Jefferson River and more sections of Big Hole River close to fishing

The Jefferson River and more sections of the Big Hole River will close to fishing starting Saturday, Aug. 3, due to low flows.

The full fishing closure will include the entire Jefferson River, as well as the Big Hole River from Dickie Bridge to the confluence with the Jefferson River. Flows in these areas dropped below fishing closure thresholds on Friday.

The rest of the Big Hole River upstream of Dickie Bridge is under hoot-owl restrictions, which prohibit fishing each day between 2 p.m. and midnight.

These restrictions will remain in effect until conditions improve.

Fishing restrictions and closures like these are designed to protect fish that become more susceptible to disease and mortality when low flows and high water temperatures combine with other stressors, including catch-and-release fishing.

Anglers can reduce stress on fish at all times of the year by getting fish to the net or in hand quickly, keeping them in the water, and reviving them prior to releasing them back into the river.

Along with monitoring stream temperatures, Montana Fish, Wildlife & Parks also monitors stream flows, and in some streams, holds instream flow water rights. FWP's water program can issue a call on junior water users, when appropriate, to contribute to stream flows through the late summer and early fall.

Bulldog Rodeo Welcomes 18 Recruits for the 2024-25 Season

Montana Western Head Rodeo Coach JT Robbins has announced the signing of 18 student-athletes for the 2024-2025 men's and women's rodeo season.

"We are excited about the incoming talent we have assembled this year across all events. This class gives us a solid opportunity to continue to compete at a high level throughout the region." Robbins said.

Brooklynn Voigt | Barrel Racing | Idaho Falls, Idaho / Idaho Falls HS

Voigt will be joining the Bulldogs this fall as a 2024 graduate from Idaho Falls High School in Idaho Falls, Idaho. She is a barrel racer who plans to major in natural horsemanship with a minor in business while at Montana Western. Voigt is the daughter of Lisa and Gary Voigt.

Jacee Winward | Breakaway, Team Roping, Goat Tying | Grace, Idaho / Grace HS

Winward, a three-time state qualifier, joins the Bulldogs from Grace, Idaho. She was a two-time state qualifier who won the first round in breakaway at state her sophomore year. She was a state top 15 finisher in breakaway after the 2024 season. She also competed in basketball and soccer in high school where she placed fifth in state her junior season. Winward is the daughter of Doug Winward and Wendy Austin and plans to major in psychology while at Montana Western.

Coming off of another successful season in the Big Sky Region, the Bulldogs will get back in action this fall from Sept. 6 through the 7 in Cody, Wyo. at the Trapper Stampede #1 and #2.

Following the opening weekend, the Bulldogs will hit the road twice more for the Dawson Community College Rodeo and the MSU-Northern Rodeo before returning home.

The Montana Western Rodeo will be on Sept. 27 through the 28 at the Beaverhead County Fairgrounds in Harry Andrus Arena. The Friday night performance will be at 7pm with Saturday's events beginning at 8am.

Road Department Reminder:

The bridge on Lower North Fork Road will be closed starting the morning of 8/6/24 and re-opening the evening of 8/13/24. The Road Department will be replacing the bridge over the North Fork Big Hole River. Thank you for your patience."

Additional Fire Restrictions in some parts of Southwest Montana

As hot, dry conditions continue, interagency fire management officials in southwestern Montana are urging the public to pay attention to conditions and the continued implementation of fire restrictions. These restrictions apply to the following geographic areas: Madison County, Beaverhead County, Deer Lodge County, Silver Bow County, and Granite County.

Fire restrictions affect private lands within the listed counties; state and private forested lands under the jurisdiction of Montana Department of Natural Resources & Conservation (MT DNRC); and lands under the jurisdiction of Bureau of Land Management (BLM), USDA Forest Service (FS), US Fish & Wildlife Service (USFWS), Montana Fish, Wildlife & Parks (FWP), and Bureau of Reclamation (BOR).

Various agency lands may be in different levels of restrictions (Stage 1 or Stage 2) and stages may change quickly, given our current conditions. Contact the agency responsible for management of the recreation site or area to verify whether campfires and other activities are allowed and/or if other specific exemptions apply to agency land. It is your responsibility to "know before you go."

Stage 1 fire restrictions:

- Anaconda-Deer Lodge and Butte-Silver Bow Counties.
- Montana DNRC state and private forested lands within the counties in the previous bullet.
- Montana Fish, Wildlife and Parks (FWP) fishing access sites, State Parks, and Wildlife Management Areas within the counties in the above bullet.
- All Beaverhead-Deerlodge National Forest system

- lands.

Stage 2 fire restrictions:

- Beaverhead, Granite, and Madison Counties.
- Montana DNRC state and private forested lands within the counties in the previous bullet.
- Montana Fish, Wildlife and Parks (FWP) fishing access sites, State Parks, and Wildlife Management Areas within the counties in the above bullet.
- US Fish & Wildlife Service – Red Rock Lakes National Wildlife Refuge.
- Bureau of Land Management lands, managed by the Western Montana District.
- Bureau of Reclamation lands within the above-mentioned counties - Clark Canyon Reservoir and Barretts Park.
- National Park Service - Grant Kohrs Ranch in Powell County

The restrictions will remain in effect until there is a significant change in fire danger. The purpose of fire restrictions is to reduce the risk of human-caused fires during unusually high fire danger and/or burning conditions. Fire professionals analyze several factors when deciding to enact fire restrictions. These factors include the number of human-caused fires, fire danger ratings, persistent adverse weather conditions, fuel moisture conditions, availability and/or capacity of firefighting resources, and the potential threat to firefighter and public safety.

Fire danger across southwestern Montana is EXTREME. Forested lands at all elevations are dry. Firefighting resources in southwest Montana have recently responded to several human-caused starts. The Nation is at a Planning Level 5, with an abundance of fire activity and high demand for firefighting resources. Fire management officials are hopeful that by initiating fire restrictions, there will be fewer person-caused wildland fires.

For additional information on fire restrictions, visit the fire restrictions tab on the Montana Fire Information website at https://www.mtfireinfo.org/.

Montana Western & Bank of Commerce Performing Arts Series Present "Gutenberg! The Musical!"

The University of Montana Western's Theatre Department and Bank of Commerce Performing Arts Series are excited to present "Gutenberg! The Musical!" from August 22-31, 2024.

Get ready for a hilarious evening with "Gutenberg! The Musical!" In this uproarious two-man show, aspiring playwrights Bud and Doug are on a mission to impress producers with their ambitious—and delightfully misguided—musical about Johann Gutenberg, the inventor of the printing press.

With boundless enthusiasm, they tackle every role and belt out catchy songs in their over-the-top historical spoof. Join them on this comedic journey filled with outrageous antics and unexpected twists as they strive for that coveted Broadway contract.

Don't miss your chance to laugh out loud and witness their quirky charm! Grab your tickets today and be part of this unforgettable theatrical adventure!

"Gutenberg! The Musical!" is written by Anthony King and Scott Brown, directed by Stephen Alan Seder, with music direction by Lindsey Nussbaum, and features standout performances by Hugh Butterfield and Cody Root. All cast and crew are former Virginia City Players members, a professional theatre company located in Virginia City, Montana, known for performing classic melodramas and vaudeville-style entertainment.

Shows will be held in UMW's Beier Auditorium on Thursdays, Fridays, and Saturdays at 7:30 p.m., with Saturday matinees at 2:30 p.m. To purchase tickets, please visit the BOC Performing Arts Series Box Office webpage (www.umwestern.edu/bank-of-commerce-performing-arts-series/box-office/). Tickets are $16 for general admission, $12 for seniors (65+), youth (18 & under), and military, $10 for UMW faculty/staff, and free for UMW students with a student ID. This show is rated PG-13 and each performance will feature a surprise cameo!

For more information on this year's BOC Performing Arts Series, visit www.umwestern.edu/bank-of-commerce-performing-arts-series/ or contact Assistant Professor of Theatre, Stephen Seder, at stephen.seder@umwestern.edu or 406-683-7038.

Secretary Christi Jacobsen, Montana Election Team celebrate National Poll Worker Recruitment Day

Montana Secretary of State Christi Jacobsen joined thousands of election officials nationwide on Thursday to celebrate National Poll Worker Recruitment Day. Established by the U.S. Election Assistance Commission (EAC), National Poll Worker Recruitment Day seeks to promote civic participation and ensure the integrity, security, and transparency of elections.

"Our elections depend on thousands of Montana residents—people who may include your family, friends, or neighbors—stepping up to serve as poll workers," said Secretary Jacobsen. "Poll workers help ensure that every eligible voter can participate in our elections and that exercising your right to vote is simple, fair, and secure."

Secretary Jacobsen also released a new poll worker video in the Montana Election Education Video Series, which can be viewed by clicking the featured image above.

Poll workers play a crucial role in providing a great election experience for Montana voters. State and local election officials depend on poll workers for tasks such as running polling places, greeting voters, explaining election procedures, and much more. County election offices provide thorough training to poll workers ahead of Election Day.

In Montana, poll workers must be at least 18 years old and registered voters in the county where they will serve. Rules also prohibit candidates on the ballot and certain relatives of those candidates from serving as poll workers. For more information, Montanans are encouraged to visit the poll worker resources page on VoteMT.gov (https://votemt.gov/serve-as-a-poll-worker/).

"As the Montana Election Team prepares for November's historic General Election, it's essential that all 56 Montana counties have a sufficient number of poll workers to provide our family, friends, and neighbors with an election they can be proud of," said Secretary Jacobsen. We're grateful for the thousands of Montanans across the state who dedicate their time to serving as poll workers this fall."

"Thanks for voting, Montana," she added.
