Duke Novich

Duke Novich of Twin Bridges passed away peacefully on May 8th. He was born February 26th, 1935, and baptized Dusan in the Serbian Orthodox Church. He was born on the ranch he lived on his entire life. His early years were spent ranching with his parents and brothers, a life he loved and chose not to leave.

He married Betty Hinton in 1960 and they raised 3 boys. They spent the next 60 years following the kids and grandkids through various sports and rodeo events.

He had great pride in working long hours and taking care of the land and livestock. He gave to the community, he was on the Twin Bridges School board, Pageville Canal and a State Livestock inspector for over 50 years. He loved Madison County, the Ruby Mountains, and "Most" of the people! Oh, we almost forgot, his old-time passion for his team of horses, the wagon, and fair time parades.

He was preceded by his parents Tom & Doris Novich; brothers Steve (Marge) Novich; Dan (Lucille) Novich; Pete Novich; three nephews, Tom, John and Frank Novich and one niece, Marcia Gibson; cousin Nick (Anne) Novich, grandson in-law Arron Sims. Survivors include sons, Sam (Andrea), Jay (Shadeen) and Luke (Kristin) Novich. Grandchildren Saige, Riley (Sami), Dara Sims, Newt (Ashley) and great grandchildren Zaylin and Brooklyn Sims; Sister's in-law Cora Novich and Wanda (Russell Munson); and nephews Pete (Becky Kington), Hayes (Carrie), Gibson, (Travis, Trent and families), and niece Joy (Dennis) Day; and cousin Ron (Terry) Novich.

We take comfort in knowing we will meet again where Earth's trail ends and forever begins. You're back home with your parents and brothers! Rest in peace.

There will be a memorial celebration for friends and family at the Twin Bridges Fair Grounds, Thursday May 16th at 2:00 pm.

Memorials in Dukes name can be made to the Twin Bridges Historical Assoc. Po Box 227, Twin Bridges, MT 59754. He loved Madison Co. History.

and served proudly for 3 years as an aircraft radar technician from 1953-1956 including deployments to Korea and Japan. Larry also worked for Boeing in Seattle for about a year after his military service. In 1959 a couple of significant things happened. Through a friend Larry was introduced to work as a power construction lineman; a job that he thoroughly enjoyed until his retirement in 1998. Also in 1959 Larry met and married the love of his life, Mary Ann Schneider. The next few years saw multiple moves building power lines throughout Montana eventually settling in Missoula where they lived for 11 years. By 1964 Larry and Mary Ann had added 4 children to their family; Kelly, Kathy, Klint, and Kendal. Though Larry continued in line work, in 1973 they made a big move and began ranching in Dell, Montana. Their children all graduated from Lima High School and the family loved this area and community. In 1984 Larry and Mary Ann moved to their current residence in Whitehall, Montana.

Larry is survived by his wife of 64 years, daughter Kelly Weidinger, daughter and son-in-law Kathy and Kevin Stosich, sons Klint Weidinger and Kendal Weidinger, daughter-in-law Carla Wise, grandchildren Tyler (Kelli) Stosich, Tahnee (Brandon) Benson, Dillon (Stacey) Weidinger, Kylee (Logan) Garman, Sheridan Delzer and Laramie Delzer, great grandchildren Marlowe, Maisie and Livia Benson, Carter and Harper Weidinger and Brody Stosich, sisters Sharon Erb and Marcia Klein, brothers John (Kathy) Weidinger, Gary (Geri) Weidinger and Dennis Weidinger, brother-in-law George McGrail, sister-in-law Susan (Tom) Zurbuchen, numerous cousins, nieces, nephews and good friends. Larry was preceded in death by his parents, infant sister Kathy, sister Joyce McGrail, sister and brother-in-law Connie and Larry Martin, brother-in-law Dick Klein, sister-in-law and brother-in-law Donna and Marvin Beck.

Services will be held at St. Teresa Catholic Church in Whitehall on Wednesday May 15th at 1 pm. Interment will be held at the Lima Cemetery at a later date. In lieu of flowers memorials may be made to organizations of your choice.

FWP seeks public comment on OHV grant proposals

Trail maintenance, trail signage, weed control. These are among the projects proposed for the 2024 Off-Highway Vehicle (OHV) grant program. Montana Fish, Wildlife & Parks is seeking public comment on these proposals. Comments will be accepted through Friday, May 24, at 5 p.m.

The OHV program received 12 grant requests and proposes to award \$500,000. The program receives funding through OHV/motorbike registrations, gas tax and the Summer Motorized Trail Pass revenues. Montana's Off-Highway Vehicle Program supports projects such as trail maintenance, signs, trail stewards, ethics education, noxious weed control, safety and mapping efforts. Grant awards are distributed by FWP with recommendations from the citizen-based Off-Highway Vehicle Advisory Committee (OHVAC).

The public is invited to comment on the funding requests. To submit comments online and see a summary list of the 2024 OHV grant application funding requests, visit fwp.mt.gov/aboutfwp/grant-programs/off-highway-vehicle.

The public can also email comments to fwpohv@mt.gov or send them to Montana FWP, Attn: Seth McArthur, P.O. Box 200701, Helena, MT 59620-0701.

Full grant applications are available by request in the Parks and Outdoor Recreation Division office at FWP headquarters located at 1420 E. 6th Avenue in Helena, Montana 59620.

Wildlife Management Areas open May 15 Be 'Bear Aware' while exploring

Most of Montana's 76 Wildlife Management Areas open at noon on Wednesday, May 15. The long winter and heavy snowpack have left a limited area for wildlife to forage. With grizzly bear activity increasing, people visiting WMAs should remain vigilant and practice techniques to avoid surprise encounters.

Bears, elk and shed-antler hunters will be sharing the same space. Most animals see, hear and smell humans long before humans detect the presence of animals. Depending on the distance between the animals and humans, the animals decide whether to stay, defend themselves or flee.

People venturing into the outdoors should "Be Bear Aware" by following these precautionary steps:

- Carry and know how to use bear spray.
- Travel in groups whenever possible and plan to be out in the daylight hours.
- Avoid carcass sites and concentrations of ravens and other scavengers.
- Watch for signs of bears such as bear scat, diggings, torn-up logs and turned over rocks, and partly consumed animal carcasses.
- Make noise, especially near streams or in thick forest where hearing and visibility is impaired. This can be the key to avoiding encounters. Most bears will avoid humans when they know humans are present.
- Don't approach a bear.

For more information on recreating in Montana's bear country, visit the FWP Bear Aware website at fwp.mt.gov/be-bear-aware. For more information about WMAs, visit fwp.mt.gov/conservation/wildlife-management-areas.

Letter to the Editor

Supports Tezak for Senate District 35.

When considering a candidate for Senate District 35, I look for someone who is honest, intelligent, educated, has a good work ethic, holds strong family values and ties, is a Christian, is an active contributing member of their community, is young enough to attend to a rigorous schedule in Helena.

Tony Tezak embodies all of these qualities. He holds a Masters Electrician License in Montana and owns his own Electrical Contractors Business as well as a Landscaping Business and a ranch. His family has ranched in the Ruby Valley for 5 generations. He is an active Christian and has served on the Ennis School Board. He has been a Republican all of his life and supported and campaigned for Republican candidates for years. Being approachable and a good listener, he is also analytical and willing to consider all sides of an issue. He comes from a well respected family as well as producing respected children himself. Therefore he has a vested interest in our future. He has the energy it takes to keep on top of the busy schedule at the legislature. A quick study, he can easily stay up on the issues concerning our district. His votes would not be bought off by special interest groups.

I urge your vote for Tony Tezak for Senate District 35.

**Garnet Ghost Town entrance fee raised for first
 time in nearly two decades**
 Visitors who explore Montana history at Garnet Ghost Town east of Missoula will pay a higher entrance fee starting this summer, marking the first time the Bureau of Land Management has raised the price in nearly 20 years.
 "With more than 30,000 visitors each summer coming to Garnet Ghost Town, there are a lot of demands on the historic buildings and surrounding area," said Erin Carey, BLM Missoula Field Manager. "This fee increase allows us to invest this revenue directly back into the Ghost Town through building stabilization, interpretation, staffing and trail improvements so that we can continue to care for this special place and ensure that future generations can also enjoy the Garnet experience."

Starting May 20, admission to Garnet Ghost Town will be \$10 for those 16 and older and the cost of renting a cabin in the winter will also increase to \$50 per night. The previous \$3 day-use fee had been in place since 2005 and maintenance and administrative costs had since far outpaced that revenue.
 Carey said the increased visitor fee will also help offset costs from fuels treatments near Garnet, modernizing the winter cabin rental program, and parking lot improvements, among other things.
 The field office presented its fee proposal to the BLM's Resource Advisory Council at its January meeting and the group voted unanimously to support the price increase.
 One thousand people once called Garnet home back in the 1890s as miners scoured the mountains for gold. Largely abandoned 20 years later when the gold ran out, the town is well-preserved today and offers a glimpse into the daily lives of those early miners and homesteaders.

BEAVERHEAD COUNTY REPUBLICAN PARTY CENTRAL COMMITTEE

This committee would like to present to all readers the Montana Republican Party Platform

This news insert is very important information for all Republicans to make responsible choices in the upcoming election. As Republicans it vital that we elect representatives that will know and understand our Party Platform, that these representatives will use it as a directing guide when making decisions.

To read the entire Party Platform log into: <https://mtgop.org/about/party-platform/>

What do Republicans believe? The Montana Republican Party subscribes to a set of principles that transcend specific policy issues while guiding the positions of the Party takes on those issues. These principles derive directly from the wisdom of America's Founders, as expressed in the Declaration of Independence and the Constitution of the United States of America. Republicans believe "these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, among which are Life, Liberty, and the Pursuit of Happiness."

Republicans believe that to secure these God-given rights, governments are instituted among men deriving their just powers from the consent of the governed.

Republicans believe that the Constitution of the United States of America is a unique and binding compact, which defines a republican form of government designed to protect the rights of citizens by limiting the power of their government.

Republicans believe that the Constitution is as relevant today as it was on the day it was ratified. It is not an evolving, ever-changing document.

Republicans believe that centralization of political power invites the replacement of the rule of law by the rule of men and thus enables the rise of totalitarianism.

Republicans believe that each level of government should continuously strive to limit the scope of its own activity and to avoid infringing upon the lawful activities of free citizens.

Republicans believe in the dignity of each individual person and in promoting opportunities for all.

Republicans believe that a robust civil society – traditional families, churches, and various voluntary associations of free citizens – is essential for sustaining self-government.

Republicans believe that in the absence of free markets and secure property rights, personal and political freedom cannot long flourish.

Republicans believe in the sanctity of human life from conception to natural death, and that only parents have the right to direct all reproductive decisions for their minor children.

Republicans believe that the family is central to God's plan for mankind. We believe the ideal traditional family structure is a father and a mother as it is unified in love and purpose, raising children based on their inalienable rights.

Who are the Republicans? Montanan Republicans are men and women of all walks of life and of all creeds and colors. We are grateful to God for the quiet beauty of our state. We are united in viewing the United States of America as an exceptional nation that in its inception broke the historical norm. We celebrate being self-governing, free citizens. We recognize the debt we owe those citizens who came before us, and we gladly acknowledge our duty to pass the gift of liberty on to our children and grandchildren. If you share these values, please join us.

RESOLUTION ON PLATFORM PRINCIPLES

WHEREAS Republican solidarity in opposition to the Democrat socialist agenda is necessary to preserve the security of our country, our economic and political freedoms, and our way of life; and

WHEREAS Republican faithfulness to its conservative principles and public policies as dictated by members of the GOP during convention and found in the Montana State Platform is necessary to maintain and restore the trust of the electorate in the Republican Party and a proven path that will lead to Republican electoral victories; and

WHEREAS we understand the broad written form of the whole of the Montana GOP Platform provides a great narrative tool for discussing our beliefs, it is a mechanism to detail policy to support in legislation; and

WHEREAS the MTGOP has a responsibility to develop a simple set of Principles based upon the MTGOP Platform that could then be applied to all proposed legislation.

THEREFORE, BE IT RESOLVED that the MTGOP identifies the following ten (10) policy positions to be detailed in the Montana Republican Platform in a "Principles" section.

The Republican Party of Montana recognizes that this Platform and these 10 Planks are the only source for the values, definitions, and expectations the members of this association recognize when evaluating a candidate for public office within the Primary Election.
