March 24, 1930 — May 25, 2024

Lowell Sterling Hildreth passed away May 25, 2024 in Dillon, Montana, surrounded by his family. He was born March 24, 1930 to Bessie and E.W. (Bob) Hildreth, the fourth of six sons born into a family that ranched in the Medicine Lodge Valley of Beaverhead County. He was very close to his parents and brothers, Pat (Trudy), Bill (Gisela), Gene (Wini), Raymond (Darlene) and Edward Barton (Eathal).

Lowell, "Scotch" graduated from BCHS, served in the US Navy, and was stationed at Pearl Harbor. He married Ruth Ann Brown in 1954 and their daughter, Gail, was born in Honolulu in 1956. After his Naval service, he and his family moved back to Montana. His son Justin, was born in 1958 in Dillon. He divorced and then married Dorothea Crampton; they were later divorced.

His true passion in life was ranching and developing sheep and later cattle ranches. He started sheep ranching in the late 1950's and bought the Bert McMenomey ranch on the upper Beaverhead River when Clark Canyon Dam was built. In the mid-1970's he began breeding Saler cattle and developed a herd with his son, Justin. Later they bred primarily Angus cattle.

Over the years he and Justin, owned and improved ranches in Oregon, Colorado, and a large grass ranch near Capitol, Montana and in South Dakota. His last major project with Justin was turning a property in the Upper Medicine Lodge near his grandparent's homestead into a working summer grazing ranch.

He enjoyed traveling and went to the Bahamas, Canada, Florida, Central America and the US East Coast. One of the highlights of his travels was attending horse shows with his

He and Gail went to the World Cup of Jumping together and to see another of their warmblood stallions, Conquistador, compete in International Equestrian Federation (FEI) dressage shows in California. His close friend, Verda Clawson, went to Hawaii and accompanied him on many trips and horse shows after his retirement.

Lowell was a Christian, who especially enjoyed listening to the Reverend Billy Graham's messages. He was a true American patriot and veteran from the Greatest Generation, a dedicated and compassionate family man, and superb caretaker of the land and its animals. He will be greatly missed by the members of his close and extended family.

He is survived by his two children, Gale and Justin, two grandchildren, Brandon (Anita) and Jesse Hildreth, step grandchildren/great grandchildren (Kim, Merrill, Shelby, James, Brayden, and Parker Buckley, Eva Lindow, Kyrie and Bob Cantoni), two brothers, Raymond and Barton, and numerous cousins (including Coy Bearden), 17 Hildreth nieces and nephews and many grandnieces and several Koontz, Schwartz and Hansen nieces nephews. His granddaughter, Carrie Hildreth, preceded him in death.

We would like to thank his special caregivers: Michelle, Reata, Aimee, Marie, Kim and Valerie, as well as Dr. Burke Hansen and the staff of the Barrett Hospital for their kindness and care over the last few months.

A service for Lowell will be held At Brundage Funeral Home on July 2, 2024 @ 11Am.

Truck Catches Fire On MT-41

Jeremy Crawford, Southwestern Montana News

The Dillon Fire Department along with other first responders were on scene Wednesday morning of a single vehicle fire on MT41 mile marker 11.

The Ford pickup truck was pulling a fifth wheel camper when a fire broke out in the engine bay. The driver of the vehicle was able to stop and an LS Ready Mix concrete truck happened to be behind the vehicle. The LS truck had water on board and was able to knock down the flames before first responders arrived.

The vehicle had to be towed from the scene no injuries were reported.

Fire Fighters On Scene Of A Wildfire Near Bachelor Mountain

Jeremy Crawford, Southwestern Montana News

From Beaverhead-Deerlodge National Forest Facebook Page:

Good evening. Firefighters from the Beaverhead-Deerlodge National Forest and Montana DNRC are responding to a report of a wildfire in the Watson Creek area north of Bachelor Mountain, approximately 6 miles northwest of Grant. Estimated at 10 acres, the fire is burning on state land. The cause of the fire has not been determined.

Additional updates will be posted when more information becomes available.

Update 06/26 7:25 A.M.

Located 6 miles northwest of Grant, the South Fork Fire was estimated at 48 acres last evening, burning in grass and sage on state land. Gusty winds pushed the fire, resulting in the increase in acreage from the initial report. The fire is reported to be 100% contained.

Firefighting resources will be on site again today, patrolling the perimeter of the fire area and mopping-up any residual hotspots.

Attorney General Knudsen issues statement on injunction of Biden's student loan cancellation scheme

A federal judge in Kansas today granted Montana Attorney General Austin Knudsen's request to block the Biden administration's unconstitutional student loan forgiveness scheme. Attorney General Knudsen released the following statement in response:

"This is great news that a court is blocking the President's plan to buy votes from young, recent graduates and driving our country deeper into debt. Hardworking Montanans should not be forced to foot the bill for anyone's education, but their own."

Attorney General Knudsen filed a lawsuit against President Biden's plan in March.

The Department of Education wrongly interpreted the Higher Education Act and bypassed Congress by writing its own rules that would turn most loans, if not wipe them completely out, into grants from the federal government, where borrowers only pay a fraction of the amount owed. By the department's own estimates, the "SAVE Plan" would cancel over \$100 billion in student debt. The cancellation of the loans would directly impact Montana's economy through a loss of state tax revenue and jobs, as well as increasing law enforcement costs.

In 2022, another election year, President Biden and the Department of Education tried to unilaterally cancel student loans for millions of borrowers through the HEROES Act, but the Supreme Court ruled they didn't have the authority. Now with a new name, and a different authority, his administration is once again trying to take the same unlawful steps with the "SAVE Plan."

Beaverhead-Deerlodge National Forest withdraws Outfitter and Guide Environmental Assessment Project

The Beaverhead-Deerlodge National Forest has withdrawn its Outfitter and Guide Environmental Assessment Project based on careful consideration of the feedback received during the public involvement process, including suggestions and concerns regarding administration of the existing outfitting and guiding program.

The Forest will begin scoping a new environmental analysis for outfitting and guiding activities under the National Environmental Policy Act soon. This new project will assess issuing permits to existing permit holders only; it would not establish a service day pool on the Forest.

Interested parties can view project details and self-subscribe to project bulletins and updates at <https://www.fs.usda.gov/project/bdnf/?project=66448>.

Applications for new special use permits for outfitting and guiding on the Forest will be considered on a case-by-case basis and subject to environmental analysis under the National Environmental Policy Act.

The Beaverhead-Deerlodge National Forest would like to thank everyone for their engagement and thoughtful comments on the Beaverhead-Deerlodge Outfitter and Guide Environmental Assessment.

Beaverhead Brewery will be having their 10th Anniversary Party this Weekend

Thursday 27th, Summer Trivia with Dale @ 6:00 pm
Friday 28th, live Music with Paul Lee Kupfer @ 6:00 pm
Saturday 29th, free hotdogs and chips, yard games, in the park across from the Brewery, 2:00 pm - 6:00 pm. Win Prizes!
