Secretary Christi Jacobsen: 'Montana further protecting election integrity, improving voter confidence by piloting EAC program'

Montana Secretary of State Christi Jacobsen is proud to announce that the state of Montana was selected to participate in a first-of-its-kind pilot program with the U.S. Election Assistance Commission (EAC) to ensure the state's voter rolls are accurate and up to date. Montana was one of only a few states that qualified for the program.

The pilot program will allow the Secretary of State to use innovative technology from credit reporting data to identify voters who may have moved, allowing election officials to assist in updating their voter registration information.

Upon taking office in 2021, Secretary Jacobsen joined state and local election officials in reminding Montana voters to update their voter registration information after they move or change their name. The Secretary has utilized public service announcements, social media, and other forms of public outreach to promote Montana's one-stop shop for voter resources, VoteMT.gov.

Now, Montana election officials will receive another resource to provide correspondence to voters who may need to update their voter registration information. Through the EAC pilot program, Montana election officials will be able to utilize information from the private sector to ensure voters' information is up to date.

"Montana leads the way in providing safe, secure, transparent, and accessible elections for our voters," said Secretary Jacobsen. "When I learned of the staggering amount of undeliverable ballots during the 2020 elections, we immediately got to work to improve how Montana cleans its voter rolls. Through Senate Bill 170 (2021 Legislature), which required county election administrators to review and maintain their voter registration list annually, as well as this

pilot project, we are getting the job done.

"This pilot program will allow Montana to further improve voter registration maintenance and provide accurate name and address information. An updated voter registration list is a nonpartisan tool to ensure election integrity, and our office is proud to support these efforts."

According to the EAC, "Maintaining an accurate voter registration list is essential to protecting election integrity. Americans deserve an election system that produces an accurate result based on each eligible voter casting a single ballot in their proper jurisdiction. Maintaining an accurate voter list benefits voters because it lowers the likelihood of lines at the polls, reduces voter confusion, and decreases the number of provisional ballots. Updated records also allow election administrators to plan, better manage their budgets and poll workers, and improve voter experience."

The Montana Secretary of State's Office is proud to be a national leader in protecting election integrity, improving voters' confidence, and increasing efficiency for state and local election officials. The Secretary of State's Office will have more information on this exciting advancement in election integrity in the near future.

Dillon Track Invite Needs Your Help

BCHS will be hosting the Dillon Invite track meet on Saturday, May 4th at 10:00 am. I am looking for volunteer workers to help run the finish line and field events. If you are around, I would greatly appreciate any help you can provide. If you know of any students who might be interested, please send them my way.

Food and drinks will be provided throughout the day! Please let me know if you have interest in helping and I hope to see you all there. Go Beavs!

Letter to the Editor

I am writing a letter of support for a candidate in HD 70 (House District 70).

This is a person of **INTEGRITY**. A person who wants your trust to represent you, the hard-working blue-collar men and women in this district, who know what it means to work for a paycheck, not given one. A person who will listen to your concerns and take them to heart, not kiss them off.

This is a person of **COMPASSION** who knows what this great country and district is going through and is not only willing to address these issues but is very capable of doing so.

This is a person of **VISION.** A person looking to the future, and willing to address those needs, on behalf of the residents of this district. This person is willing and able to do so, because you, the people, will always come first, not an individual's agenda.

This District does not need any more Doctors, Lawyers or Indian Chiefs to lead us into the future. This District needs hard working businessmen and businesswomen to do so.

That is why I will endorse SHANNON MANESS to represent us in HD70. No more "wanna-be's". Just a hard working "do-a-be". Someone that has the capability and desire to do so, to establish a beach head and move forward with vigor, purpose and maintain goals that will not only benefit our District, but also our great country.

That is why you need to support SHANNON MANESS. A man of Integrity, Compassion and of Vision. Your vote for this man will be a worthy vote. One you will not regret, but a vote you will be proud you made.

Don Dvoroznak

CARNATION GARDEN

By "Swede" Troedsson

Shortly after I retired in 1994, I kept accepting dispatches by the Montana DNRC (Department of Natural Resources & Conservation) as an Air Support Group Supervisor, which ws considered to be a critical shortage category at that time.

That summer, I was dispatched to a state wildland fire on the Stillwater State Forest. The state forest headquarters is located in Olney, MT, about 15 miles northwest of Whitefish, Montana.

The first day I arrived on the fire, I visited the fire helibase, a temporary helicopter landing area which was located some distance east of the headquarters.

That evening, I attended the state lands fire overhead team meeting in Olney. I informed the team that there was quite a "carnation garden" (wads of toilet paper) growing around the helibase and recommended that porta potties be delivered to the helibase. It was my understanding that the helibase was located in a municipal watershed!

Those overhead were shocked! They were in the early stages of organizing logistics on the fire, and they hadn't even considered ordering porta potties for the helibase.

The next morning when I returned to the helibase, four porta potties had to be quickly moved off of the helicopter operations landing area so we could start allowing the helicopter operations to begin that day!

FOUND

UMW Natural Horsemanship Team Wins Collegiate Colt Starting Challenge

A team of students from the University of Montana Western's Natural Horsemanship program recently placed first in the 2024 Road to the Horse - Idaho Horse Expo Collegiate Colt Starting Challenge.

UMW Natural Horsemanship program receiving first place check for Road to the Horse colt starting competition.

*This article was originally published on roadtothehorse.com.

Road to the Horse has a passion for inspiring the next generation of horsemen and women and was proud to produce in partnership with the Idaho Horse Expo the 2024 Collegiate Colt Starting Challenge held April 5-7 at the Ford Idaho Horse Park. This event created a valuable learning experience in the art of colt starting for three collegiate teams who were able to compete for their share of the $6,000 cash purse.

The collegiate teams that participated were Feather River College, coached by Suzannah Campbell; Treasure Valley Community College, coached by Wade Black; and the University of Montana Western, coached by Eric Hoffmann. Donating their time to the event were judges Chloe Cuddie Hudson, Benjamin Longwell, Noel McQuigg, Tim Phillips and Leo Van Sistine.

"There is no better way to create a legacy, than to invest in the future," states Road to the Horse Director of Operations, Tammy Sronce. "We were honored to work with the Idaho Horse Expo to create an amazing platform to showcase the region's top collegiate teams. The horsemanship and sportsmanship displayed by all three teams was inspiring to all."

Over the course of the event, each team partnered with a filly from Bar 71 Ranch. The competition consisted of three round pen sessions, with the challenge accumulating on the final round which included both rail work and an obstacle course. All collegiate teams displayed superb horsemanship in a close competition that came down to the final round to determine the winner.

The University of Montana Western claimed wins in rounds one, three and four. Treasure Valley took the top score in Round Two. Feather River displayed impressive horsemanship throughout all rounds with a sensitive filly and left fans in awe of their progress during the finals.

The University of Montana Western claimed the championship with an accumulated score of 1299 points riding Tottie Gun Smart,

followed by Treasure Valley Community College with 1210.5 points riding Daiquiri B Gun Smart and Feather River Community College with 1008 points riding Ginger Be Smart. All three fillies were sired by Willy B Gun Smart (Playgun x Cow Smart High Brow).

Head Natural Horsemanship Instructor, Eric Hoffmann, was proud of his team and grateful for the opportunity for the students to gain valuable, hands-on experience.

"It was such a wonderful event for students to learn from as far as reading the subtle tries that colts offer us all the time and the ability to take those and turn them into positive outcomes," said Hoffmann. "[The event] brought me inspiration about being an educator for our future leaders in the equine industry and how we can take what we learn from the horse and apply it to our daily lives."

The UMW Equine Studies Department, in partnership with the Montana Center for Horsemanship, offers the nation's only Bachelor of Science degree in Natural Horsemanship with options in management, psychology, science and instruction, and was ranked among the "Best Equestrian Colleges" by ThoughtCo.com.

The Montana Center for Horsemanship is the first and only equine center in the United States that is devoted expressly to promoting 'Natural Horsemanship.' With its stables, arenas, riding areas, and instructors, the center serves as the primary facility and progressive teaching resource for Montana Western's Natural Horsemanship BS curriculum.

The MCH teaches the 'La Cense Method,' which was developed under William Kriegel, owner of Haras de la Cense in France. Mr. Kriegel is also co-founder of MCH, and has been involved in Natural Horsemanship for many years. The La Cense Method is a progressive, step-by-step process that blends the best of traditional horsemanship training with the art of training and riding horses—all in a manner that works with a horse's behavior, instincts, and personality. Taking a positive and respectful approach, the La Cense Method gradually builds trust, and frees the horses to be confident in all they are asked to perform.

BARRETT HOSPITAL & HEALTHCARE

EXECUTIVE ASSISTANT

Barrett Hospital & HealthCare invites applications to fill an Executive Assistant position to join our team of professionals. The Executive Assistant provides, under general supervision, administrative support to the CEO, CCO, CFO, and the Board of Directors. The Assistant is responsible for coordination of all aspects of the administrative office including flow of information, scheduling, liaison with medical staff, community members, hospital staff and Board of Directors members. The Assistant is also responsible for the organization of the administrative office, including various files including State and Federally required documentation, office equipment, and overall appearance. Under the supervision of the CEO or designee, the Assistant coordinates hospital-wide community awareness planning and implementation. As a member of the professional team, the Assistant requires maintaining a high level of organization skills, self-motivation and a well-developed demeanor and discretionary judgment. The Assistant provides support for major projects, as assigned by leadership, and is responsible for ensuring that project actions are tracked and completed timely.

Minimum Qualifications: Candidates must have 5+ years directly related, executive level support experience. Proficiency in Preference will be made for candidates who possess a Bachelors' degree. Experience supporting healthcare leadership, preferred.

For more information, please email careers@barretthospital.org. Barrett Hospital & HealthCare is proud to be an Equal Opportunity Employer.
