. Typically in the past there have been a whole handful of local volunteers to help transport area veterans, but more recently Dillon is experiencing a serious shortage of volunteer drivers.

If you've been thinking about giving back to our nation's veterans who have helped preserve our freedoms, this is an excellent opportunity. To learn more about the DAV organization, you can go to <https://www.dav.org>.

If you think you'd be interested in being a local volunteer driver or would just like more information, please call Darlene, Dillon's Local Area Coordinator, at (406) 490-3692.

FWP announces Mule Deer Citizen Advisory Committee

The new Montana Mule Deer Citizen Advisory Committee will meet twice this spring and help the department identify important issues in mule deer management and goals for the new mule deer management plan. This is an early step in the planning process with multiple opportunities for public input before the plan is finalized in time to inform the 2026-2027 hunting season-setting process.

"Most Montanans have a familiar appreciation for mule deer, given their statewide distribution," said FWP Director Dustin Temple. "Hearing concerns and questions about population levels and disease, we are going to make the effort to ensure our management is based on the best contemporary science and consistent with Montanan's expectations. This diverse citizen advisory committee is going to kick-start that effort."

The advisory committee is comprised of 16 members, which were selected from a pool of 100 applicants. Members were selected based on their familiarity with issues involved with mule deer management and their willingness to work with a team and engage in productive discussions. They represent each FWP region and come from diverse backgrounds. The decision on committee members was made by FWP's director and reviewed by the governor's office. A complete list of members and more information can be found at fwp.mt.gov/aboutfwp/commission-councils-committees/mule-deer-citizens-advisory-committee.

The committee will meet twice before June 15, and their work is expected to be completed by June 30. Both meetings will be multi-day with the first meeting scheduled for May 6-8 in Helena and the second meeting dates and location to be determined.

These meetings will be open to the public via Zoom. Those who wish to provide public comment during the first meeting can register at fwp.mt.gov/aboutfwp/commission-councils-committees/mule-deer-citizens-advisory-committee; registration deadline is noon on May 6. There will be other opportunities for public engagement as the plan is developed.

Veteran's Corner Update
 By Mike Lawson

We now have six active US Military Services with the passing of the Space Force becoming one on Dec 20th, 2019. The Veterans and active duty personal from each, banter back and forth about which is the best and joke with each other with sayings like "the Best Marine is a submarine" which is countered by "the Navy is the Uber of the Marines" and the sayings go on with the other services as well. We're all Veterans and have a deep respect for one another, but enjoy giving each other a jab or two in good fun. I was thinking about this in reference to the elephant that got loose and headed down Harrison Ave. in Butte last week, before being captured by it's circus handlers. A veteran friend of mine, a Democrat from Helena, sent me an e-mail saying, "I see a 'Republican' ran amuck in Butte, today." I had to laugh as the Elephant symbol is to the Republican Party as to what the Mule symbol is to the Democrat Party. There's too much negativism if your not in one another's party, in today's world. We are all Americans and that alone is reason enough to respect one another and reject this movement between the far left and far right that we are enemies of one another. We can agree to disagree and sit down for a friendly meal with one another in peace. I always remember hearing about our esteemed Montana Senator Mike Mansfield, the longest Senate Majority Leader in the Congressional Senate, who had breakfast with the Minority Leader every day when both were in town. They were friends and worked things out where they could and agreed to disagree on things that the two sides each were deeply divided on. Yes with that said, I will expect to hear a comment joking about the Democrat Party Mule symbol, I'm sure, and get a good laugh.

Veteran News Updates:

- I'm a big advocate for VA Healthcare and having taken Veterans to their VA medical appointments, these last 18 years of driving the DAV Vans, many of these Veterans have repeatedly said that the VA health care they receive is second to none. Recently I read a headline that said "Trust in VA among Veteran patients rises to 91.8%, up 6% since 2018. I have been getting VA healthcare since 1998 and couldn't be more satisfied. If your a veteran and are not in the VA Healthcare system, get with a Veteran Representative and make it happen.

The VA enrolled 401,006 Veterans in the VA Healthcare system in the past 365 days—30% more than the 307,831 it enrolled the previous year. Impressive!!

• My Dad died from Colorectal Cancer, which is one of the leading cancer killers, and I was advised to get a colorectal cancer screening every 3 years, which I do at the VA at Ft Harrison. This procedure is called a colonoscopy and is considered the gold standard for screening. Someone could have polyps or colorectal cancer. I have had polyps, which could have become cancerous if they had not been removed during this procedure. It's recommended that after turning 45 yrs old that you get screened. Don't put it off as that could be deadly. It really prevents and decreases mortality.

Dillon Tree Board Roots & Branches

WHAT IS THE TREE BOARD?

The Tree Board was established in 2008 by resolution of the Dillon City Council. The five-member Board is appointed by the Mayor and Council. The Tree Board works with the community to preserve, enhance and expand our community forest. All trees growing in Dillon are part of our community forest.

WHAT DOES THE DILLON TREE BOARD DO?

- Develop and update a Community Forest Management Plan.
- Provide annual maintenance to trees planted in our parks and the elementary school.
- Develop and publish the *Trail of Trees* and *Tree Selection Guide* pamphlets for Dillon.
- Offer an annual Cost/Share Tree Program to residents of Dillon.
- Celebrate Arbor Day with the City of Dillon, local civic groups, and Parkview Elementary.

WHAT HAS THE DILLON TREE BOARD ACCOMPLISHED?

- Planted 414 trees
- Pruned 529 mature trees
- Secured \$240,000.00 in grant money for Dillon
- Dillon has maintained "Tree City" status for the past fourteen years and awarded *Montana Tree City of the Year* in 2013 & 2019.

August 8, 2023 was a very special "Day of Service" in our community. Nearly twenty volunteers mulched and pruned the young trees at Mountain View Cemetery. To the left and above are some of our volunteers.
