Beef Donation to Engine 18

Producer Partnership completes processing of beef that was generously donated by rancher Scott Anderson in Dillon. The beef will be delivered to Engine 18 on Thursday, September 5th at 4:00 pm - 55 Mt Hwy 91 South Dillon.

Producer Partnership:

"The Producer Partnership was founded in 2020 because of neighbors looking to help each other during Covid. The simple idea of donating local protein, has resulted in the first USDA federally inspected, nonprofit owned and operated processing facility in the United States.

"We are honored to be able to work with Engine 18 to process local beef donated by area ranchers in Beaverhead County for the Beef Handout Program. We are excited about this very generous donation from Scott Anderson, not only for this donation, but for future donations as well to provide access to beef for student athletes attending the University of Montana Western that are not living on campus" Matt Pierson, Founder and President

Engine 18:

Engine 18 is a tailgating fire engine built in 2017 by a group of University of Montana Western alumni and sports fans in Dillon, MT. Engine 18 was originally built to provide an ultimate tailgating experience, but quickly became a vehicle used for raising money for athletic scholarships at UMW. It was named Engine 18 in honor of UMW football player M.J. Simkins, whose life was tragically cut short. What started as an idea to build a tailgating vehicle to celebrate Bulldog athletics quickly became a means to raise funds for athletic scholarships and honor not only MJ's life, but the lives of other Bulldog players and coaches past way too soon.

Soon after, a beef handout program was started by the organization. Local ranchers who might have a cull cow or bull began donating the animal to Engine 18. In return the organization would pay to have the beef processed into hamburger and handed out to student athletes. Beef handouts typically take place once a month or if the need arises, arrangements can be made for other handout times. Mark Simkins, a member of the Engine 18 Board, says, "This relationship with Producer Partnership, who picks up the animals, processes them and delivers the hamburger back to us, creates a win-win for Engine 18 and the student athletes at UM Western! We should be able to reduce our operating costs, which will free up more funds for scholarships."

Stay Vigilant as Students Head Back to School

The Montana Highway Patrol (MHP) is reminding motorists to pay attention to all school bus and school zone traffic laws as students return to the classroom. By simply following the law and taking necessary precautions, motorists can help ensure Montana students get to and from school safely.

"Always pay attention to your surroundings when you're on the road, and especially when you're near a school bus," said MHP Colonel Kurt Sager. "Never pass a school bus that's flashing it's red lights and loading or unloading students."

MHP also reminds Montanans to slow down and pay attention to the changing speed limits in school zones, look for children crossing the street near schools, and not to pass a school bus that is stopped.

Reckless driving penalties for drivers who pass, in either direction, a stopped school bus that is displaying the visual flashing red signal is a \$285 fine for a first offense and a \$785 for a second offense.

Cloud Seeding in SW MT - Preliminary Findings

On Tuesday, September 17 in Dillon, Montana DNRC will host a presentation on the potential for cloud seeding in southwest Montana. Dr. Sara Tessoroff with the National Center for Atmospheric Research at Univ of Colorado in Boulder will present information on the science and practical applications of cloud seeding to enhance snowpack and water supply. She will also present preliminary results on the feasibility of implementing this technology in the Big Hole Watershed.

The 2023 Montana State Legislature provided DNRC funding to complete an analysis on the feasibility of winter-time cloud seeding to enhance mountain snowpack in southwest Montana. This presentation will provide information on the science of cloud seeding, basic methodology, preliminary results of the feasibility analysis in the Big Hole watershed, and potential next steps for the State to consider.

The meeting will be held on Tuesday September 17th at 6:30 pm at the Swysgood Technology Center in the Great Room at U.M. Western in Dillon.

You can also join the meeting remotely online at: https://mt-gov.zoom.us/webinar/register/WN_iSVbaUb5TDCxPeAkMZBgyw

Memories of a Good Man

I was blessed to have known Harvey Frank. We went together for seven years. Harv was a generous soul. You made my life so much better.

Harv had a life of service to the community.

I remember Harv being the head cook for the monthly American Legion meetings. I remember the monthly dinners in Butte with the Shriners.

Harv and I would go to the East West Shrine Games each year. We were in a different city. We were involved in the hospitality room during the weekend. Of course, there were the parades too.

I remember going to the music Festival in Butte and I almost walked into the newsman. We were famous and we were on TV.

We went to Great Falls to watch the Air Show. We went to the Sip and Dip Bar where we could watch the mermaids.

I remember a wedding we went to with dinner and dancing. Harv was a very good dancer at one time. Harv was in a square dancing club.

Harve came with me for my family gatherings. He was always there for me.

Harv took me all the way to Joplin, Missouri to see my brother, Gary Millhan and his girlfriend Barb Darden. My brother was fighting cancer before he passed away.

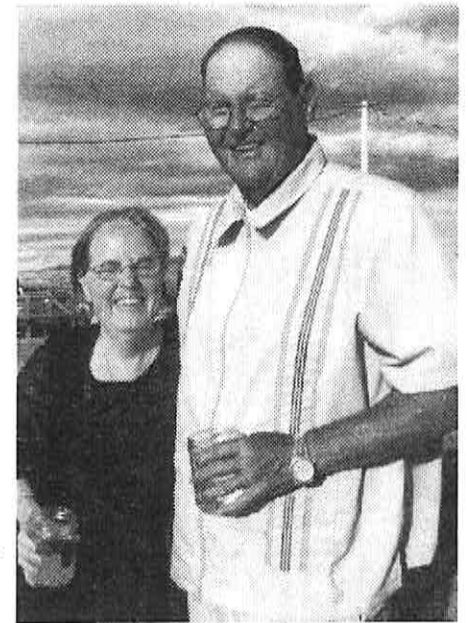

I had eye surgery and Harv was right there for me to get through it. When I was in a car accident he was there when he was contacted.

I was there for Harv going through Parkinson's. It is a horrible disease.

We were companions and shared the Toby dog. I have a part of Harvey with my Toby. I miss and love you so much.

Harv had many friends. It was a testimony of a life well lived.

Home School Students

As Beaverhead County's public schools move toward the first day of school, those parents who wish to home school their children are also preparing for the new school year. Parents must notify the County Superintendent of Schools (Mike Miller) that their child is (or children are) being homeschooled.

The mandatory information parents need to provide the Superintendent's office is (1) a written notice of the intent to home school and (2) the "Notification of Opportunity to Participate in Federally- funded Program" Form. These forms are available at the Superintendent's office, on the County's website, or may be requested through an email or phone call at 406.683.3737. The Superintendent's email address is mmiller@beaverheadcountymt.gov. These forms take approximately 5-6 minutes to fill out and can be completed right in the office.

Parents must file these documents as soon as possible, but certainly before 1 October 2024.

BARRETT
HOSPITAL FOUNDATION

Barrett Hospital & HealthCare is seeking a professional to perform activities as Executive Director of the Barrett Hospital Foundation.

The organization seeks invitations for applications to fill this important philanthropic role with a candidate who has experience managing fundraising and major gift programs. Reporting to the Chief Executive Officer (CEO), the Executive Director directs the management functions of the Foundation, including budget preparation, funds accounting and distribution of funds as approved by the Foundation Board of Directors. The Executive Director ensures that operational procedures and policies of Barrett Hospital & HealthCare and Barrett Hospital Foundation are followed. The Executive Director is responsible for prospect identification, donor cultivation, proposal development, major gift solicitation, donor recognition and coordination with the Barrett Hospital & HealthCare CEO, Barrett Hospital & HealthCare Board of Directors, and Barrett Hospital Foundation Board of Directors. The Executive Director positively represents and advocates for Barrett Hospital & HealthCare and its initiatives within the Dillon community and Beaverhead County.

For more information, please email careers@barretthospital.org.

Barrett Hospital & HealthCare is proud to be an Equal Opportunity Employer.

WORKWEAR

Take Hemp to Work

There's a reason why industrial hemp is the original work canvas. As a crop, it grows quickly with little to no irrigation, and can restore nutrients to topsoil. As a textile, it's durable, breathable and comfortable right off the shelf.

Come on down to the Patagonia Dillon Workwear Outpost, the largest selection of industrial hemp workwear under one roof.
