John Kenneth "Ken" Heberling

John Kenneth "Ken" Heberling, aged 75, passed away on August 21, 2024, in Billings, from complications from open heart surgery. Born on June 12, 1949, in Parsons, Kansas, to Shirley May Phillips and Charles Kenneth Heberling. Ken was known for his adventurous spirit, sense of humor, and unwavering kindness.

Ken served with distinction as an Air Force Staff Sergeant in Zweibrücken, Germany, dedicating four years to his military career as an aircraft mechanic. After his service, he embarked on a diverse career path, initially trekking to California where he met the love of his life, Margo, and raised his family in the heart of Silicon Valley. After 17 years, he decided to pack his family up and move home to be near his family in Dillon, Montana. In Dillon, he became a beloved figure as the owner-operator of Dillon Dairy Products, delivering milk to local businesses and homes, and leaving a lasting impact on the community. Ken also filled his time volunteering with the Beaverhead Sno-Riders, grooming trails and getting to know all the trails in the Grasshopper Valley. He shared his love of the trails on four wheelers with all three of his grandkids, making each of them go through "CGDS" or what the kids lovingly called Cantankerous Grandpa Driving School.

Ken's educational journey was rooted at Beaverhead County High School, which laid the foundation for his lifelong pursuits. He was a man who cherished the outdoors, often found sharing his love for nature with his family. Ken's hobbies included driving classic cars like his 1961 Corvette and 1954 Willys, abalone diving off the California coast, and attending air shows and funny car races. His mechanical skills were not just a hobby but also a valuable lesson to his daughters, whom he taught to appreciate and understand the mechanics of things.

Ken is survived by his loving wife, Margo Jean Heberling; daughters, Wendy Dumke (Rob) and Jenny Fox (Justin); grandchildren, Shawn Horner (Shayla), and a soon to arrive great-grandchild; Jennifer Horner, and Logan Fox; niece, Marina Jane, and nephew, Aaron Shuler; niece Cathy, and nephews Greg and Chris Stewart. He was preceded in death by his parents, Charles Kenneth, and Shirley May Heberling; sister, Jean Kathleen Stewart; and niece, Pamela Rose Shuler.

A service to honor Ken's life will be held at Brundage Funeral Home in Dillon, Montana, on September 10th, 2024, at 10:23 (not a typo, if Ken ever scheduled a meet up time with you, this makes perfect sense). In lieu of flowers, contributions may be made to the Beaverhead County Humane Society, a cause close to Ken's heart. Ken's legacy of kindness, humor, and a deep appreciation for the natural world will be dearly missed and forever cherished by all who knew him.

Montana Western to Hold Athletics Hall of Fame Ceremony on September 14

The University of Montana Western Athletics Department and the UMW Foundation & Alumni Office will host the 2024 Athletics Hall of Fame Induction Ceremony on Saturday, September 14, at 5:30 p.m. in the Lewis and Clark Room of Mathews Hall.

The evening will begin with a no-host social at 5:30 p.m., followed by an Italian buffet dinner. Tickets for the Hall of Fame dinner can be purchased online at <https://tinyurl.com/UMWHOF24> or by calling 406-683-7306.

The University of Montana Western is honored to celebrate the induction of the following athletes into the Bulldog Athletics Hall of Fame:

Jim Bob Humphrey: Jim Bob Humphrey played football for Coach Bob Beers and the Bulldog Football team from 1993 to 1998, during which they won several Frontier Conference titles and reached the National semi-finals in 1995. Throughout his football career, Jim Bob was named All-Conference linebacker twice and earned All-American honors. He also wrestled under Coach TJ Nelson during his time at Western.

In 2000, Jim Bob earned a degree in Secondary Education with a focus on history and English. He went on to teach and coach for 15 years, working in Texas, Idaho, and Washington. During this time, he had the honor of coaching his three sons—Jake, Drew, and Lane—in both football and wrestling.

Jim Bob and his wife, Jami, eventually settled in Billings, where he works with his brother Brant at WIN Home Inspection. Their sons, Jake and Drew, currently play football for the Bulldogs. Jim Bob's fondest memories at Western include beating Montana Tech 40-0 in a night game and defeating Glenville State in the 1994 playoffs.

Taylor Nahrgang: Taylor Nahrgang graduated in 2010 with a BS in Business Administration from the University of Montana Western. During his time at Montana Western, Taylor held several leadership positions, including Rodeo Club President, ASUMW President, Montana Associate Students (MSA) Vice President, Big Sky Region Student Director, and NIRA Student President. He was also a member of the rodeo team coached by Olie Else. Taylor achieved significant success in steer wrestling, qualifying for the College National Finals Rodeo four times, becoming the Big Sky Region Steer Wrestling Champion in 2007, and the NIRA Steer Wrestling World Champion in 2010.

Currently, Taylor serves as the Director of Partnership and Event Marketing at Ariat International, where he is a valuable member of the Marketing Leadership Team. Taylor and his wife, Bailey, reside in Fort Worth, TX, and are proud parents of Bolt and Blake.

Taylor has many fond memories of his time at Montana Western, including setting the arena record at the CNFR with a time of 3.4 seconds—a moment he holds with great pride. He also cherishes the experience of dominating the

Big Sky Region alongside teammate Wyatt Smith and hazing for Wyatt when he won a College World Title in steer wrestling in 2009.

Chuck Molenda: Chuck Molenda was born in Hamilton, Montana, and spent his early childhood in the Bitterroot Valley before moving to Dillon in 1967. At the age of 18, Chuck enlisted in the U.S. Army, where he served with distinction from December 1970 through November 1973. After completing his service, Chuck returned to Dillon, where he worked for various businesses before settling at Beaverhead Home Center, where he retired in 2013.

Chuck dedicated 29 years of service to Montana Western Athletics. His journey began in 1992, working the shot clock at basketball games. In 1995, he started managing the scorebook for men's and women's basketball games, and in 2012, he took on the role of operating the play clock at football games until 2017.

The highlight of Chuck's time with Montana Western was working the shot clock under Coach Casey Keltz and watching the women's basketball team win the 2019 National Championship.

Chuck's dedication and contributions to Montana Western Athletics have left a lasting impact. He and his wife, Susie, currently live in Dillon and have two grown children, Andy and Kathi, as well as several grandchildren.

Iola "Olie" Else: A native of Idaho, Olie Else graduated from Western Montana College in 1973 with a BS in English and Physical Education. She furthered her education by earning a master's degree in Education in 1995. During her time at WMC, Olie was an active member of the rodeo team, competing in barrel racing, breakaway roping, team roping, and goat tying.

Olie's campus involvement extended beyond athletics. She was the homecoming queen and runner-up for Miss Western in 1971. In 1973, she earned the title of Miss Rodeo Idaho and went on to compete in Miss Rodeo America. Additionally, Olie served on the Central Board and student government, was a member of Spurs (a service organization), worked as a resident assistant, and even manned the college switchboard.

In 1994, Olie became the head coach of the Montana Western Rodeo Team. During her tenure, she cultivated top-notch rodeo competitors, including seven College National Finals World Champions. Many of her student rodeo athletes have held positions in national rodeo organizations and earned numerous awards. The Montana Western women's team won the Big Sky Region five consecutive years from 1998 to 2002. Olie is the only woman and the only person to win the National Intercollegiate Rodeo Coach of the Year twice, in 2004 and 2018.

Olie played a pivotal role in establishing the Equine and Natural Horsemanship Programs at UMW and served as the Department Chair of Equine Studies. She continues to teach in the Equine Program and acts as the faculty advisor for the Young Farmers and Ranchers Club. Olie is a proud mother of three children—Kayla, Tad, and Tate—all of whom graduated from UMW.

Stay safe on the water this Labor Day weekend

Labor Day Weekend is the last hurrah for people who love summer. Don't forget you'll be sharing the water with other boaters. Last year, more than 100,000 boats were registered, and that doesn't include nonmotorized ones.

Boating safety is always important to remember, but here are some tips to help make sure your Labor Day boating adventure is successful and safe.

Never drink and operate a boat

Alcohol use is the leading known contributing factor in fatal boating accidents. Where the primary cause was known, alcohol was listed as the leading factor in 17 percent of deaths. Always designate a sober skipper to drive the boat.

Always wear a lifejacket

According to U.S. Coast Guard statistics, where cause of death was known, 87 percent of drowning victims in recreational boating accidents were not wearing a lifejacket in 2023. Make sure your lifejacket has a label that says U.S. Coast Guard Approved. Kids 12 and under are legally required to wear a lifejacket at all times while the boat is in motion.

All boats can be dangerous

Based on Montana's Boating Accident Report Database, between 70 and 75 percent of Montana boating fatalities occur on nonmotorized watercraft. These include rafts, kayaks, canoes, stand-up paddleboards and row boats. It is legally required that you have a lifejacket readily accessible while using these vessels. It is highly recommended that you wear your lifejacket while using non-motorized watercraft. Four out of five boaters who drowned were using vessels less than 21 feet in length.

Pay attention

The top five primary contributing factors in accidents are operator inattention, improper lookout, operator inexperience, excessive speed, and machinery failure.

Women's Resource Center Hosts "Gallery of Hope" Art Fundraiser

The Women's Resource Center (WRC) in Dillon, MT, invites the public to the "Gallery of Hope" fundraiser, an art exhibition and silent auction dedicated to celebrating the strength and resilience of women. This event will take place on Saturday, September 28, 2024, from 6:00 to 8:00 PM at Sweetwater Coffee, located at 24 S. Idaho Street, Dillon, MT.

The "Gallery of Hope" features a collection of works from a diverse group of talented artists, each piece exploring the essence of women's empowerment, resilience and strength. This collection aims to raise awareness and funds to support the WRC's mission of empowering women and providing critical services to survivors of domestic and sexual violence in Beaverhead and Madison Counties.

For forty-seven years, the WRC has offered free, confidential services to families in the community, from crisis intervention, advocacy, outreach and emergency shelter. The funds raised from this event will directly contribute to continuing these essential services. Event Schedule:

- 6:00 PM: Art Silent Auction Opens
 - o Live music by Guitarist Bill Dwyer
 - o Wine and appetizers
- 7:00 PM: Presentation by WRC Staff & Recognition of Community Partners
- 7:30 PM: Silent Auction Closes

The artwork is available for viewing from August 28 through September 28, 2024, at Sweetwater Coffee. Additional artwork, including handcrafted jewelry, quilts, and cards will be displayed and available for purchase the night of the event. For those unable to attend the art reception, donations can still be made to support the Women's Resource Center by visiting www.wrcmt.org/donate.

For more information, including a list of featured artists, please visit www.wrcmt.org/GalleryofHope.
