Jeremy Crawford, Southwestern Montana News

Sunday, June 16 the Dillon Cubs played the Helena Reps at Ray Lynch Park with back to back games. The Cubs would fall 5 to 9 in the first game and lose 2 to 14 in game two.

Game 1

The Cubs got on the board in the bottom of the first inning after Cohen Hartman singled, Helena Reps committed an error, and Tristan Alvarez singled, each scoring one run.

**Secretary Christi Jacobsen, Land Board generate
revenue for Montana schools during June 2024
meeting**

Montana Secretary of State Christi Jacobsen joined her fellow Board of Land Commissioners (Land Board) in approving agenda items during Monday's monthly meeting that would generate revenue for Montana schools and trusts.

Secretary Jacobsen and the Land Board (Secretary of State, Attorney General, Governor, State Auditor, and Superintendent of Schools) voted unanimously to approve June's agenda items, including one timber sale in western Montana and an oil/gas lease sale. June's meeting produced an estimated generated revenue of roughly \$550,000 for Montana schools.

"I'm pleased to see the continuous stream of revenue generated for our Montana schools through state trust lands," said Secretary Jacobsen. "Besides the timber sale and oil/gas lease sale, we approved important easements to provide our rural neighbors with improved services."

More information about Montana's state trust lands can be found on the DNRC website.

**BLM's annual Garnet Day brings ghost town to life
with fun and games**

The sights, sounds and smells of a 19th-century Montana mining town will come back to life during this year's family-friendly Garnet Day June 22 from 10:30 a.m. to 3 p.m.

The annual event, which brings a flurry of activity to the now-dormant ghost town 40 miles east of Missoula, is hosted by the Bureau

of Land Management and the Garnet Preservation Association and is a tribute to those who lived, worked, and panned for gold in the Garnet Mountains.

This year, Montana pioneer impersonator Jennie Pak will give a presentation at 1 p.m., portraying Garnet resident Jennie Starr Adams telling tales about the town. Music throughout the day will be provided by the Rocky Mountain Meadowlarks and Old Time Fiddlers & Accordion Players.

Other activities on the day's schedule include a wool-spinning display, gold panning (for a nominal fee), various old-fashioned games for children, and a pie auction. The day's highlights for all ages also include a watermelon-eating contest, free sarsaparilla, and taffy. Lunch will also be available for purchase on site.

Visitors will be charged the standard usage fee for Garnet of \$10; no admission is charged for those 15 and younger. Parking is very limited, so carpooling is recommended. Because of limited parking, you may have to walk farther than normal to get to the town's activities. For those needing assistance, a shuttle service will be provided from the main parking lot to the town's main street.

UPCOMING EVENTS

- C&M Circus is coming to Dillon, MT! Saturday, June 29, 2024 • 2 pm & 5pm Chris Kraft County Park
- Pancake Breakfast and Silent Auction Thursday, July 4, 2024 8 am-11am Grasshopper Valley Fire Department

The day's events are designed to give families a fun, wild-west experience in one of Montana's most intact ghost towns. More than a century ago, Garnet was an active gold-mining town, but after a fire destroyed many of the buildings and as the gold became more difficult to mine, the once prosperous town slowly went into a deep sleep until its last full-time resident passed away in 1947. The ghost town is now publicly owned and managed by the Bureau of Land Management's Missoula Field Office.

To reach Garnet from Highway 200, turn south on the Garnet Range Road between mile markers 22 and 23 and travel about 11 miles to Garnet Ghost Town. Visitors using I-90 should take the Bearmouth or Drummond exit, then take the Frontage Road to Bear Gulch. Garnet is 10 miles north on Bear Gulch Road. This route is steep, narrow, and rough. It is not recommended for cars, vehicles pulling trailers or RVs.

For more information on the event, contact the BLM's Missoula Field Office at (406) 329-3914.

Secretary Christi Jacobsen helps commence 2024 Montana American Legion Boys & Girls State

Montana Secretary of State Christi Jacobsen helped commence the week of events for the 2024 Montana American Legion Boys State and American Legion Auxiliary Girls State. Secretary Jacobsen was a featured speaker on Monday, visiting with students from across the state.

"Boys and Girls State are two respected programs that educate our youth on important topics, from civics to elections and from leadership to patriotism," said Secretary Jacobsen. "It was an honor to visit with our great state's future voters and leaders."

Secretary Jacobsen spoke to attendees about the Secretary of State's roles and responsibilities, highlighting the various divisions within the Office—Elections & Voter Services, Business Services, Notary Services, Administrative Rules, and Records Management. She also explained her role on the Montana Land Board, discussing the numerous votes to expand and protect public access while generating millions of dollars in revenue for Montana schools.

Students had the chance to ask Secretary Jacobsen various questions about Montana elections, the legislative process, and the day-to-day tasks as Secretary of State.

Secretary Jacobsen shared the voter registration process, pointing to the recently unveiled Montana Election Education Video Series. She also announced the 2024 Secretary of State Constitution Contest and YouthVote Program, which will be held this fall.

"It was great to see so many of these students who plan to participate in our Montana elections, some as soon as this November's General Election," said Secretary Jacobsen. "Several others indicated an interest in running for public office or working for the state. It's wonderful for them to receive this great opportunity with Montana's Boys and Girls State, and I'm excited to see their successful futures."

Throughout the week, attendees of the Montana American Legion Boys State and American Legion Auxiliary Girls State will learn about local, county, and state government operations by holding their own elections, meetings, legislative sessions, and court proceedings, among other events.

AG Knudsen: Montana On Pace For Another Record-Breaking Year Of Fentanyl Seizures

Montana Attorney General Austin Knudsen announced today anti-drug task forces in Montana seized 150 percent more fentanyl in the first quarter of 2024 than during the first quarter of 2023.

Through the first quarter of 2024, Rocky Mountain High Intensity Drug Trafficking Area task forces seized a total of 163,184 dosage units of fentanyl in Montana compared to 65,142 during the same time in 2023. Throughout all last year, a total of 398,000 dosage units were seized. In 2022, 188,823 dosage units were seized, and 60,557 dosages units were seized in 2021.

"We're on pace to far surpass last year's record-shattering number of fentanyl seizures. While I'm glad anti-drug task forces are successfully taking fentanyl off the street, it means more of this poison is making its way across the southern border and into Montana where it's killing men, women, and children," Attorney General Knudsen said. "I will continue to do everything in my power to fight this battle in Montana and urge President Biden to secure the border. Please, talk to your loved ones about the dangers of fentanyl and never take a drug that isn't prescribed to you."

These quantities are from the six RMHIDTA Montana task forces, which includes the Montana Department of Justice's narcotics bureau and Montana Highway Patrol criminal interdiction teams, which are overseen by Attorney General Knudsen, and are not all inclusive of drugs seized by all law enforcement in the state. During the first quarter of the year, the task forces also seized 31.7 pounds of cocaine, 129.33 pounds of methamphetamine, and 116 weapons.

More traffic stops by the Montana Highway Patrol are also leading to drug busts. From January 1 through June 4, MHP reports seizing 31,000 fentanyl pills, \$89,000, nine firearms, and 87.6 pounds of methamphetamine. MHP recently trained three of its drug-detecting canines to detect fentanyl to further help the Patrol get the dangerous drug off Montana streets.

The State Crime Lab preliminarily reported 22 overdose deaths involving fentanyl so far this year – in 2023 there was a total of 80. However, this number does not reflect the entire statewide total, as the crime lab only verifies deaths that involve an autopsy.

To combat the problem in Montana, Attorney General Knudsen secured funding for two narcotics agents at the Division of Criminal Investigation, during the 2023 Legislative Session. He also supported bills that will help combat the crisis, including House Bill 791 which imposes a mandatory two years of jail time, a \$50,000 fine, or both, for anyone convicted of selling fentanyl in Montana, and Senate Bill 67 which revises drugs scheduled for Schedule I, Schedule II, Schedule III, Schedule IV, and Schedule V controlled substances and provides updates to each listed schedule, enabling more state-level prosecutions.

In addition to increasing the number of Montana Department of Justice narcotics and major case agents, Attorney General Knudsen has added a statewide drug intelligence officer who assists local law enforcement and public health agencies and spearheaded a grant program that helped deploy two dozen drug detecting K9s across the state.

Additionally, Attorney General Knudsen continues to hold the federal government accountable for their role in the fentanyl crisis. Earlier this year, he testified in a U.S. House of Representatives impeachment hearing against Department of Homeland Security Secretary Alejandro Mayorkas for his failure to enforce federal immigration law and properly secure the southern border.

Attorney General Knudsen has also called on the Biden to designate drug cartels as terrorist organizations and classify fentanyl as a weapon of mass destruction.
