Sally McEldery

January 8, 1928 — July 15, 2024

Sally McEldery passed away peacefully at BeeHive Homes in Dillon, MT on Monday July 15, 2024, at the age of 96 ½yrs.old. She was born Sarah Elizabeth McGuire to John Francis (Frank) and Mary Leonora Elliott McGuire on January 8, 1928, at Sappington, MT.

Sally's dad had different jobs living in various places in Montana. She attended eleven schools in twelve years. She liked attending school in Twin Bridges most of all and made the honor roll several times. She was elected class president her senior year of high school, graduating in May 1945. After graduation she attended the College of Great Falls and moved to Missoula taking classes at the University of Montana, enrolling in the St. Patrick's School of Nursing through the United States Cadet Nurses Corp. Sally received her RN pin and diploma in 1948. While training she meet Dick McEldery who had injured his leg in an accident and her task was to keep him from re-injuring his leg and their romance blossomed. St. Pat's had strict rules about students fraternizing with men. A nun who was wise to the way of young people took her aside and had a chat about her romance. As a result, she married Richard D. McEldery on February 14, 1947.

Sally dedicated her service to caring for soldiers returning from World War II. She served in the United States Cadet Nurses Corp. These nurses are now being recognized for their service. Sally continued to work at the hospital and after her first born in 1948, she became a stay-at-home mom while Dick finished his studies at the University of Montana in 1950. Dick's jobs took them many places, but in her heart Dillon, Malta and Twin Bridges was where she called home. She donned her nursing cap again when she went to work at the Parkview Acres Nursing Home and was instrumental in developing the Alzheimer's Association in Dillon MT and the Senior Bus service in Beaverhead County. Sally loved being a nurse and was the first CNA trainer in Dillon and formed the Candy Stripers at Parkview Acres. There she formed lifelong friendships with young ladies who would become nurses.

Dick and Sally moved to Colorado in 1972 and returned to Dillon after his retirement in 1977. Sally made many friends throughout her life and will be remembered as a strong, caring, kind lady with a good sense of humor. Sally was on the board of the Beaverhead County Museum Association for many years, member of St. Rose of Lima Parish volunteering her time at Bargain Basement. Sally and a group of friends formed the Bear Paws ladies walking group eventually they were known as the Strong Ladies Exercise and Coffee Group. Sally always said," I have to go to exercise because they say I am their inspiration." At 96 ½ years young she enjoyed the time with her group.

Sally was preceded in death by her husband Richard

Call for Artists: Women's Resource Center Fundraising Event

The Women's Resource Center is seeking submissions for artwork to feature in our upcoming fundraising event, Gallery of Hope, aimed at raising awareness and funds for our organization's mission of empowering women in our community. For forty-seven years, the WRC has provided crisis intervention, advocacy, outreach, and emergency shelter for victims of domestic and sexual violence in Beaverhead and Madison Counties.

Theme: Celebrating the Strength of Women

We invite artists of all backgrounds to submit original pieces that capture the essence of women's strength, resilience, and empowerment. Through the medium or mixed media of your choice, we encourage you to share your unique perspective on the diverse experiences, challenges and achievements of women.

Submission Guidelines:

1. Artwork should reflect the theme of celebrating women's strength and resilience.
2. Submissions are open to all artists regardless of age or gender.
3. All media are welcome, including but not limited to painting, drawing, photography, sculpture, and digital art.
4. Each artist may submit up to three pieces for consideration.
5. Artwork must be original and not previously exhibited in our events.
6. Please provide a brief artist statement (250 words max) with each submission, explaining the inspiration behind your work, such as how artwork reflects the strength of women, how the work communicates in a way that words cannot, and how artwork can be a language of hope and resilience.
7. Include a suggested retail value for each submission to guide potential buyers on how to best support our fundraising efforts.
8. As an alternative to donating original work, we invite artists to submit a proposal for a "creative contribution" to support our fundraising efforts, such as hosting a workshop at the Women's Resource Center.

How to Submit:

- Fill out this online form by August 1, 2024: https://forms.gle/qGrDg2xhRrD5oqQa6
- The form asks you to include your name, contact information, photo of each artwork, title of each artwork, a brief artist statement, and suggested retail value in the submission.
- High-resolution images are preferred for review purposes.

Important Dates:

- Submission Deadline: August 1, 2024
- Notification of Acceptance: August 15, 2024
- Artwork will be on display at Sweetwater Coffee August 24 through September 28, 2024.
- Fundraising Event: Saturday, September 28, 2024 at Sweetwater Coffee, 24 S. Idaho Street, Dillon, MT 59725

Harrell Selected as Frontier Conference Character Athlete of the Year

Frontier Conference Commissioner Dr. Scott Crawford announced this year's Frontier Conference award winners and NAIA Awards Day nominees for the 2023-24 academic year. Montana Western's Tanner Harrell was selected as the Frontier's Male Character Athlete of the Year.

Harrell served as the Association of Student-Athletes President (2023-24) over the course of the last year and is a former Association of Student-Athletes representative (2021-23). As a student-athlete at Montana Western, he actively contributed to the community by volunteering at a local elementary school and as a volunteer for freshmen move-in day. He is also a generous volunteer with Engine 18—an organization established in memory of Bulldog football team member, M.J. Simkins.

Recognized as an excellent community member, Tanner lends a helping hand by assisting with moving people into homes, supporting the local elderly, and painting benches at the local special needs home.

In the sports community, Tanner began a podcast for Bulldog Athletics titled "Barkin' With The Dawgs" and volunteered as a PA announcer at home events.

Last year, Harrell became Montana Western's all-time leader for tackles for loss in a career with a total of 41 in his career that began back in 2019. In addition, he earned First Team Academic All-American accolades while being selected as a Montana Athletes in Service award winner.

Veteran's Corner Update #254

By Mike Lawson

The violence of politics in the attempted assignation of our former President Trump is frightening and is not what America is about or should be about. We can agree to disagree, but to use this type of a solution in taking someone's life is against what America can or should accept.

President Trump missed getting killed by an inch or two at the most. I'm not a Trump supporter but I believe in our political system and using our voting system to chose who represents us. Guns are a politically charged issue. I grew up hunting, target shooting and while in the Marine Corps, two tours in Vietnam with my MOS being a Machine Gunner, I have handled many firearms in my lifetime. We teach Hunter Safety kids how to shoot and handle firearms in a safe manner. For someone with no prior knowledge of firearms, to walk in and purchase a gun, to me is insane. Any combat veteran can verify what a gun in combat can do and why training is so important for the respect and safety of others. We have a right to bear arms but others also have a right to be and feel safe without being confronted by someone packing a sixshooter on their hip in a grocery store. People with a "concealed carry permit" have to have completed a gun safety course that includes the safe handling of pistols they may carry. It's an option that doesn't frighten folks in public as they don't see the gun in plain view. Permitted concealed carriers are trained in the handling of the firearm they are carrying. To me it's about respect and common sense. This attitude of open carry anywhere and at anytime is straight out of the old west, but even then many establishments required gun carriers to check their guns at the door before going in. Somehow the guidelines for law-abiding citizens to have gun ownership versus non law-abiding citizens and what type of weapons are permitted or not permitted needs to be discussed and negotiated with the end result being the safety of our American brothers and sisters. With our former president coming within an inch or so of a bullet piercing his skull, it's no laughing matter and having a lassez-faire attitude is something we can't tolerate in this great country and still survive.

Veteran News Updates:

- I took a veteran to Deer Lodge on Friday to get acquainted with the folks at the Veteran's Food Pantry. We should have inquired before going as they're open from Monday through Thursday. They do a tremendous service in helping hungry veterans. Hand salute to these special people.
- If you're a Veteran with legal issues that impact your ability to get housing or stay housed, the VA offers free legal Services. There are a number of ways you can apply (on line, by telephone, etc.), My recommendation is to get with a Veterans Service Organization (VSO) representative. One for SW MT that has a very good reputation in helping veterans is Saajid Muhammad, a retired Marine Gunnery Sgt., who is a bulldog in getting Veterans the help they need. His number is (406) 533-0910.

YOU'RE INVITED!

Does your Operation Christmas Child shoebox gift really make a difference?

Come celebrate with Carole Meltzer as she shares her Vision Trip to Paraguay!

Carole represented 80 Central Montana churches as their Operation Christmas Child missionary to Paraguay in June to hand out Shoeboxes to kids. During her trip, she witnessed firsthand the impact that these simple gifts had on the children, their families and their communities. She was also able to participate in the Greatest Journey Graduation Celebration, which invites children to attend a follow-up discipleship program.

The mission of Operation Christmas Child partners with local churches to provide children in need with shoeboxes filled with toys, school supplies, and hygiene items. As they pass out these gifts, they also have an opportunity to share the Good News of Jesus Christ and make disciples. The project delivers not only the joy of what, for many kids, is their first gift ever, but it also gives them a tangible expression of God's love.

Come and hear about Carole's experience and meet the local Montana team, the National Ministry Team, and the Ministry Partners of Paraguay through her stories and photos. This is a FREE presentation for anyone who would like to learn more about Samaritan's Purse and how churches, organizations, businesses or individuals can make a difference in the lives of children who live in over 100 countries around the world.

Three (3) Presentation opportunities (each at 7pm)

- July 26, First Presbyterian Church 901 W. Platinum, Butte
- **July 27, Grace Bible 1049 Laknar Lane, Dillon**
- August 2, South Hills Baptist Fellowship, Clancy

Paraguay type refreshments will be served.

For more information or to arrange a presentation at your church or organization, contact Carole at: (209) 743-9258 centralmontanaocc@gmail.com
