Big Hollow Fire Update

CURRENT STATUS + PLANNED ACTIONS:

Crews continued containment efforts by securing all portions of the fire, but most work focused on the north and northwest side where heat is still left over and burning in a mixture of both standing and dead timber. Helicopters assisted crews by dropping water onto a small section of downed logs that flared up mid-day. After the initial flame front has passed, firefighters will locate areas of residual heat close to control lines and extinguish them by mixing water and dirt into the heat and by cutting up burning pieces of wood into smaller pieces so that they burn themselves out quicker. These actions are collectively referred to as "mop-up". A few crews were assigned with carefully combing through the "green" or the unburned portions to locate spot fires outside of control lines.

Mop-up efforts will be continued. Crews will carefully evaluate tactics and prepare for the expected cold front passage described below.

Driver Loses Control Of Buick, Crashes Into Resident's Garage On Highway 91 South

Jeremy Crawford, Southwestern Montana News

Tuesday morning, residents of Highway 91 S. got the startle of a lifetime as a Buick lost control and came to a stop inside the residents' garage.

The Buick was heading northbound on Highway 91 when the driver came close to the edge of the road while making a turn. The driver then overcorrected and went across the road, through the front lawn of a house, taking out the resident's power box. The car continued through a fence, coming to a stop after plowing into the corner section of another resident's garage and fifth-wheel trailer.

The fifth-wheel trailer sustained heavy damage, as well as the garage and some of the items inside the garage.

The Buick was heavily damaged and towed from the scene. MT Highway Patrol reported unknown injuries.

Martin Earns NAIA Defender of the Week Honors

The NAIA released its week one Women's Volleyball National Player of the Week honors. Montana Western's Danyel Martin has been named Defensive Player of the Week. Martin is the second women's volleyball athlete in program history to earn an NAIA Player of the Week honor.

Martin had an astounding weekend after the Bulldogs went a perfect 3-0 at the Wolf Pack Open defeating Webber International (Fla.) 3-0, RV Loyola (La.) 3-1, and RV Texas Wesleyan 3-2.

Martin led the Bulldogs and the Frontier Conference on the week with 1.75 blocks per set and totaled 21 blocks in three games. Martin leads the Bulldogs this season in blocks with 38 total blocks, averaging 1.31 blocks per set.

This is also the second time in the coaching career of coach Katie Lovett to have a player achieve NAIA National Player of the Week honors.

Men's Basketball Announces Signing Class

The Montana Western Men's Basketball team has welcomed five signees in its 2024-25 signing class, the program announced. (the list will continue on following days)

"We are excited to introduce our recruiting class for the 2024-25 season. This group adds a great deal of depth to pair with our returners." Head Coach Pat Jensen said. "These student-athletes were all recruited to make a significant impact on our program, both now and in the future. We are eager to bring them together on campus and start the journey ahead."

Kyle Gruhler | Wing | Vancouver, Wash. / Skyview HS / Portland CC

Gruhler is a 6-5 wing who joins the Bulldogs as a transfer from Portland Community College and is a 2020 graduate of Skyview High School. While at Portland CC, Gruhler averaged 17.1 points, 7.6 rebounds, and 2.4 assists per game on the Panthers' way to an NWAC league championship and a final four appearance. Prior to joining the Panthers, Gruhler was a two-time first team all-league selection and a first team Columbia all-region selection while averaging 20.5 points and 7.5 rebounds per game for Skyview High School. Gruhler is the son of Matt and Sarah Gruhler and plans to continue to pursue his degree in business while at Montana Western.

"Kyle joins us after helping Portland CC reach the semi-final game in the NWAC tournament this past spring. He is a dynamic wing who can impact the game in multiple areas," Jensen said. "His shooting and rebounding will provide an immediate boost to our team. Beyond his on-court skills, Kyle has a strong work ethic and leadership qualities that will help our program. We are confident that his experience and versatility will make an impact on our program immediately."

River Hurley | Forward | Anaconda, Mont. / Anaconda HS

Hurley is a 6-6 forward who joins the Bulldogs as a 2024 graduate from Anaconda High School. During his senior season for the Copperheads, Hurley averaged a double-double with 18 points and 10 rebounds per game. He also added three assists and steals per game while earning All-State and all-conference accolades. In addition to basketball, Hurley competed in football, track, and golf during his career and earned all-conference accolades in football as a wide receiver and safety. Hurley is the son of Shannon and Rob Hurley and plans to major in physical education & health k-12 while at Montana Western.

"River joins us after an impressive career at Anaconda High School. With his great size and shooting ability, River is poised to hit the ground running in our program. We are excited to work with his potential and watch his growth in the coming years," Jensen said.
