Marilyn's teaching career, Marvin continuing his education at the University in Missoula. Marilyn accepted a teaching position which she totally loved in Jackson in 1957, Marvin driving the school bus to Dillon attending Western Montana College. By 1959 they settled in Hamilton Marilyn working for a local dental hygienist, Marvin teaching in Darby.

Eventually they made their home Dillon. In 1962, they adopted a son, Mark, and in 1964 a daughter Mary Ann. Mom was a wonderful mother who was always there when we needed her the most, offering support, wisdom, kindness, courage, and love in abundance.

Marilyn was a beloved member of the Dillon community, known for her kindness and good spirit, she was always there to offer a helping hand. She was extremely proud to be the Beaverhead County Fair Secretary for more than three decades, working closely with the fair manager (her husband Marvin), 4-H Clubs, Jaycee's, and the fair board. She was an accomplished piano player and filled her home with beautiful music. She was the organist at Our Savior's Lutheran Church, in addition to playing for many local weddings, funerals, and special occasions.

In addition to teaching for two years at Jackson, Marilyn worked as a telephone operator, bookkeeper for Valley Motor Supply (Carquest), church secretary and operated a catering service with close friends Byron and Debby Keller. She held a strong Christian faith, and enjoyed family and friends, cooking, sewing, bowling with her Melrose gals "Charlie's Angels", and dedicating her time for local organizations – March of Dimes, Jaycees, Lady Elks, Sons of Norway – and supporting Marvin's causes.

Marilyn is survived by her son Mark Lundberg, daughter Mary Ann Gorsich, brother Ron Iverson, sister-in-law Mavis Faverty, grandson, Logan Gorsich, granddaughters Katrina (Dexter) Keller, Brooklynn Lundberg, and Secret Rylee Kunkle, as well as great-grandsons Layne and Lincoln Keller, and great-granddaughter Regan Keller. She also

Montana Western Announces 32nd Annual Bulldog Bash

The University of Montana Western Foundation and UMW Athletics Department are excited to announce the 32nd Annual Bulldog Bash dinner and auction, to be held on Saturday, October 12, 2024, at 5:00 p.m. in the Keltz Arena on the UMW campus.

The day's events will start at 10:00 a.m. with a tailgate celebration at the new Bulldog Stadium, followed by the Montana Western vs. Montana Tech football game at 1:00 p.m.

The evening will kick off with a no-host social at 5:00 p.m., followed by a brisket dinner and live auction. Throughout the evening, guests will also have the opportunity to participate in a silent auction featuring a variety of unique items.

This year's live auction will feature an exciting lineup of items, including an Alaskan fishing trip, exclusive golf packages, custom-built items, and sporting trips. All funds raised from this event will directly support Montana Western Athletics.

The Bulldog Bash, in conjunction with other fundraising efforts, provides scholarship dollars for UMW student-athletes and funds projects to enhance facilities and other aspects of the student-athlete experience. In addition to providing financial support to programs, this event is a great opportunity for boosters, community members, and families to connect with each other and the UMW Athletic Department staff.

To purchase tickets, please visit https://tinyurl.com/UMWBulldogBash2024 or contact Kelly Allen in the UMW Foundation office at 406-683-7306.

UMW Athletics and the Foundation extend their heartfelt thanks to the community for their unwavering support of our students and the University. We look forward to celebrating with you this fall!

For more information, please contact Jolene Robbins, Special Events and Alumni Coordinator, at 406-683-7303 or jjolene.robbins@umwestern.edu.

Future Fisheries Improvement Program projects approved

Spawning and rearing habitat for brown and rainbow trout will be created in Kamperschroer Spring Creek, feeding into the Big Hole River. Fish passage on the mainstem upper Clark Fork River will be improved at the same time an irrigation diversion is upgraded near Deer Lodge. These projects are two of six that recently received funding by the Montana Fish and Wildlife Commission through the Future Fisheries Improvement Program (FFIP). Nearly $390,000 in funding was approved to improve Montana fisheries.

The fisheries improvements include restoration of streams to a natural condition, installing riparian fencing, restoring streambanks and riparian areas, improving fish passage, creating spawning habitat, enhancing streamflow, repairing a dam that supports a genetically pure cutthroat trout egg source and more. Projects will help both native and non-native fish, including bull trout, mountain whitefish, westslope cutthroat trout, brook trout, brown trout, and rainbow trout.

This year's funding was paired with $1.2 million in match and other contributions from outside sources. Landowners, watershed organizations, county governments, federal agencies and nonprofits submitted a total of six proposed projects. All projects were approved, including four that are west and two that are east of the Continental Divide.

Applications for the FFIP winter-cycle grants are due Nov. 15 to FWP's Fish Habitat Bureau. Application forms are available on FWP's website, fwp.mt.gov/FFIP or at FWP offices.
