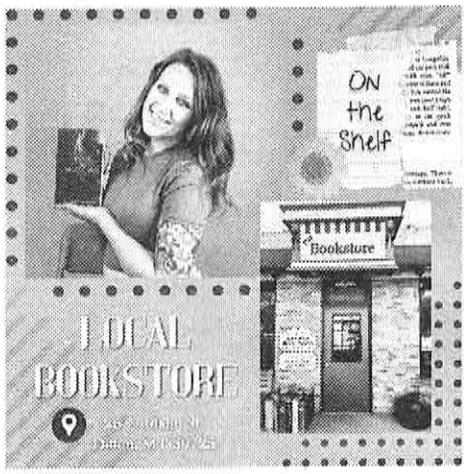
Candice Turner Featured Author During Dillon Days

Local author and BCHS graduate, Candice Turner will be signing copies of her new book, Into the Shadows a Faelie Novel at The Bookstore on Saturday July 27th from 1:00-3:00.



Turner originally came to Dillon in 2006 when her father took a job in law enforcement with the local Bureau of Land Management. She graduated from high school in 2009 and married her high school sweetheart that same summer. She credits her teachers for inspiring her and telling her to follow her passion. With writing being her favorite outlet, a canvas upon which she could paint words filled with magic, mystery, and adventure. Though the bravery in taking the leap to publish came later. Her husband joined the United States Air Force as a Civil Engineer in 2011. What followed was a life filled with travel and inspiration that took them away from the heart of Dillon. While on their journey with the Air Force, Candice and her husband welcomed four sons into their lives. They enjoyed experiencing a new culture while being stationed in Okinawa, Japan.

Upon returning to the States, in 2021 Candice fulfilled her dream by self-publishing her debut adult fantasy fiction novel, Into the Shadows. This milestone marked the beginning of her literary career, captivating readers with a narrative that blends intricate world-building with compelling characters. The book leads the reader on an adventure with Maverick and Meara as they discover the truth behind why they are, where they are from, and what has happened while they were away from the realm of Faelie. The story is filled with magic and mythology where you are introduced to the beings that create the land of Faelie. You will be pulled into the connection Maverick and Meara have for one another while evading the darkness that lurks as they step Into the Shadows in search of truth and strength.

Returning to Dillon after her husband's military retirement in the summer of 2023 they hope to plant their roots permanently back in the hometown they missed and love, a place where they want to raise there children surrounded by the support of family and community.

Beyond her writing, Candice remains deeply connected to Dillon, drawing inspiration from its serene landscapes and the community that has shaped her. Her writing reflects this bond, infusing magical tales of enchantment, courage

Commission action on part of wolf trapping regulations to be postponed

Furbearer and wolf hunting and trapping regulations for the 2024-2025 season are on the Montana Fish and Wildlife Commission agenda for Aug. 16. To give Fish, Wildlife & Parks additional opportunity to assess wolf trapping dates and where those dates would apply, agenda discussion and decision on those specific aspects of the wolf trapping regulations will be postponed until the commission meeting on Oct. 10.

All other elements of the 2024 wolf harvest regulations including hunting dates, harvest quotas, bag limits, trap setbacks, harvest reporting and proposed amendments will remain on the Aug. 16 meeting agenda.

By postponing commission action only on the trapping dates and where they apply, the wolf hunting regulations would be publicly available after the Aug. 16 commission meeting, before the start of the wolf hunting season.

The proposed trapping dates and where those dates apply will be posted on FWP's website before the October meeting for the public to review and provide comment. After the October meeting, a supplement outlining trapping dates and where they apply would be available before the start of the wolf trapping season.

Veteran's Corner Update #265

By Mike Lawson

Veteran News Updates:

• This is important to know if you have a… loved one who passes away and is receiving VA benefits. Make sure to report the death of your Veteran to the VA. Some folks have learned the hard way that the spouse, family or estate will have to pay the benefits back to the VA, if they were received after the Veteran's death.

• I stopped at the VA Butte CBOC Clinic this past week to see if the work was done on the new north-end addition. This area will be Physical Theraphy and Audio with the newest state-ofthe- art equipment and machines. The floor was the holdup.In visiting the two guys relaying the floor, I was told the work was about done except for the floor to wall trim, which was due to be done the next day. Finally, finally we can see this new addition be ready for personnel to be hired for treatin our Veterans. As they say in the Veteran world "the hurry up and wait period" is about over.

• Our Volunteer DAV Drivers are taking a lot of our veteran brothers/ sisters to their medical appointments from Butte, Anaconda, Deer Lodge, Dillon, Whitehall, Boulder, Ruby Valley and taking them to Fort Harrison, Missoula, Bozeman, Butte CBOC and even to Billings and Kalispell on occasion. All of us drivers become friends with these veteran riders and do it because it is a lifeline for them. Our reward is the satisfaction that we made a difference in helping our veterans in their time of need. We always need more drivers and we all have filled out the "pain in the butt" VA application and take the physical every year. It's a small price to pay when these Veteran riders are getting the medical help they need because we get them to their appointments. If you are willing and able, please consider becoming a volunteer driver and know you're doing a great service for our veterans.

• It's summertime and many Veterans are vacationing. As a reminder, Veterans and Gold Star Families can get a lifetime pass to over 2,000 recreation sites in the US. Each lifetime pass covers entrance fees for a driver and all passengers in a personal vehicle (or pass holder and up to three adults at sites that charge per person) at national parks and natural wildlife refuges and other federally managed lands. The key pass is the "America The Beautiful" pass. You can check it out at the USGS Online Store or any Federal Agency Office . It's worth checking out.

Until next time, take care.

Fire Restrictions in Southwest Montana

Interagency fire management officials in southwestern Montana are implementing fire restrictions this week. These restrictions apply to the following geographic areas: Madison, Beaverhead, Deer Lodge, Silver Bow, and Granite Counties.

Fire restrictions affect private lands within the listed counties; state and private forested lands under the jurisdiction of Montana Department of Natural Resources & Conservation (MT DNRC); and lands under the jurisdiction of Bureau of Land Management (BLM), USDA Forest Service (FS), US Fish & Wildlife Service (USFWS), Montana Fish, Wildlife & Parks (FWP), and Bureau of Reclamation (BOR).

Various agency lands may be in different levels of restrictions (Stage 1 or Stage 2) and stages may change quickly, given our current conditions. Contact the agency responsible for management of the recreation site or area to verify whether campfires and other activities are allowed and/or if other specific exemptions apply to agency land. It is your responsibility to "know before you go."

Stage 1 fire restrictions:

- Anaconda-Deer Lodge, Butte-Silver Bow, Beaverhead, Granite, and Madison Counties.
- All Beaverhead-Deerlodge National Forest system lands.
- BLM lands within the above-mentioned counties.
- (FWP) fishing access sites, State Parks, and Wildlife Management Areas within the above-mentioned counties.
- Montana DNRC state and private forested lands within the above-mentioned counties.
- Bureau of Reclamation lands within the above-mentioned counties, including Clark Canyon Reservoir and Barretts Park.

Stage 2 fire restrictions:

- US Fish & Wildlife Service – Red Rock Lakes Wildlife Refuge.

The restrictions will remain in effect until there is a significant change in fire danger. The purpose of fire restrictions is to reduce the risk of human-caused fires during unusually high fire danger and/or burning conditions. Fire professionals analyze several factors when deciding to enact fire restrictions. Fire danger across southwestern Montana is EXTREME. Forested lands at all elevations are dry. The Nation is at a Planning Level 5, with an abundance of fire activity and high demand for firefighting resources. Fire management officials are hopeful that by initiating fire restrictions, there will be fewer person-caused wildland fires.

For information on fire restrictions, visit the fire restrictions tab on the Montana Fire Info. website at https://www.mtfireinfo.org/.
