Kermit Curtis Lawver

November 5, 1939 — June 28, 2024

Kermit Lawver, age 85, passed away with his wife Norma by his side on June 28, due to complications from Parkinsons disease.

Kermit was born in Wessington Springs South Dakota to parents, Alvin and Silvia Lawver, and raised in Gann Valley. He graduated from Northern State University in Aberdeen, with a bachelor's degree in education. He taught for a brief time in South Dakota before deciding to head for Elk hunting grounds in Montana. Kermit never looked back and settled into a teaching career in Dillon, MT where he is still fondly remembered by many former students. He was, "Mr. Lawver, my 7th grade math teacher". Kermit went on to receive his master's degree from Western Montana College.

Kermit met and married Norma Nye in 1997. Together, they enjoyed the great outdoors. You would find the perfect partners hunting, fishing and four-wheeling the Ruby Valley and beyond. Kerm enjoyed a good cribbage game and a cold beer anytime.

He was larger than life and he lived in the same manner. Kerms quick wit and generous spirit will be missed by all that knew him.

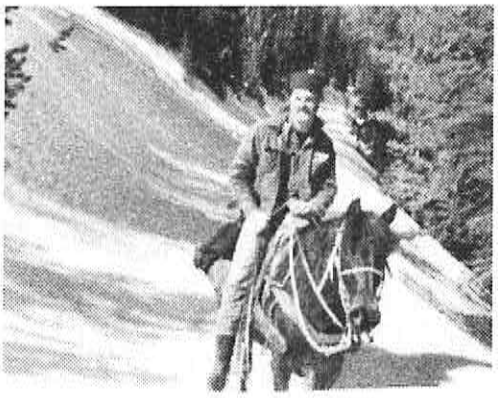

Kermit is preceded in death by his parents, bothers, Larry, Donald, LeRoy and Dale Lawver and a sister, Donna Martinez.

He is survived by his wife, son Jim (Tana) Nye of Montana and granddaughter Lacey Kraft of Idaho. His brothers, Ken of Kansas; and Ronnie of South Dakota, four sisters, Leita Brobjorg of Virginia, Evelyn (Clayton) Knippling, Lyla (Jerry) Peterson, and Lois Johnson, all of South Dakota and many loving nieces and nephews.

The family wishes to thank the following providers for his gentle care: BeeHive Homes, Peace Hospice and Ruby Valley Medical Center

Services will be held on July 15, 2024 at Brundage Funeral Home at 11:00 AM, with a celebration of Kermit's life immediately following at the Elk's Lodge, Dillon Montana.

In remembrance of Kermit's life, the family asks that any charitable donations be made to the Parkinson's Foundafion, Rocky Mountain Elk Foundation, or Dillon MT Elk's Lodge No. 1554.

Rollover On I-15 Results In Serious Injuries

Jeremy Crawford, Southwestern Montana News

On Wednesday afternoon first responders were called out to a single vehicle accident on I-15S MM70. The driver of the vehicle veered off the left side of the road and when he tried to get back onto the road he over corrected. The vehicle then rolled, ejecting both the driver and his dog. The driver was not wearing a seatbelt. Both sustained serious injuries.

FIRST ELK

By "Swede" Troedsson

In the early part of the 1970s, I was a Forester for the U.S.D.A. Forest Service, stationed on the Beaverhead National Forest. My office was at the Forest Supervisor's office in Dillon, MT.

One Friday, at the end of the work day, I had just returned to my office. Ray Behnert, the Forest Landscape Architect, was about to leave the office. I asked Ray if he had ever shot an elk. He replied "No, I never have." I explained to him that I had been checking on road construction into a timber sale in Mule Creek. (Mule Creek flows into Birch Creek, in the East Pioneer Mountains, which is located about 20 miles northwest of Dillon.) I informed Ray that I had noticed a lot of fresh elk sign at the head of Mule Creek. I went on to tell Ray that the General Hunting Season opened up this coming Sunday. I invited him to accompany me on a hunt. He gladly accepted the invitation!

Sunday morning, at O-dark thirty, we departed Dillon in my Ford Bronco. After parking my Bronco at the end of a newly constructed road at day break, we proceeded to follow elk tracks in the new fresh snow. Hunting conditions were perfect!

We had walked only about ten minutes when a five-point bull elk jumped up out of its bed. Ray got off the first shot, and downed the elk. He was absolutely elated, and amazed at the size of the animal he had just put down. I educated him on how to dress out and quarter an elk.

After quartering up the elk , we returned to my Bronco to retrieve my plastic sled so we could more easily slide the quarters to my Bronco.

We loaded the elk quarters into the top carrier of my Bronco and we were back in Dillon by noon!

Ray gave me half the elk. Boy, did he have an elk story to tell!

Nonresident hunters can check their Alternates List status online

Nonresident hunters who registered to be placed on the Alternates List can now check their status on MyFWP: myfwp.mt.gov/fwpExtPortal/myDrawResult_input.action. Every year, Montana Fish, Wildlife & Parks gets several unused nonresident combination licenses (big game, general elk and general deer combination licenses) returned by customers. FWP resells these returned licenses through the Alternate's List.

After registration for the list closed on June 30, the list was randomized. Beginning in early August, hunters at the top of the randomized list will be contacted first to finalize the purchase of the license, and so on until the returned nonresident combo licenses are exhausted. Hunters will be contacted via email.

MyFWP also allows nonresident hunters to check their position on the list.

The odds of getting a license from these lists vary greatly from year to year. Refunds and issuance may occur at any time after mid-July, but availability of these licenses generally increase between early fall and the opening of general hunting season in late October.

For more information, visit fwp.mt.gov/buyandapply/hunting-licenses/nonresident-licenses/alternatesList.html, or call the Licensing Call Center at 406-444-2950. Hours of operation are Monday through Friday 8 a.m. to 5 p.m.

Terminus Distilling Company Updates

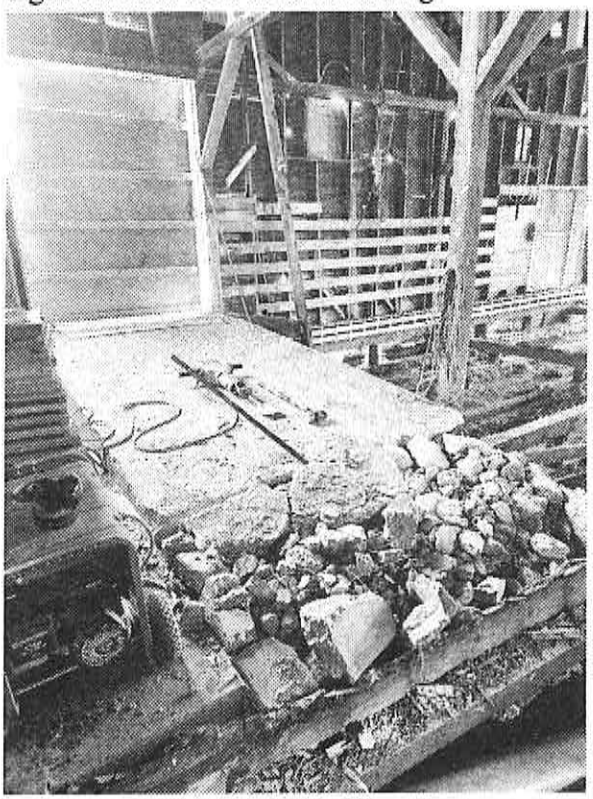

Katrina & Derek Lewis

Building

Derek is in the final stages of demolition and clean up inside the building. He has focused on the Virginia St. side, where the manufacturing space will be located. He is currently using a jackhammer to break up the ramp leading to the loading dock. After, he'll take out that loading dock and will move the door down to street grade. This will be the main entrance for receiving supplies and sending out spirits.

Business / Community

Signage is coming along! With Lindsay Jaeger's designs, we've been working with local Ben Keneally from Lights in the Night Neon to help translate to dimensions, materials, and production for tasteful signs on each face of the building.

Distillery

Derek and Callie had a short but action packed trip to Virginia to visit a distillery that uses equipment from our still manufacturer. Davis Valley Distillery operates on a much larger scale than we ever will, but seeing them in action was incredibly useful, especially getting tips and tricks from someone with over 25 years experience. Thanks to Rusty, for all his advice, connections, and general help.

Thank You

The Friends of Jaycee Park would like to give shout out of Thank You to the donor of the new flag at the park. We have a couple donors that had given checks this last week! There has also been a donor that gave three cases of toilet paper and another that has gotten water tables for the little kids to enjoy. There have been a few people who have scanned the QR code on the signs at the park and contributed also. The continued support for Jaycee Park is amazing, thank you to all of the donors.

FWP seeks applicants for statewide River Recreation Advisory Council

Montana Fish, Wildlife & Parks is seeking up to 12 people to serve on a statewide River Recreation Advisory Council.

The River Recreation Advisory Council's purpose is to develop a set of recommendations for managing river recreation in Montana and administering the use of water-related activities. The focus area extends to department lands and water bodies that are restricted under the authority of FWP. This includes recreation use on and along the water way, including fishing access sites.

Montana boasts an abundance of publicly accessible rivers that support a wide array of recreational activities, including fishing, hunting, swimming, floating and both motorized and non-motorized boating. The popularity of these activities has led to challenges such as user conflicts and congestion at access points. Moreover, there are differing opinions on how best to manage and allocate opportunities for river recreation.

The advisory council will include various stakeholders with an interest in river recreation. The council will promote transparent discussions on how best to manage recreation, including when it may need to be managed for the protection of the resources and the quality of the experience.

The advisory council will meet for a three-day workshop from Oct. 16 to 18. In addition to the workshop, virtual meetings may be scheduled in October and there will be a virtual meeting in early November to present the council's final recommendations.

FWP welcomes applications from anyone with an interest in natural resource issues and water-related outdoor recreation.

To apply, download and complete the application at fwp.mt.gov/aboutfwp/commission-councils-committees/river-recreation-advisory-council. Applications must be received by Aug. 2.
