## Madge Leal

*May 30, 1943 — September 11, 2024*

Madge Leal of Lima, Montana passed away on September 11, 2024, in the presence of her loving family, after a brief struggle with cancer.

Madge was born May 30, 1943, in Oakdale, California to Don Carlos (Jake) and Florence Schofield. She was the youngest of five children and had two older brothers and two older sisters. Duane, Beatrice, Thomas, and Joan. At a young age she moved to Valley Falls, near Lakeview, Oregon, where she spent most of her formative years. She made great, lifelong friends with the other children in Valley Falls. She attended school through eleventh grade in Lakeview where she learned to play the clarinet, she babysat her nieces and nephews and even found herself in the try-outs for Rodeo Queen one year.

Madge graduated from High School in Oakdale, California after her family moved there to take care of her maternal grandfather. Later she attended Brigham Young University, where she earned an Associates Degree in Secretarial Studies. She was rewarded later in life for her ability to type over 80 words per minute and her skills in shorthand. After she graduated from BYU, she moved to Sacramento, California where she worked for Governor Ronald Reagan and the State of California. While attending church, Madge met the love of her life, Forrest Loyd Leal Jr. On July 3 rd 1963, they were sealed for time and all eternity in the Salt Lake City Temple. They lived in the Sacramento area for the next few years, where three of their four children were born. Eric, Kevin, and Nadine. In 1971, the family purchased a ranch and moved to British Columbia, Canada near Madge's mother and uncles. Shortly after, their fourth child, Jacob was born. In 1978, the family moved to Elgin, Oregon where all her children attended high school. After the children were grown, Madge and Forrest lived in Oregon City, Oregon, Rogue River, Oregon, and for the last 22 years, Lima, Montana.

Madge and Forrest had the wonderful opportunity of serving a full-time mission for The Church of Jesus Christ of Latter-Day Saints in Nauvoo, Illinois where they spent many hours every day sharing their testimonies of the restored gospel of Jesus Christ through singing, dancing, and giving tours.

Madge made lifelong friends everywhere she lived. She was a devout member of the Church. She patterned her life after the Savior, and she devoted herself to service. She always put the needs of others above her own. Her life was centered around her family, who all loved her dearly.

Madge is preceded in death by her parents and her four siblings.

Madge is survived by her husband Forrest; her four children Eric (Laurie) Leal - Central Point, Oregon, Kevin (Tanya) Leal - Shelley, Idaho, Nadine (John) Stosich - Lima, Montana, Jacob (Gloria) Leal - Shelley, Idaho; 25 grandchildren and 19 great-grandchildren.

Memorial Services will be held for Madge on Monday, September 23, 2024, at the Church of Jesus Christ of Latter-Day Saints in Lima, Montana. The services will begin at 11:00am with a viewing at 10:00am.

Interment will be in the Lima Cemetery with a luncheon immediately afterward at the church.

## Doreen Mayn

March 26, 1959 — September 13, 2024

It is with heavy hearts that we announce the passing of our beloved wife, mother, grandmother and dear friend, Doreen, on September 13 th , 2024, at the age of 65.

Doreen Lillian Larson Mayn was born on March 26 th , 1959, to Roy and Eleanore Larson in Des Plains, Illinois. Doreen was the third eldest of 6 children, Sherrie, Kathy, Sandy, Nadine, and Sven. Doreen's favorite place to visit was her family's cherry orchard in Door County, Wisconsin, where she and her siblings would wake to their grandpa yelling "daylight in the swamp". She spent her summers helping to pick cherries but more often than not, would end up in a sticky cherry fight with her siblings Kathy and Sherrie. They earned their money to buy their school clothes and indulge at Sturgeon Bay and the county fairs. The family moved to Steamboat Springs, Colorado in 1972 to the family's newly built ski lodge. Many days were spent on the famous ski hills. As a teen, Doreen loved dancing and any chance to get out and have fun. She loved working at Harwigs where she developed her style of country western.

Doreen met her first husband, Joe Pierce, in 1975 and married February 12 th , 1977. They soon welcomed their three children, Jeremy, Sadie, and Colt to their family. She was the best mom. She was always involved in her kids' schooling and sporting events. Any day taking her kids and their cousins to the pool, lake, river, or camping was a good day. She and her sister-in-law, Toni, were partners in crime, always finding new ways to entertain the kids and gather the families for a party.

Doreen later married her forever love, Jack Mayn, on November 3 rd , 2005, in an intimate wedding in Las Vegas where she and Jack shared their vows to each other, and Jack loving sang

"Making Memories of Us" by Keith Urban to her. The two joined together, combining 10 children, 25 grandchildren and 4 great grandchildren. She famously became known as Grandma Dodo. Dodo had an infinite amount of love for her grandkids and made every effort to be a part of all their lives from attending their concerts, sporting events, birthdays, weddings, and graduations. Dodo loved to make meals for her family and was always prepping meals for their visits. She could always be counted on for her manicotti and chicken enchiladas. You never left her home hungry. She loved the water from boating, floating or a swimming pool but her favorite was the warm tropical beaches where she and Sadie spent several long hours enjoying each other's company.

Doreen and Jack looked forward to spending their winters in El Centro, California where they grew their family even larger with their Rio Bend community. The quick trips to Mexico and nights surrounded by friends playing games and a beer or two, made their winters even more enjoyable. What they looked forward to most was golfing their days in the warm weather. Doreen was a part of many golf leagues and proudly boasted that she was a better golfer than Jack and Jack would agree.

Doreen will be remembered as a fighter. Anyone that was fortunate enough to know her, knew she was the toughest woman on this earth. She fought more battles than any one person should ever have to fight. She battled with grace, grit, and determination. She never wanted any of us to worry over her.

She is now resting peacefully with the Lord.

Doreen is proceeded in death by her father, Roy Larson, mother, Eleanore Larson, and her sister, SherrieKeller.

Doreen is survived by her husband, Jack Mayn; son Jeremy Pierce (Liz) of Harlowton, MT; daughter Sadie Moe (Nels) of Fairfield, MT; son Colt Pierce of Helena, MT; son Cole Mayn (Karin) of Corvallis, MT; daughter Amanda Hanson (Troy) Pollock, SD; daughter Amy Porter of White Sulphur Springs; daughter Jennie Ower (Jeff) of White Sulphur Springs; daughter Tracy De Jesus (Angel) of Oklahoma City, OK; son Philip Wipf of Bozeman, MT; daughter Lindy Ruscitti (Christian) of Happy Valley, OR; sister Kathy Sierra (Ricardo); sister Nadine Sisto; brother Sven Larson (Patti); numerous nieces and nephews, 25 grandchildren and 4 great grandchildren. She shared a special bond with her grandson, Chase, and her granddaughter, Tapanga, that will be cherished forever.

Services will be held on Thursday, September 19 th , 2024, at Brundage Chapel in Dillon, Montana at 1pm.

Graveside services will be held at the Mayn Cemetery in White Sulphur Springs, on September 20 th at 1pm with coffee hour to follow.

## UMW Receives $500,000 Donation from AgWest Farm Credit to Launch Farm & Ranch Management Degree

The University of Montana Western has received a generous $500,000 donation from AgWest Farm Credit to help fund the development of a Farm and Ranch Management degree. This significant contribution marks the first step toward creating the program, which will support future generations of agricultural professionals in the region.

UMW's new Farm and Ranch Management degree is designed to equip students with the skills and knowledge needed to thrive in today's evolving agricultural landscape. The program aims to address the growing need for well-trained farm and ranch managers and industry leaders by providing students with hands-on experience and instruction in sustainable practices, financial management, and innovative technologies.

The University of Montana Western currently offers a Farm and Ranch Operations minor under its Business Administration major. Since its launch in 2019, the minor has seen a notable increase in both interest and enrollment. Given this growing demand, along with Beaverhead County's status as one of Montana's largest agricultural producers, UMW is confident in the success of the new Farm and Ranch Management major.

The program will be a crucial addition to UMW's offerings and to the State of Montana. Megan Shroyer, AgWest Farm Credit's Montana President, emphasized the importance of attracting students from small, rural communities who have a passion for agriculture and developing them into future leaders.

"The future of Montana's agriculture depends on educating, developing, and inspiring today's youth. We want to help the next generation develop leadership skills and agricultural knowledge, so they can champion Montana agriculture in a multitude of roles for years to come," she said.

The program will serve as a vital pipeline for local and regional agriculture, supplying the industry with qualified leaders prepared to tackle the challenges of modern farming and ranching.

"The launch of our new Farm and Ranch Management degree is a significant step forward for the University of Montana Western and the region we serve. Agriculture is at the heart of our community, and this program aligns perfectly with both the needs of the industry and the academic aspirations of our students," said UMW Chancellor Michael Reid. "AgWest's generous $500,000 gift allows us to build a strong foundation for this program, and we are excited to partner with them as we work toward establishing a $2 million endowment for faculty, ensuring long-term success and regional impact."

To lead this exciting new program, UMW is actively searching for an Assistant or Associate Professor with expertise in agricultural sciences to

head the Farm and Ranch Management degree. This role will be critical in shaping the curriculum, building industry partnerships, and ensuring the program's academic success. The university hopes to secure the additional $1.5 million by the end of 2024 to fully endow the professorship position.

The University of Montana Western expresses its sincere gratitude to AgWest Farm Credit for their generous contribution, which has helped turn the vision for this new program into a reality. As a leading financial institution serving agricultural and farming businesses, AgWest Farm Credit has a longstanding commitment to supporting U.S. agriculture and rural communities, and Montana Western is proud to partner with them on this exciting opportunity.

With additional funding still needed, the UMW Foundation invites other potential donors, industry partners, and community members to join in supporting the creation of this program. For more information on how to contribute, visit https://www.umwfoundation.org or contact Roxanne Engellant, Executive Director of the UMW Foundation, at 406-683-7305 or roxanne.engellant@umwestern.edu.

## 3 Rivers Back Country Horsemen Enhance Trailheads

On September 9 & 10 members of the local 3 Rivers Chapter of Back Country Horsemen in conjunction with a crew from the Dillon Ranger District installed horse hitch rails at the southern end of the Ranger District. The trailheads served were Trail #1040 in the Middle Fork of Little Sheep Cr.; the Continental Divide National Scenic Trail (CDT), Trail #1511 at the Sawmill Cr. trailhead, and the CDT and Trail #1113 at the Shineberger Cr. camping area approximately ¼ mile from the trailhead. Here the camping area was chosen due to limited turnaround space at the trailhead. Two metal hitchrails were installed at each location. The rails were cemented in the ground for permanent installation. We were able to do the Middle Fork of Little Sheep Cr. and Sawmill Cr. installations on the 9th. Some members camped out that night at the Shineberger Cr. camping area. We got an early start on the morning of the 10thand did the installation here. The project was completed and everyone was headed home by noon. We express our thanks to Mia, John, and Jarid, the Recreation crew from the Dillon Ranger District, for their assistance. They certainly made the work go well.

If you are interested in helping with these kinds of horseman-oriented projects and doing some trail rides please contact us at 406-681-3131. Our monthly meetings are the first Tuesday of the month at 6:30PM alternating between the Search and Rescue Building in Dillon and the Senior Center in Twin Bridges. Our next meeting in at the Twin Bridges Senior Center on October 1.
