Letter to the Editor

To whom it may concern,

I am writing to endorse Mary Ann Nicholas for House District 70 Montana. I have had the pleasure of knowing Mary Ann for several years now, and I can confidently say that she possesses the necessary qualities and skill sets to excel in this position.

In my personal experience, I can say that Mary Ann is prompt, thorough and she follows through in a timely manner. She tells it like it is, in a professional, kind manner. She is a person of great integrity and honesty. She embodies principled conservative values and leadership.

Mary Ann grew up in Southwest Montana, in a family deeply involved in local business and agriculture. Her legal background, experience in small business, her ties to agriculture and love of this land that she calls home gives her a unique understanding of the challenges faced by rural communities. She pledges to be a strong voice for agriculture, individual liberty, lower taxes, and greater prosperity.

I strongly urge you to vote for Mary Ann Nicholas in the upcoming primary election on June 4th, 2024. I am confident that she is the best candidate, the best born and raised Montana native candidate that will work towards the betterment of our communities, our land, and our families.

Thank you for your consideration,
Sandra Lapham

Bulldog Track & Field Earns Five All-Conference Selections

With the completion of the 2024 Frontier Conference Track & Field Championship, the conference has announced the 2024 Frontier Men's & Women's Track & Field All-Conference Teams.

Five Bulldogs earned all-conference honors in various events. To be selected to an all-conference team, a student-athlete must place in the top three of an event at the conference championship meet.

Isaiah Thomas was crowned the Frontier Conference champion in the 100m dash to earn all-conference honors. He also placed third in the 200m dash, earning a second all-conference nod. Brant Heiner earned all-conference honors after he claimed second in the 10,000m run. Drake Delude, Brody Henry, Landon Hayes, and Thomas all earned all-conference honors after they claimed third in the men's 4x400m relay.

Letter to the community!

On behalf of Beaverhead County Museum, I want to thank BCHS Juniors and Seniors who participated in the Volunteer Day at the museum. What an outstanding program the school has incorporated into their activities. The museum is a large facility and the students that volunteered at the museum helped in the research room, carried large, framed pictures up the winding depot stairs to the attic, swept outside the depot, gazebo, and museum, beat rugs, picked up trash and carried a bookcase from Pioneer Furniture to the museum. We are fortunate to have a high school that sees the importance of volunteering and gives back to their community. Thank you again for a job well done and congratulations to all the seniors who will graduate this year!

Call for Artists: Women's Resource Center Fundraising Event

The Women's Resource Center is seeking submissions for artwork to feature in our upcoming fundraising event, Gallery of Hope, aimed at raising awareness and funds for our organization's mission of empowering women in our community. For forty-seven years, the WRC has provided crisis intervention, advocacy, outreach, and emergency shelter for victims of domestic and sexual violence in Beaverhead and Madison Counties.

Theme: Celebrating the Strength of Women

We invite artists of all backgrounds to submit original pieces that capture the essence of women's strength, resilience, and empowerment. Through the medium or mixed media of your choice, we encourage you to share your unique perspective on the diverse experiences, challenges and achievements of women.

Submission Guidelines:

1. Artwork should reflect the theme of celebrating women's strength and resilience. All media are welcome, including but not limited to painting, drawing, photography, sculpture, and digital art. Each artist may submit up to three pieces for consideration. Artwork must be original and not previously exhibited in our events. Please provide a brief artist statement (250 words max) with each submission, explaining the inspiration behind your work, such as how artwork reflects the strength of women, how the work communicates in a way that words cannot, and how artwork can be a language of hope and resilience. 8. Include a suggested retail value for each submission to guide potential buyers on how to best support our fundraising efforts.

2. How to Submit:

- Fill out this online form by July 15, 2024: <https://forms.gle/qGrDg2xhRrD5oqQa6>

Important Dates:

- Submission Deadline: July 15, 2024 • Notification of Acceptance: August 1, 2024 • Artwork Delivery Deadline: August 15, 2024. • Artwork will be on display at Sweetwater Coffee August 24 through September 28, 2024.
- Fundraising Event: Saturday, September 28, 2024 at Sweetwater Coffee, 24 S. Idaho Street, Dillon, MT 59725
- Benefits of Participation: Exposure: Selected artworks will be on display during Labor Day Weekend, the month of September, and at our fundraising event, attended by community members, supporters, and potential buyers.

Artist Donation Policy:

Artists may choose to donate 50% to 100% of the auction price of their artwork to the Women's Resource Center. This contribution will help our mission of empowering women and providing essential services to those in need.

Information, Rebecca Knotts at rebecca@wrcmt.org or at (406) 683-6106.

The students had a great time at the cancer campaign Fun Run Day on Friday, May 10th. The students donated money to be able to tie-dye t-shirts, throw pie in teachers' and other community members' faces, and participate in a color run where the teacher threw colored powder at them. A HUGE thank you to Mrs. Channon Williams for putting the event together for such a worthy cause. It is a ton of work to put on and the students and teachers appreciate the fun of it so much.

On Monday, May 13th, 5th graders will be having meetings about transitioning to Middle School. Welcome, students! We are excited to have you next school year.

Also on Monday, May 13th, 8th graders will be leaving for a field trip to Butte. Have fun, 8th graders!

On Tuesday, May 14th, 8th grade students will have a meeting about transitioning to high school. Congrats on your upcoming graduation from middle school, 8th graders! You will be missed.

On Wednesday, May 15, 6th graders will be going on a field trip to Lewis and Clark Caverns. Have fun learning about caves and bats students on such a fun and exciting underground adventure.

Why should Beaverhead County parents learn about Adverse Childhood Experiences? Because knowing about ACEs helps to build resilience to buffer the impact of toxic stress on you and your child. It helps your child live a happier life and break free from cycles of trauma. Healthy families build strong communities.

REPUBLICAN

- ☑ Hi my name is Mike Klakken and, as you know, I am running for HD70 and I believe I am your best choice on the primary election on June 4, 2024. I have been married to my wife Renee for over 40 years. My father is Dr. Gordon Knorr and he was a long time veterinarian here in Beaverhead County. My dad knew and worked with most of the farmers and ranchers in the area. My mother was Alice Knorr and she worked as a teacher in the school system at Parkview Elementary. My mother showed me some of the problems that teachers and administration have in the school system. My in-laws were John and Beverly Hren. The Hrens farmed and ranched in the Dillon area for many years. My in-laws gave me insight into another side of agriculture. They took pride in their livestock and property and worked to make their ranch a success. Both my parents and in-laws taught me that, if you want to succeed, you have to put in the time and effort. I worked my way through college and graduated debt free. I tutored and had research jobs to pay for my education and my last year I received a NASA grant. I worked at Pfizer filling talc bags and running a front end loader to save money for school. After graduation, I took a job at Alliant Techsystem in Salt Lake City and worked with solid propellant missiles and boosters in the Safety and R&D departments. After 12 years in Utah, I decided to come home and started a small business, repairing and selling computers. I ran for Mayor of Dillon and was elected. I stayed in office two terms (eight years) and felt it was time to let someone else take over. I am now retired and have the time and skills necessary to be an effective Representative. I am willing to spend the time to do the research necessary to help pass legislation that is good for Beaverhead and Silver Bow County.
- ☑ I believe that experience makes a difference and I have that experience. I served twelve years in two of the three branches of government and have had multiple training classes in both. As a member of the City Council (Legislative Branch of City Government) I was involved in approving the budget and voting on resolutions and ordinances for the City of Dillon. The Mayor is the Executive Branch of City Government. I prepared the budgets to present to the Council and executed the budget after it was approved by the Council. I helped prepare the written documents for ordinances and then enforced them. While preparing/approving the budget and ordinances for the City it was necessary to follow State guidelines and understand how various funding from the State was calculated and what restrictions were put on the funding. I also had to be aware of State code so that the City ordinances did not go against State Code. As Mayor of Dillon and a member of the City-County Health Board, I fought for the citizens and businesses of Dillon during the COVID-19 pandemic. I worked with the City Council to decrease the City of Dillon's water and sewer bills by eliminating some of the debt and allowing the City of Dillon to have one of the lowest utility payments in the state. During my term we started going through the ordinances and cleaning up ones that were duplicates, out of date or no longer needed. When I was in office I was always available to the public and found that public input was important in identifying and solving problems. I was always willing to listen to your concerns and help find a solution (if possible) to them. This experience in government will be beneficial in the preparation and discussion of proposed laws on subjects that would benefit Beaverhead and, Butte-Silver Bow Counties.
