Local Lady Archers Bring Home The Gold
Jeremy Crawford, Southwestern Montana News

A couple of local archers took home first and third place in the NFAA Marked 3D National Championship held May 3rd through the 5th in Redding CA.

Sarah Pfister, owner of Badger Archery located here in Dillon, placed first in her class, Adult Female Bowhunter. Billy Clemmer placed third in the same class, and this was her first archery shoot. The ladies competed against 35 other females in the class.

The Western Classic is the world's largest 3-D archery competition and draws archers of all skill levels from around the world looking to compete in the tournament that has been dubbed "the go-to shoot" of the year, according to the Straight Arrow Bowhunters club who host the tournament. Contestants not only got to shoot at 3-D targets, but they also had a 101-yard Bigfoot, the 88-yard elk herd, and the 4-yard butterfly target.

If you would like to know more about the archery events held in and around Dillon you can stop in to Badger Archery located at 41 E. Glendale and talk to Sarah.

**Shopping Frenzy**

Bryce Angell

I drove to Sportsman's Warehouse. Thought I'd buy a brand-new cap.

My mistake was walking through the doors. They had me in their trap. I'm not talking 'bout a mouse trap. Snares his nose and won't let go.

I'm alluding to the shopping trance. Why couldn't I say no?
I grabbed a cart and made a beeline to a hat filled crate.But switched gears to a sign that read, "Fifty dollar bag rebate."
Below the rebate sign were sleeping bags hung in a row.One sleeping bag was rated down to 45 below.
The floor attendant tempted me. "It's the best sale of the year!"I had to have the 45 below with all my gear.
The bag was extra heavy. Totaled nearly twenty pounds.But I stuffed it in my shopping cart. I had to make more rounds.
I was feeling so elated with my brand-new sleeping bag.I wasn't checking prices. That would surely raise a flag.
I pushed on past the hats and caps. Found a Levi coat to wear.I didn't need another but it's good to have a spare.
I bought a pair of mittens that I doubt I'll ever use.I'll save 'em for my wife in case we take a winter cruise.
I purchased ammunition. That is when I heard the cue.I had too many bullets for a single .22.
So, I bought another rifle. What the heck, it's just one more.Then I moved on with my frenzy, hadn't covered all the floor.
Aha! My eyes beheld a sight designed for all to see.A brand-new shiny wall tent that would soon belong to me.
I grabbed a wood stove for my tent to sleep warm through the night.Then I realized my purchases were climbing out of sight.
We totaled up my plunder. I was surely caught off guard.Two thousand fifty dollars, I said, "Put it on my card."
I'd spent a ton of money with no permission from my wife.Should I give my wife the rebate? Fifty might just save my life.
Although I've never learned to save, for sure a shopping sap.

But, this time I saved ten dollars 'cuz I didn't buy a cap.

Correction with name: Letter to the Editor

I will be 102 years old in June. I have seen many elections come and go. In fact, I have voted in every election since I became eligible to vote. I intend to vote in this upcoming election. I will be voting for Shannon Maness for Montana House District 70 and I urge you to do the same. I feel he is an excellent candidate and will represent the people and values of HD 70 very well.

Please, get out and vote. Your vote is important.
Thank you.

Dillon DAV Needs Volunteer Drivers

The Disabled American Veterans (DAV) service organization could really use several more local volunteer drivers in Dillon. Dillon drivers use two locally housed DAV vehicles to transport veterans to their medical appointments which are usually at Veterans Administration medical facilities in Butte, Fort Harrison in Helena, and Bozeman. Over the past year, though, most medical appointments have been in Butte at the new VA Clinic or at St. James Hospital. Local drivers give rides to vets not just from Dillon, but from a number of other towns in our area such as Sheridan, Ennis, Whitehall and others. Recently Dillon is experiencing a serious shortage of volunteer drivers.

If you've been thinking about giving back to our nation's veterans who have helped preserve our freedoms, this is an excellent opportunity. To learn more about the DAV organization, you can go to <https://www.dav.org>.

If you think you'd be interested in being a local volunteer driver or would just like more information, please call Darlene, Dillon's Local Area Coordinator, at (406) 490-3692.

The Republican primary is upon us. Southwest Montana is quintessential Montana, an area filled with decent, law-abiding, hard-working people. We deserve a true conservative representing all of us in the State Capital, which is why my wife and I support Shannon Maness. Details of his conservative positions are available on his website. Each of Shannon's positions is solidly conservative, that is, sensible, which is why we look forward to him serving our community in Helena.

Lady Beavers Defeat Golden Eagles In Ten Innings

Jeremy Crawford, Southwestern Montana News

The Lady Beavers took on the Fergus Golden Eagles in Billings Friday in their first game in the State Tournament. The Beavers would be tied at the bottom of the seventh and play a total of 10 innings before winning 8 to 7.

The Beavers would get on the board in the second inning when Tymber Barnes singled, scoring one run.

In the bottom of the third the Beavers would add to their lead when Kinzy Creighton grounded out, scoring one run, Kylie Konen singled, scoring two runs, and Emily Brevig hit into a double play, scoring one run.

The Golden Eagles' Kiera Southard would hit a grand slam to left field in the top of the fourth inning making it 5 to 4.

In the top of the fifth the Golden Eagles would take the lead 7 to 5. The Beavers would come back in the bottom of the fifth to tie the game thanks to a double by Emily Brevig. The Beavers would end up scoring the winning run in the bottom of the 10 innings.

The Lady Beavers amassed fourteen hits in the game. Kylie Konen led with three runs batted in. Emily Brevig, Bailey Blake, Bridget Lovaas, and Tytler Gibson each collected multiple hits. The Beavers had five stolen bases in the game. The Beavers turned one double play as well.

The Beavers took on Billings Central later in the day.

THERE IS NO SALAD BAR THIS WEEK

The lunch menu for the week is as follows:

Monday: NO SCHOOL - NO LUNCH

Tuesday: Corn Dogs and Mac and Cheese

Wednesday: Turkey Sandwich with Fruit and Veggies

Thursday: Hot Dogs, Chips, Macaroni Salad and Donuts

Friday: NOON RELEASE - NO LUNCH

There is no school on Monday, May 27th for Memorial Day. We hope everyone enjoys the long weekend! Be sure to honor those who lost their lives while defending our country and give thanks to those currently serving in our military.

The last day for 8th grade students was Friday, May 24th. At 7 pm on Tuesday, May 28th there will be the 8th grade promotion at the B.W. Lodge. Congratulations 8th graders! We hope you are looking forward to high school.

The last day for 6th and 7th grade students is Friday, May 31st. It is a half day, so parents and guardians, please make sure to pick up your kids at 12:00pm if you are picking them up.

The Beaverhead County ACEs Task Force wants you to know that children who grow up in a household with a family member with mental illness or depression can experience confusion, fear, anxiety, and stress. But one committed, caring adult can help a child build resilience and find success. Be that adult! Healthy families build strong communities.

We hope everyone has a wonderful summer! We will update you in September for the school year 2024-2025.

Steve Ingram - 406.925.2011

Vote **MIKE KLAKKEN** for HD #70

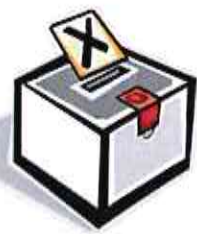

Experience Makes A Difference

- ☑ I am fiscally conservative and have found that less regulation is best. I am a small business owner and can see how regulations, fees and taxes can help or hurt your business. Being able to keep the doors open is hard enough without having the government making new rules and regulations.
- ☑ I do support Agriculture and will do what I can to help the Ag community. I am willing to work with farmers and ranchers to help them. There are many changes happening in the industry that are making it hard for a family farm to survive. Large corporations are buying up the land and the family farms are disappearing changing forever the character and structure of Montana.
- ☑ The amount of taxes assessed and the amount of spending both need to be reduced if possible. It is always easy for a politician to spend money but it is difficult to cut costs. New services should not be provided unless there is an offset to cover the cost of the program. I am against some of the new regulations proposed by Washington DC that are used to force individuals to get rid of natural gas appliances, electric vehicles (which our infrastructure cannot support), or eliminate livestock due to flatulence. These are some examples of proposals that are too expensive and not realistic or good for Montana. Tax payers are not and should not be a bottomless purse.
- ☑ The current property tax system needs to be repaired or removed completely. Land owners on fixed income should not be taxed out of their home. With rising property values, property owned for generations is no longer affordable. Young potential home owners cannot afford to buy a home with property taxes being one of the reasons. Property taxes make it so you never own your property and the Government can tax you out of your home. Property taxes are very inequitable and discriminatory on how they are calculated. Just recalculating the tax and leaving it to be corrected later is not a solution. Finding a solution will be difficult and I am willing to work with all legislators to find a solution to this problem.
- ☑ At the last session, the legislature was working on a central bank digital currency bill by having multiple changes to the Montana's Uniform Commercial Code. These changes will allow the government to have unlimited control over your money and will remove the reliance on "money" which is defined in our U.S. Constitution. I am opposed to this idea. At the beginning the bill was a pro position but later the bill was revised to a stronger and better position against central bank digital currency and against changing the definition of "money" but at the final votes, this bill failed. For the protection of the citizens of Montana, this subject should again be placed for a resolution to remove the proposed changes at this session.
- ☑ Another issue that the State needs to be concerned about is the 545 miles along the Canada border. Currently millions of people are crossing the southern border and our government cannot check the history of each individual and stop terrorists and criminals from entering. People are now starting to cross the northern border because of the success individuals have crossing the southern border. Our economic system cannot handle this large surge and the costs both fiscal and emotional that come with it.
- ☑ These are just a few of the problems facing Montana. I would like to keep Montana values and preserve the way of life I knew growing up in Montana. I know that the Montana population is growing but this growth needs to be controlled so that Montana does not become another California. I have seen a lot of changes in Montana and not all of them are positive. I believe in protecting and preserving the fundamental rights of individuals in Montana. I am willing to spend the time to balance the old and the new to keep Montana a great place to live and raise a family.
