Margaret "Margy" Woodard

Beloved wife, mother, and
grandmother Margaret "Margy"
Woodard passed away Monday, May 13,
2024 at her home in Dillon, Montana.

Margaret was born on October
6, 1947 in Long Beach, California.
The first child of Robert and Patricia
Schuveiller, she grew up in Long Beach
with her eight brothers and sisters. After
graduating from St. Anthony's High
School, she received a scholarship to
study at Santa Clara University, where
she would meet her future husband, Bill
Woodard from Pasadena, California.

Margy and Bill married in 1969 and
moved to Oklahoma where Bill was stationed in the Army. It was in
Oklahoma where Nicole – their first child – was born on October 21,
1971. Margaret effortlessly stepped into her role as a new mother and
cherished every minute of it.

After Bill's discharge from the Army, they eventually settled
down in Temple City, California where sons, Bill (1973), Matthew
(1975), and Patrick (1979) were born.

Margaret obtained a registered nursing degree and worked for
Los Angeles County Hospital for 33 years in Labor and Delivery as a
Charge Nurse, Nurse Manager, and ultimately became a Certified Nurse
Midwife Nurse Practitioner. Margaret touched the lives of countless
women and their babies through her compassion and adoration for the
birth experience. Additionally, Margaret's natural ability to serve others
and share her wisdom allowed her to educate and mentor student nurses
as an Adjunct Professor at Azusa Pacific University.

A devoted mother for many years while her children were growing
up, Margy made the sacrifice of working the night shift so she could
be home during the day for her children and be able to attend all of
their games and other events.

After retiring, Bill and Margy began spending more time in
Dillon, Montana, where they established a home and Margy spent
many idyllic days in that beautiful place with her beloved golden
retriever, Chloe, by her side.

As the oldest sibling, Margy's younger brothers and sisters were
always an important part of her life, and she loved visiting with them
and catching up on their families and all their adventures.

Margy is survived by her husband, Bill, her daughter, Nicole and
her husband, Joe Ringo, her sons Bill (wife Lindsay), Matthew (wife
Carla), and Patrick (wife Nicole), and her grandchildren Andrea (and
her husband Matt), Bella, Tara, Gavin, Sophia, Lila, Chloe, and Luke.
She is also survived by sisters Barbara Vaughn and Nancy Patel and
brothers David, Tom, Mike, and Patrick Schuveiller.

In the near future, please join us as we come together to honor and
celebrate the life of Margaret Mary Woodard (date, time, and location
to be announced). We will share memories, stories, and moments that
we shared together.

The family requests those who wish to express sympathy to
consider making a donation to the Southern California Golden
Retriever Rescue: <https://scgrrescue.org/donate/> in Margaret Mary
Woodard's honor.

Montana DNRC Hosts First Wildland Firefighting Academy of its Kind in Dillon

The Montana Department of Natural Resources and Conservation (DNRC) will be hosting the first statewide Wildland Firefighting Training Academy of its kind, from Tuesday, May 28, to Friday, June 7, at the University of Montana-Western campus in Dillon. The academy will provide comprehensive wildfire training to approximately 150-175 students, including DNRC employees and local firefighters from across the state.

This intensive academy covers essential skills such as foundational firefighting techniques, advanced fire weather analysis, leadership skills, aviation protocols, and chainsaw operations.

"The academy provides a streamlined opportunity for firefighters around the state to enhance their skills and knowledge in the field of wildland fire service," said Heath Gerber, DNRC Training and Safety Program Manager.

The public can expect to see an increased number of emergency vehicles in the Dillon area and helicopter operations near the Clark Canyon Reservoir on Tuesday, June 3 and Wednesday, June 4. Field exercises will take place on the northwest side of town near the soccer fields on Saturday, June 1.

The DNRC Fire Protection program has previously been held smaller training academies focused primarily on training seasonal staff. This marks the first comprehensive, statewide academy open to local fire resources at no cost.

"We wanted to create a more efficient and fiscally responsible platform for training that not only supports DNRC staff, but includes our local partners, who will more likely than not be fighting fire alongside us," said Gerber.

Registration for the academy is currently closed. For future training opportunities, visit the DNRC Safety & Training webpage at <https://dnrc.mt.gov/Forestry/Wildfire/safety-and-training>

Leather and Clay Artist, H.A. Clemmer

On Saturday, June 1st, Tendoy Fine art will feature leather and clay artist, H.A. Clemmer at a reception from 1 pm to 4 pm at the gallery at 35 East Bannack St. in Dillon, MT. Refreshments will be served and this will be an opportunity to visit with the artist.

Clemmer's interest in leatherwork was sparked when she first rode a custom-built saddle at a friend's ranch. Being an inveterate horse owner and realizing she couldn't afford a custom saddle, Clemmer gathered up the materials and built her own. After completing 6 saddles, Clemmer focused on the art of tooling.

Her precise and elegant pen and ink drawings are combined with the more humble utilitarian leather which is tooled to bring out depth and richness, adding a 3D feel.

"My pieces represent memories, moments captured, and glimpses into the lives of animals that surround us, if we take the time to see them," explains Clemmer.

Secretary Christi Jacobsen unveils new report

Montana Secretary of State Christi Jacobsen unveiled the new 2024 Primary Election Absentee Counts webpage. This new-look report will provide Montana voters with valuable information about absentee counts during the primary election, doing so with a more interactive and user-friendly approach.

The report offers county-by-county information on the number of absentee ballots sent and received. The website now includes a "heat map" that provides in-depth information such as the number of absentee ballots sent by and returned to each county, which counties have the highest percentage of ballots returned, and the totals across the state. The report will be updated daily to keep Montana voters in the know.

"I am extremely excited to share this more modern absentee ballot count webpage with the people of Montana," said Secretary Jacobsen. This report will provide Montanans and the media with absentee ballot information in a manner never seen before. It will allow Montana voters to view how their county compares to others in the state."

The absentee ballot count report can be found on the Secretary of State's website by clicking here.

"We're proud to continue the trend of updating our platforms to provide Montanans with meaningful voting information," said Secretary Jacobsen. "Thanks for voting, Montana."

NEW ACCOUNTS/TELLER POSITION

PIONEER FEDERAL SAVINGS AND LOAN ASSOCIATION is accepting applications for a New Accounts/Teller position at our Dillon location. We are seeking someone available full-time but are willing to discuss a part-time arrangement as well.

Exceptional customer service is essential at this position. We offer an excellent opportunity to learn banking from the ground up with a wide variety of duties and a high level of responsibility. The job is mostly customer facing and entails such things as opening several different types of deposit accounts; conducting customer transactions efficiently and accurately; clearly communicating with the public in person, by phone, or email in a friendly and professional manner; handling and balancing cash; using a variety of computer programs; and a multitude of other functions. If you are highly motivated and looking for an environment to exercise your problem-solving skills, excellent communication, organization, tireless work ethic, and teamwork mentality, Pioneer Federal wants to meet you! Previous banking experience is welcomed, but all applicants will be considered.

Pioneer Federal offers a generous benefit package which will be discussed with a successful applicant.

If interested, contact Suzanne Crawford, Operations Manager, Pioneer Federal Savings and Loan, 32 North Washington, Dillon, or phone 406-683-5191 to obtain an application. Please provide a current and complete resume detailing previous employment/supervisors and professional references.
