Christina "Tina" Marie Beck

She was born on February 15, 1967 to Sam and Darlene Beck of Deer Lodge, MT. Tina grew up on the family ranch and had some of her fondest memories there, especially the giant after-branding celebration that included a live band (Bob Kovacich and his friends), incredible food, and lots of libations. She grew up riding horses and rodeoing, especially barrel racing, hanging out with wonderful friends and family, and laughing a lot.

She graduated from Powell County High School in 1985 and went to Barber School in her little red pickup she was so proud of. She married Tim Oelschlager in 1990 and they had two children, Sami and Shaun. Tim and Tina moved to Clinton from Deer lodge in 1994 with their family. Tina quickly learned what tight community Clinton was and made it even better with her bright smile and fiery personality. It wasn't hard to love being around Tina and she made some life long friends and lasting memories and impressions. Tina bartended and cooked at Poor Henry's for many years and then the Other Place bar in Turah. She loved what Clinton had to offer and the people she could do it with from floating the river, mountain drives, hunting, camping, sledding, snowmobiling, all the bonfires and laughs. We have lost such a wonderful person and will always be remembered for what she gave to each of us! The perfect mix of sunshine and lightning! Following a road construction company, her and the kids moved to the Dillon area in 2005, where she ran the roller out by Grant.

After the road work was completed she started working at the Buffalo Lodge. She loved bartending and everything that came with it from smiles to laughs to friendships made. But most of all she loved being a barber!

She loved music, singing and most of all dancing. She married her favorite dancing partner Scott Hedstrom in 2012.

She started working at Ed's Barbershop and later bought it, changing the name to simply "The Barbershop". She absolutely loved taking care of all her clients building lifelong friendships and even did home visits for those who lost their mobility.

She lived solely for her grandbabies! And loved being a 'granny'!

Tina is preceded in death by her parents Sam and Darlene Beck, her sisters Debb Sime, Karen Vergeront and Marilyn Weingart, her baby Anthony, her stepson Cody Hedstrom and her late husband Tim Oelschlager.

She is survived by her children, Sami Oelschlager (grandchildren Emera, Salem, Talon, and Tyr Parker) and Shaun Oelschlager (grandson Klaus) Heather Howell-Buchtel (Jeremiah)(grandchildren Deagan, Kendadie, Brooklyn, and Gracie), brothers Steve Beck, Brian Beck, and Doug Sime; numerous nieces, nephews, cousins, and all of the family of her heart that she created over her lifetime. She will be missed greatly and remembered fondly as she reunites with those precious to her that have gone to be with her lord.

Attorney General Knudsen issues statement on Title IX decision

The United States Supreme Court blocked the Biden-Harris administration from enforcing its unlawful Title IX rule which puts the rights and safety of girls and young women at risk. In response, Montana Attorney General Austin Knudsen released the following statement:

"Boys should not be allowed in the girls' locker room. I'm glad the Supreme Court agreed with us today. I will continue to fight to protect young women and uphold Montana's law against federal overreach."

Attorney General Knudsen was granted an injunction in June in the lawsuit against the Department of Education's rule.

The rule attempted to expand Title IX, which prohibits discrimination in education on the basis of sex, to include "gender identity." The unlawful rule would also ultimately prohibit schools from distinguishing between males and females in athletic and educational opportunities, which would put women at an unfair disadvantage. Additionally, boys and girls would be forced to share bathrooms, locker rooms, dorms, and even overnight lodging while on a school trip.

Montana Western Announces 32nd Annual Bulldog Bash

The University of Montana Western Foundation and UMW Athletics Department are excited to announce the 32nd Annual Bulldog Bash dinner and auction, to be held on Saturday, October 12, 2024, at 5:00 p.m. in the Keltz Arena on the UMW campus.

The day's events will start at 10:00 a.m. with a tailgate celebration at the new Bulldog Stadium, followed by the Montana Western vs. Montana Tech football game at 1:00 p.m.

The evening will kick off with a no-host social at 5:00 p.m., followed by a brisket dinner and live auction. Throughout the evening, guests will also have the opportunity to participate in a silent auction featuring a variety of unique items.

This year's live auction will feature an exciting lineup of items, including an Alaskan fishing trip, exclusive golf packages, custom-built items, and sporting trips. All funds raised from this event will directly support Montana Western Athletics.

The Bulldog Bash, in conjunction with other fundraising efforts, provides scholarship dollars for UMW student-athletes and funds projects to enhance facilities and other aspects of the student-athlete experience. In addition to providing financial support to programs, this event is a great opportunity for boosters, community members, and families to connect with each other and the UMW Athletic Department staff.

To purchase tickets, please visit <https://tinyurl.com/UMWBulldogBash2024> or contact Kelly Allen in the UMW Foundation office at 406-683-7306.

UMW Athletics and the Foundation extend their heartfelt thanks to the community for their unwavering support of our students and the University. We look forward to celebrating with you this fall!

For more information, please contact Jolene Robbins, Special Events and Alumni Coordinator, at 406-683-7303 or jjolene.robbs@umwestern.edu.

Veteran's Corner Update # By Mike Lawson

Veteran News Updates:

- All our Veteran Organizations are about helping others. Helping our kids, communities through scholarships: Boys State, Girls State, Toys For Tots, Veteran Benefit help, DAV Vans to get Veterans to their medical appointments and the list goes on. Our membership is getting older and sadly we're seeing a number of our veterans dying in their older years. We need younger members to fill the ranks of those we're losing and continue to give of themselves in giving to others. Talk with your sons and daughters who have served in the military and ask them to consider serving one another and those in need.

- The Marine Corps League Convention, I just attended, saw TJ Morgan elected as National Commandant. What was so special about this was he is probably the first one from the Northwest who has been elected for this prestigious position. The heavily populated middle and eastern portions of our country is where a majority of our members are, on a national level. Consequently they have the most votes and our past Commandants have come from those areas. It's been gratifying to see their support of electing TJ Morgan who is from Spokane, WA.

- Next week "The Wall That Heals" will arrive at Father Sheehan Park in Butte. When at the Cap Reunion in the DC area recently, I was one of the three people who placed a wreath at the Vietnam Wall. It was truly an honor and a solemn occasion. Next week will be also and one to remember those who gave their lives for our country. If you can come and visit this wall to honor those whose names are upon it please do so.

- The Marines' Toys For Tots is now opening their arms to kids in need throughout the year. An example is recently our Butte Campaign was able to help a family of kids who were removed from their home, for their protection. They didn't have much of anything. We were contacted and were able to give them some gifts. If you know of kids who are in need because of a tragedy of some sort, please contact us and we'll try and help. Call me (Mike) at 406-560-3591 or Shirlee at 406-560-5056.

- We lost another hardworking Vet from Dillon, Harvey Frank. This 20 year National Guard soldier, served others in a

Hoot-owl fishing restrictions to be lifted on Beaverhead and Ruby rivers

Recent cooler temperatures allowed hoot-owl fishing restrictions to be lifted Wednesday on the Beaverhead and Ruby rivers.

The restrictions had been in effect for the two rivers since early July due to warm water temperatures. Hoot-owl restrictions are designed to protect fish that become more susceptible to disease and mortality when low flows and high water temperatures combine with other stressors, including catch-and-release fishing.

Other regulations may impact when sections of the Beaverhead and Ruby rivers, among other waterbodies, are open to fishing. Check the current fishing regulations for more information.

Artist Reception At Tendoy Fine Art Gallery

The Tendoy Fine Art Gallery is hosting a reception highlighting the work of Susan Jarmon on Saturday 8/31/2024 from 1-4 PM at the gallery, 35 E. Bannack Street.

Susan has explored the Great Outdoors of SW Montana and her artworks reflect the stunning beauty and vibrant energy of this place she calls home. Susan uses the medium of watercolors to loosely recreate familiar scenes, stir our imagination of the natural world, and evoke the pride and inspiration associated with being in the presence of healthy waters, vividly colorful skies and "purple mountains' majesty".

Susan offers affordable quality, Montana-made artworks, gifts for you to give to others and gifts to give yourself.
