Walter Van Deren, 89

Walter was born on August 3, 1934, in Flagstaff Arizona at the Butler home, to Earl and Leah (Seip) Van Deren. He passed away at Renaissance Southside in Dillon, MT on May 18, 2024, surrounded by his family. At Walter's request, he was cremated, and his ashes will be spread in a private ceremony on the ranch north of Dillon.

As a youngster, Walter lived with his parents on the "Mountain" summer ranch at Newman Park, 15 miles south of Flagstaff, AZ. They wintered the cattle near Earl's homestead in Dry Creek, 5 miles west of Sedona, AZ. Later, his parents moved to the Sedona ranch so Walter could attend the Sedona Grade School for 1st through 8th grades during the school months. Walter attended Flagstaff High School, where he played football and graduated in 1953. Then he attended the University of Arizona in Tucson. Walter graduated with a Bachelor of Science in Animal Husbandry and was commissioned as a 2nd Lieutenant in 1957.

Walter trained at Ft. Knox, KY, Ft. Leonard Wood, MO, Ft. Lewis, WA and the Yakima Firing Center. He completed his Army Reserve duties as a Captain commanding an M48 Patton tank crew. Walter's service brick is on the south wall of the Dillon Veterans Memorial.

After college, Walter and his parents determined with the influx of people to Sedona that cattle ranching was on the way out. In the fall of 1958, Walter, Earl and Leah went looking for a new ranch in Oregon, Idaho and Montana. They found and purchased the "Open A Ranch" from the Maws family that fall and moved to Dillon between Thanksgiving and Christmas 1958.

In November 1961, he married Patricia Danils in Billings, MT. They had two sons, Robert, in 1963 and John in 1965. Some of Walter's happiest memories were of days hauling gravel on the ranch in his 1936 GMC T-75 dump with his boys in the passenger seat "helping" their Dad haul gravel.

Walter and his father built up a commercial black Angus cattle herd and operated the "Open A" until Earl's retirement in 1975. Walter considered moving to Brazil and took the family there to evaluate the prospects for a month in December 1975. He ultimately decided to keep the family ranch north of Dillon and operate it with his son, Robert, as a "winter place," selling winter pasture to ranchers as far away as Malta, MT. Walter also cherished watching Rob and Linda raise their son, Theodore, on the ranch, graduate high school and attend Carroll College's nursing program.

Walter was never prouder than when his son John graduated from the General Motors Institute and gave him his first grandson, Gunnar and granddaughter, Faith. He also enjoyed his trips to Detroit to see the grandkids and seeing the vehicle development facilities where John worked as an automotive engineer for Chrysler, Daimler,

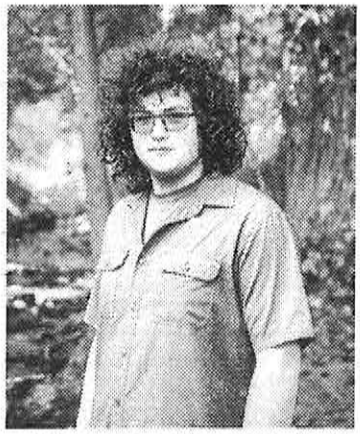
Jonah Lindsey Receives Student Volunteer Award



University of Montana Western student Jonah Lindsey was recently awarded the 2024 Montana Student Volunteer Award for civic engagement and volunteerism. The award is presented through a partnership between the Governor's Office of Community Service and Montana Campus Compact.

The Montana Student Volunteer Award (MSVA) recognizes the exceptional dedication and commitment of college students across the state who have demonstrated outstanding service to their communities while pursuing their academic goals. Lindsey was one of eighteen Montana college students to receive the award.

Lindsey will be a senior this fall and is majoring in Ecology with a Fish & Wildlife option. Since coming to Montana Western, he has been committed to serving the university and the Dillon community. He has significantly contributed to the growth of the UMW Honors Student Association, actively promoting the Honors Program by organizing and participating in fundraising events to support student travel to the annual Western Regional Honors Council (WRHC) Conference. As a primary promoter at the last three X-Day/Preview Day events, Lindsey has played a crucial role in showcasing the benefits of the Honors Program. Additionally, he founded the Babble Society, UMW's language club, to foster language learning and cultural appreciation among students.

"It's easy to feel self-doubt while doing volunteer work or outreach, as the impacts often take weeks, months, or even years to become visible. However, recognitions like this affirm that our hard work is making a difference," said Lindsey. "When it comes to promoting ecology, sustainability, and supporting youth, I feel like I'm just getting started. I couldn't have achieved this without the support of my relatives, close friends, and the young people in my community. I look forward to all we will accomplish together in the future."

The University of Montana Western is proud to recognize Lindsey's contributions, which have made a positive impact on the UMW community and beyond.

Tattoo

By "Swede" Troedsson

Recently, in Dillon, Montana I complemented a woman on her neck tattoo. She smiled and thanked me, and pulled up one sleeve to show me a tattoo on that arm.

With an evil grin, she said "And I've got one --" I interrupted her and said "STOP RIGHT THERE!" (Go figure!)

Section of upper Yellowstone River to close temporarily during Carbella Bridge replacement

A section of the upper Yellowstone River will be closed starting Wednesday, May 22, while crews work to replace Carbella Bridge on Tom Miner Creek Road south of Emigrant.

A new bridge is being constructed here after the original bridge was destroyed in a 2022 historic flooding event.

The river closure extends from the U.S. Forest Service Yankee Jim River Access, commonly known as the Joe Brown boat ramp, downstream to the Bureau of Land Management Carbella Rec Site. The closure will remain in effect until further notice, though it's expected to last less than a week.
