Get Ready for the Beaverhead Treasure Hunt

The Beaverhead Chamber of Commerce & Agriculture is thrilled to announce the return of the Beaverhead Treasure Hunt in partnership with the University of Montana Western Glass Arts Program and Club. Now in its fourth year, this exciting geo-tourism event promises adventure and discovery for visitors and residents alike.

This year, students from the University of Montana Western's Glass Arts Program have hand-crafted 200 colorful mushrooms, which will serve as the prized treasures hidden throughout Beaverhead County. From Memorial Day through Labor Day, these whimsical glass paperweights will be discreetly tucked away in local businesses, waiting to be found and claimed by lucky treasure hunters.

To participate, simply keep your eyes peeled during your Beaverhead County adventures. Once you discover a mushroom, notify the Beaverhead Chamber of Commerce & Agriculture by providing your name and the location where you found it. By doing so, you'll be entered into a drawing for a chance to win \$100 in Chamber Bucks! Don't forget to capture the moment with a selfie alongside your Mushroom and send it to info@beaverheadchamber.org.

Rules of the hunt: • 200 paperweights will be hidden from Memorial Day to Labor Day. • Paperweights remain hidden rain or shine.

• One paperweight per person per summer, and it's yours to keep! Feel free to share the joy of discovery with friends and family.

Treasured words of advice:

• We encourage exploration and discovery; the goal is for the paperweights to be found!

• Paperweights are cleverly hidden in plain sight within public areas of local businesses and historical sites. Please respect these locations and avoid disturbing the surroundings.

In an exciting addition to this year's event, the Beaverhead Trails Coalition will host a Family Fun Day at the Dillon Town Overlook Trailhead on June 1, 2024, from 12:00 - 5:00 p.m. Activities will include a fun walk/run up past the iconic "M," where 25 additional mushrooms will be hidden along the trails.

The drawing for the \$100 Chamber Bucks prize will take place in September. For any questions or to submit your mushroom selfie, please call 406-683-5511 or email info@beaverheadchamber.org.

Join us for a summer of adventure and discovery with the Beaverhead Treasure Hunt!

Mother's Day Offering at Tendoy

Flowers just seem to go with Mother's Day, so Jean James is offering her botanical watercolor and gouache paintings for 30% off at Tendoy Fine Art. Then while she is at it, she is including her collection of matted paintings in the sale.

"I wanted to offer this work at a discount so those looking for a special something for Mother's Day might be able to afford an original painting." James shows her work locally, and statewide. A practicing artist for over 50 years, she paints using a variety of media. She also does commission stained glass work including restoration of historic windows as well as teaches private lessons and workshops.

Veterans Update

By Mike Lawson

Veteran News Updates: • In a follow-up of what was written last week, in this column, concerning the "Missing Man Table", the ceremony really is a heartfelt solemn experience for those who see it. I've seen it a number of times over the years and am always affected by it.

• It goes as follows: "Those who have served, and those currently serving in the uniformed services of the United States, are ever mindful that the sweetness of enduring peace has always been tainted by the bitterness of personal sacrifice. We are compelled to never forget that while we enjoy our daily pleasures, there are others who have endured and may still be enduring the agonies of pain, deprivation and imprisonment."

• "Before we begin our activities, we pause to recognize our POWs and MIAs." "We call your attention to this small table, which occupies a place of dignity and honor. It is set for one, symbolizing the fact that members of our armed forces are missing. They are referred to as POWs and MIAs."

• "We call them comrades. They are unable to be with their loved ones and families, so we join to pay humble tribute to them, and bear witness to their continued absence." The table is small, symbolizing the frailty of one prisoner, alone against his or her suppressors."

• "The tablecloth is white, symbolic of the purity of their intentions to respond to their country's call to arms."

• "The single rose in the vase signifies the blood they may have shed in sacrifice to ensure the freedom of our beloved United States of America. This rose also reminds us of the family and friends of our missing comrades who keep faith while awaiting their return."

• "The red ribbon on the vase represents an unyielding determination for a proper accounting of our comrades who are not among us."

• "A slice of lemon on the plate reminds us of our bitter fate."

• "The salt sprinkled on the plate reminds us of the countless fallen tears of families as they wait." • "The glass is inverted. They cannot toast with us at this time." • "The chair is empty. They are NOT here."

• "The candle is reminiscent of the light of hope, which lives in our hearts to illuminate their way home, away from their captors, to the open arms of a grateful nation." • "The American flag reminds us that many of them may never return — and have made the supreme sacrifice to insure our freedom."

• "Let's pray to the supreme Commander that all our comrades will soon be back within our ranks."

"Let us remember—and never forget their sacrifice. May God forever watch over them and protect them and their families."

Being a two tour Vietnam combat veteran and having experienced the loss of brothers in combat, this ceremony strikes deep into my heart and in many ways says it all for those who are not with us and sacrificed the ultimate sacrifice.

BCHS State Music Festival

From our Choir Teacher Carolyn Van Slyke

I am so proud of the students who participated in Statd Music Festival. They have dedicated many hours in preparation. I teach that ratings are only one person's opinion of a snapshot in time. I see all the work, desire, drive, heartache when things don't go as planned, and rejoicing when all works well. These students are all superior in my eyes!!!!Please congratulate them and ask them about what they learned. Festival is all about learning and improving ourselves. Carolyn

Celebrate Mother's Day with free fishing

Want to do something special for you mom this Mother's Day? Take her fishing. No fishing licenses will be required Mother's Day weekend, May 11 and 12. Whether she's an experienced angler or new to the sport, it's a great opportunity to get your gal outside. While a fishing license is not needed, a *Conservation License is still required* to access most state lands including fishing access sites, wildlife management areas and wildlife habitat protection areas (WHPA).

In 2021, Gov. Greg Gianforte signed a Bill, which makes it free for anyone, to fish in Montana on Mother's Day. Montanans have enjoyed free fishing on Father's Day weekend for more than 10 years.

Put the Worry of Colon Cancer Behind You

Schedule your colonoscopy screening today.

Colon cancer can be a life altering disease. However, early screening can help to significantly increase the survival rate. A colonoscopy is still the best tool to help you detect, treat, beat, and even prevent colon cancer entirely. Schedule an appointment with your primary care provider to start the conversation about this potentially life-saving screening. It could be the best decision you'll ever make.

Call **406-683-1188** to schedule a pre-colonoscopy appointment with your Barrett Hospital & HealthCare provider, or visit **barrethospital.org** for more information.
