BEAVERHEAD COUNTY HIGH SCHOOL INNOVATIVE EDUCATIONAL TAX CREDIT

What it is:

The Innovative Educational Tax Credit program was created through House Bill 279 during the 2021 Legislative Session as an effort to provide an opportunity for private donations to supplement public school funding. Montanans receive dollar-for-dollar credits on their state income taxes for donations made to public school districts.

Who receives the money:

The school district you choose receives the money directly

The process:

- Generally, the window opens in January, but this is for donations that have been returned, totaling \$227,001
- Individuals take their information (listed below) and money to the school
- At 9:00 am on October 2nd, the school official enters the donations they have received on the Education Donation Portal
- The 227,001 dollars are first-come, first-serve across the state
- If your credit is approved, you will receive a donation receipt from the Montana Department of Revenue
- The school district can use the money for: transformational learning; advanced opportunity; any program, service, instructional methodology, or adaptive equipment used to expand opportunity for a child with a disability; any courses provided through work-based learning partnerships or for postsecondary credit or career certification; technology enhancements; capital improvements and equipment necessary to support innovative educational programs

Deadline:

September 27, 2024

How to donate:

- Bring your donation to Beaverhead County High School prior to September 27, 2024
- Provide the following information:
 - a. Last four digits of Social Security Number or Federal Employer Identification Number
 - b. Name
 - c. Mailing & Physical Addresses
 - d. Email Address

From The Beaverhead County Election Office

On Friday, September 13th, the Election Office mailed out new "Voter Confirmation Cards" to the registered voters in Beaverhead County. With the redistricting that took place in 2023, the House District changed from number 72 to 70 and the Senate District changed from 34 to 35. The confirmation cards that you receive in the mail will reflect those changes.

*Please note that these are the same districts that you voted on in the 2024 Primary Election. The changes to the house and senate districts were made prior to the primary election.

If you have any questions, please call the Election Office at 683-3720. *Stacey Reynolds*

Secretary Christi Jacobsen Issues Statement

Montana Secretary of State Christi Jacobsen issued the following statement following the decision from Montana's Supreme Court:

"I'm pleased that the Supreme Court unanimously rejected this hail mary attempt to undermine Montana election law. From the start, this lawsuit was a baseless political game from Washington elites that showed complete disrespect for Montana and our election officials."

The Secretary of State's Office followed the law and certified the 2024 General Election ballot by the deadline. State and local election officials look forward to serving voters across the state this fall.

FWP looks for information on illegal killed bull elk

Montana Fish, Wildlife & Parks is asking for help in finding the people responsible for killing a bull elk in Tizer Basin south of Helena.

The bull elk was killed and the antlers removed. The rest of the animal was left and wasted. The elk was killed using a firearm during archery season.

The crime happened during the nighttime hours of Sept. 14.

Tizer Basin is in hunting district 380, which is managed by FWP for older bulls and branch- antlered bulls. The hunting district can be hunted by permit only. It's a

permit that is one of the hardest to draw in the state.

Anyone with information on this crime, should contact TIPMONT. You can do this online at tipmont.mt.gov. You may be eligible for a cash reward of up to \$1,000.

Veteran's Corner Update

By Mike Lawson

Greetings. My wife and I flew in from St Louis on Sunday. It was good to get home and sleep in our comfortable recliners. The reason for the trip was to go to the National Toy's For Tots Training Seminar, in St Louis, Missouri. The TFT Campaign across the US is divided into 7 Regions. Our Butte TFT Campaign was selected as the best Region 7 TFT Campaign for 2023. I was privileged to receive Region 7 Coordinator of The Year. It was through the hard work of my staff of volunteer workers and all of you throughout our Campaign area who helped by donating toys, money and enthusiasm. We cover Butte, Dillon, Ruby Valley, Whitehall, Harrison and all areas in between. On a national basis the Toys For Tots Program had another record breaking year. All the 800 plus TFT Campaigns working together, delivered an unprecedented 22.5 million toys, books, and other gifts to 10.3 million children in need.

Veteran News Updates:

- If you are a Veteran or you know a veteran that is facing a home foreclosure, the VA has a program called VA HOME RETENTION WATERFALL APPENDIX F located in the VA Service Handbook M26-4. Appendix F. See your Veteran's Representative and get help.
- Veteran Suicide is critical across the country and especially here in Montana. I was glad to read the latest in Jon Tester's efforts in securing \$2.15 million in grant funding to three Montana organizations working to end veteran suicide. This was awarded, by the VA, under the "Sergeant Parker Gordon Fox Suicide Prevention Grant Program. Created under the Senator's landmark "Commander John Scott Hannon Veterans Mental Health Care Improvement Act (Hannon Act)" to provide federal funding for local suicide prevention programs. Tester secured funding for the following: 1) \$750,000 for Volunteers of America Northern Rockies, serving all counties in Montana. 2) \$750,000 for Adaptive Performance Center in Billings and Helena. 3) \$650,000 for the Great Plains Veterans Service Center based out of Rocky Boy's Indian Reservation. If you or someone you know is thinking of committing suicide, contact the Veterans Crisis Line and get free confidential support and crisis support. Dial 988, 24 hours a day, 7 days a week, 365 days a year. VeteransCrisisLine.net/Chat or text 838255.
- Montana trust in Montana VA Health Care System continues to rise at 89.6 percent. I am part of that number, being a DAV Driver/Coordinator and seeing the VA in action for our Veteran riders as well as myself. I believe and advocate for the VA and hear it said numerous times from our Veterans we take to their medical appointments "Thank God we have the VA."

Pheasant Release Info

The Beaverhead Chapter of Pheasants Forever #0862 in collaboration with Montana Fish, Wildlife and Parks recently released several dozen pheasants on state lands directly West of mile marker 61 E on I-15 between exits 62 and 59.

This release should greatly improve the chances for our local youth to bag a pheasant during the early youth hunt on September 21 and 22.

For more information on the youth early pheasant hunt contact the Montana Fish, Wildlife and Parks website
