Clarence Koeplin

March 29, 1933 to Sept. 4, 2024

A Life Well Lived

Psalms 23:1, 4, 6

The Lord is my Shepherd; I shall not want. Even though I walk through the valley of the shadow of death... You are with me. I shall dwell in the House of the Lord, forever!

"Wow, what a promise from God."

Our Savior's Lutheran Church was the family of Clarence. He served as a Deacon, a Church Council member and shared Sunday messages when a pastor was not available. He loved to read Scripture on Sunday and every day. Leading and participating in Bible Studies invigorated him. You could often hear him exclaiming, "Wow" over one verse or another.

Clarence enjoyed time hiking, camping and being out of doors with his son, Jerry, and his daughter, Laurie. We all enjoyed taking field trips - trips out to the woods and around the back roads and scenic roads near Dillon. We were often together.

He is survived by his sisters: Janice in West Jordan, Utah, Wanda in Hartford, South Dakota, sister-in-law Ruth in Bremerton, Washington, many nieces, nephews, and cousins, as well as his son and daughter. In death, he was preceded by his beloved wife Margaret, his brother Marvin, his brothers-in-law: Chester (Janice), and Chuck (Wanda), and his parents Henry and Hulda Koeplin.

Services will be held Monday September 16, 2024 at 12:00, Noon, at Our Savior's Lutheran Church, 715 E. Bannack Street, Dillon, Montana. Interment will follow at Mountain View Cemetery, 934 Sweetwater Road. A reception will follow at the church.

Instead of flowers, contributions may be made to Our Savior's Lutheran Church or the charity of your choice. Dad will be missed by all who knew him.

Public comment being accepted on proposals for October 10 commission meeting

The Fish and Wildlife Commission is accepting public comment on agenda items for its Oct. 10 meeting. The meeting will be held at the Montana State Capitol in Room 102 and through Zoom.

Written comments can be submitted through Sept. 19 on the FWP website or sent to 1420 E. 6th Ave., Helena, MT 59601, Attn: Erik Wickman.

The following proposals are up for public comment:

- 2025-26 Fishing Regulations – FWP is proposing 48 regulation changes, and the rest of the regulations as written in the current 2024 regulation book, for the 2025-26 Montana Fishing Regulations. Additionally, five public regulation proposals are included that were identified during the public scoping process earlier this spring.
- Fall 2024-Winter 2025 Wolf Trapping Season Dates – These dates have not yet been set. FWP will announce these dates as they become available.
- Brogan's Landing Fishing Access Site Permanent Closure – FWP is proposing the permanent closure of Brogan's Landing Fishing Access Site as it cannot be rebuilt and current parking poses a safety hazard. The department will continue to explore other access options in the area.
- 2024 Public Use Rules Deviations – FWP is proposing readoption of the existing rule deviations and adoption of the proposed rule deviations as presented. In general, the proposed deviations accommodate unique local circumstances and support consistency and clarity regarding the opportunities and rules for specific sites. These define rules for fishing access sites, wildlife management areas and other FWP-owned public use sites.
- Intake Dam FAS Management Agreement – FWP is proposing to renew a no-cost Management Agreement with the Bureau of Reclamation. The agreement is for the management and operations of Intake FAS located 16 miles north of Glendive on Highway 16.
- Prairie Habitat Conservation Leases – FWP is proposing three additional 40-year term conservation leases for the Prairie Habitat Conservation Lease Program. These three additional 40-year term habitat conservation leases total approximately 20,009 acres. The lease agreements would be funded from a combination of Habitat Montana, Pittman Robertson, and other state, federal, or private sources as available.

For more information on these proposals, including supporting documentation and any collected public comment, visit the Fish and Wildlife Commission page on the FWP website.

Letter to the Editor
**County Commissioners took away the Right to
 Gift Property to a Family Members**
 The Montana 2023 Legislature, SB158, amended 76-3-207-MCA, the Gift to Family Exemption, increasing opportunities to use the Exemption. SB158 is a response to the EXTREMELY HIGH COSTS of property in Montana, so more Montana family members can own their own property. Now a division within a platted subdivision, for a Gift to family, is also exempt from additional subdivision review. But Beaverhead County commissioners have severely limited the right of Beaverhead County residents to use the Gift to Family Exemption. They passed regulation X1-C-1m i, a Gift to Family Exemption can not be used for a parcel that was created by an exemption. There is nothing in 76-3-207-MCA that restricts this. And if you still want to create a parcel for a family member the process is a Subsequent Minor Subdivision. The review fee is \$3,500 for 2 parcels; plus roads constructed or reconstructed to Beaverhead County Standards costing \$45,000 to \$100,000 or more. Beaverhead County also added an 18 month moratorium on selling the property; this was not in 76-3-207. Don't tell me that the Beaverhead County Commissioners are trying to help family members own their own home! SB158 added a 2 year moratorium on selling and a civil penalty of \$5,000, for each division of land, for using the exemption to evade subdivision regulations. This is more than adequate deterrent for evading subdivision review. After SB158 there is no justification for Beaverhead County to take away the right of Beaverhead County families to gift property to family members. This may be the only opportunity for a family member to own their own property in Montana. I ask the Beaverhead County Commissioners to please repeal county regulation X1-C-1m i.

Terminus Distilling Company Updates

Katrina & Derek Lewis

Building

As part of the construction process, we will connect the building to all utilities. We'll run water in from the city main and trench out to the sewer. Until electrical is sized and connected (all of the lines were cut at some point in the past), Derek will use a generator for power. We'll run natural gas for the boiler room (which will heat the still and mash tun). We look forward to the day when everything is installed and working.

Business / Community

This month, we heard back from both the TTB (who will issue our federal permit for a distilled spirits plant) AND the State of Montana (who will issue our domestic distillery license). Both wanted minimal paperwork supplements, meaning we're incredibly close to fulfilling their requirements. After that, our final sign offs will be local: building, health, and fire inspections. We have a lot of construction yet to finish, but it feels good to know we're getting closer.

We had a great time at the Dillon Farmer's Market today, kicking off Labor Day Weekend. Our ginger beer was a hit, and we were excited to pour into our new Terminus Yowlers (reusable 16oz glasses with beer growler caps). For those of you who purchased them, we'll treat them just like brewery growlers - now that you have the glassware, you only pay for refills. When we open, we'll use the yowlers to send customers home with ginger beer, shrubs, Bloody Mary mix, eggnog, and other delicious drinks.

Distillery

This month we have been narrowing down the bottle style for our spirits. Liquor is sold in milliliters - standard bottle size is 750ml. We're looking for something with a classic silhouette: straight sides, a curved shoulder, and easy to pour from. Our bottle distributor just sent samples of three designs and we're close to choosing.

Our slushie machines arrived! They will help us serve up alcoholic and non-alcoholic slushies when we open our walk-up window. Because the machines can also dispense cold drinks, we might use them to pour our house made Bloody Mary mix on Fridays and Saturdays.
