Montana Western Fine Arts Gallery Presents "Where the Deer and Antelope Played"

The University of Montana Western Fine Arts Gallery is honored to present "Where the Deer and Antelope Played," a solo exhibition by artist Danielle O'Malley. The gallery will host an opening reception on Thursday, September 5, 2024, from 5:00-7:00 p.m. in the Fine Arts Gallery located in Main Hall.

For years, O'Malley's artwork has been rooted in an environmental consciousness derived from her concern for the Earth's rapidly declining health. O'Malley's forms are influenced by objects she encounters in her daily activities, representing warnings, the imbalance of our ecosystems, and the means for sustainable living. "Where the Deer and the Antelope Played" highlights iconography found within the western landscape.

Fences, property markers, and scars on the land (from extraction processes) are as integrated into the western landscape as flora and fauna. They act as boundaries and barriers that protect, block, identify, guide, and contain. They are also representative of colonization and the devastation that colonialist values bring to the land. According to Canadian researcher Max Liboiron, "pollution is not a manifestation or side effect of colonialism but is rather an enactment of ongoing colonial relations to land." O'Malley's work is a call for an anti-colonialist approach to the present-day eco-emergency.

Danielle O'Malley is a multi-media, large-scale, site-specific installation, and ceramic artist residing in Helena, Montana. O'Malley received her MFA from the University of Massachusetts, Dartmouth. Her work is rooted in an environmental consciousness that derives from concern for the Earth's rapidly declining health. O'Malley teaches, exhibits nationally, and serves her community as Executive Director for the Art Mobile of Montana and Director of Montana Clay.

Most recently, O'Malley has been interviewed on the "Tales of a Red Clay Rambler" podcast; recognized and chosen for publication by "Ceramics Monthly", "Surface Design Association Quarterly Journal", "NCECA Annual Journal", and "Studio Potter Journal".

O'Malley will be a visiting artist and Adjunct Instructor of Ceramics this fall at the University of Montana Western. It will be an honor to view her work in person as part of the gallery's educational mission to engage students in gallery activities. Please join us!

The reception is free and open to all and will feature light refreshments. The exhibition will be open for viewing from September 5 to October 8, 2024. Gallery hours are Monday through Friday, 10:00 a.m. to 12:00 p.m., and 1:00 p.m. to 3:00 p.m.

Beaverhead County Search and Rescue News

Submitted by: Mel Rice, Public Relations Officer

The Beaverhead Search and Rescue was called out for a rescue on the 6th August. Two females traveling along the top of the Blacktail range got themselves in a precarious position of the edge of Monument Mountain and rolled their UTV sustaining injuries to both individuals. One of the ladies was able to make a 911 call for assistance from the crash site.

Life Flight was requested immediately and at 12:01 AM on the 7th two hasty teams were deployed to the incident location. The hasty teams arrived at the scene around 2:00 AM. Two Life Flight helicopters had already landed on top of the ridge. However, the victims had to be packaged and transported to the top of the ridge using the units E-Mule. Once on top of the ridge each victim was then turned over to Life Flight medical team and the helicopters transported the ladies to a medical facility. It took approximately 45 minutes per victim to get them to the Life Flight personnel. Once both victims were in Life Flight care and on their way to a hospital, S&R members returned to Dillon, arriving back at the building at 8:00 AM.

The total incident took approximately 90 man hours to complete. Once again the E-Mule proved to be a very valuable tool in getting injured victims out of the back county. Members of the Beaverhead SAR unit participating in this rescue were: Jack Bazemore, Chuck Maddox, David Broadhead, James Mathews, Kolby Malesich, Mark Smith, and Steve Mock. Other members who participated as the IC team were Trevor Hyland, Cody Schnee, and Brad Wagner. Thanks for your dedication.

We want to give a special thank you to Alan Conover. He saved the hasty teams critical hours of travel by allowing the them to cross his private land. His knowledge of the area proved to be invaluable in knowing how to reach the victims in the shortest time.

"In the Business of Saving Lives" your Beaverhead Search and Rescue.

Beaverhead FFA Highest 3-Star National Rating

Beaverhead FFA chapter of Dillon, Montana, receives highest 3-Star National Rating, selected as a Premier Chapter National Finalist for 2024 National Chapter award by National FFA Organization

INDIANAPOLIS (August 9, 2024/National FFA Organization)

– The Beaverhead FFA chapter of Dillon, Montana, has once again been recognized as one of the top FFA chapters in the nation for 2024 through the National Chapter Award Program from the National FFA Organization.

The program recognizes outstanding FFA chapters from throughout the country that actively implement the mission and strategies of the organization. These chapters improve chapter operations using the National Quality FFA Chapter Standards and a Program of Activities that emphasizes growing leaders, building communities, and strengthening agriculture. Chapters are rewarded for providing educational experiences that benefit the entire membership, their community, and the agricultural industry.

Only the top ten percent of chapters from each state may apply to be ranked nationally, where they will receive a rating of one, two, or three stars. The Beaverhead FFA has received the highest three-star national rating for the last six years in a row, and will be recognized on stage at the 97th National FFA Convention & Expo, October 23-26, 2024.

Additionally, the Beaverhead FFA was selected as one of ten national finalists in the category of Strengthening Agriculture to recognize the 2023 collaboration between Beaverhead FFA and the American Exchange Project (AEP). Beaverhead FFA members will present to a panel of judges later this fall to potentially advance to the top 3 chapters in this category.

This is the second consecutive year that the Beaverhead FFA chapter has been selected as a National Chapter Award Area Finalist. Full award results will be announced this fall at the 97th National FFA Convention & Expo, October 23-26, 2024 in Indianapolis, IN.

All-star-rated FFA chapters receive honors made possible by corporate sponsor John Deere and New Holland.

"New Holland is proud to recognize and celebrate the exemplary FFA chapters that are part of the National Chapter Award Program," said Mark Lowery, Director of Network Development at New Holland.

The National FFA Organization is a school-based national youth leadership development organization of more than 1,027,200 student members as part of 9,235 local FFA chapters in all 50 states, Puerto Rico and the U.S. Virgin Islands.
