The Giving Tree

The Giving Tree gang is getting overwhelmed with the magnitude of the project. We are looking for an organization or church (or an individual with time & energy & a lot of friends) that would like to take the Giving Tree and continue it into the future. We would love to work with someone this year to show them our system, and then hand over the reins! We start working on the Giving Tree November 1- so you have time to think about it, talk around, and come up with a plan. This is a wonderful asset to our Community and a very rewarding community service. Call Gail at 406-660-2528 to find out more

**Montana Land Board approve
historic oil and gas lease sale**

Secretary of State Christi Jacobsen and the State Board of Land Commissioners (Montana Land Board) approved a historic oil and gas lease sale during Land Board meeting.

The oil and gas lease sale was part of an agenda that generated estimated revenue of nearly \$4 million for Montana schools.

"I'm proud to support generating historic revenue for our Montana K-12 schools," said Secretary Jacobsen. "Thank you to the DNRC (Montana Department of Natural Resources and Conservation) for maximizing revenue potential on our state trust lands."

The oil and gas lease sale was conducted via an online auction from August 29 to September 4. The sale consisted of four tracts in Pondera, Richland, and Toole counties and generated \$2.85 million for the Montana Common Schools trust, the most from a single sale since 2012, according to the DNRC.

During the meeting, Land Board Commissioners also approved a timber sale in western Montana and various easements across the state.

More information about Montana's state trust lands can be found on the DNRC website.

Minor Injuries Reported After Crash on Highway 43

Another crash occurred on Highway 43 at mile marker 49, prompting a swift response from Wisdom Fire and Ambulance as well as Anaconda Ambulance. This section of Highway 43 is located in Deer Lodge County.

Fortunately, the driver involved was wearing his seatbelt and escaped the incident with just a minor scratch. The 19-year-old driver reported that he fell asleep at the wheel, which led to the accident.

Emergency responders assessed the situation, and despite the potential for serious injury, the driver was able to walk away from the crash unharmed. Authorities are reminding all drivers to stay alert and well-rested while on the road to prevent similar incidents.

The Church of Jesus Christ of Latter-day Saints Provides 40 Pallets of Food to Food Pantries in Southwest Montana

The Church of Jesus Christ of Latter-day Saints has generously donated 40 pallets totaling approximately 66,000 pounds of food to five local food pantries serving communities across Southwest Montana. This donation comes as part of the Church's ongoing commitment to support those in need and to address food insecurity.

The donation included non-perishable items such as canned vegetables, pasta, rice, flour, peanut butter, soup, milk and other essential staples. The food was distributed to the following food pantries:

1. Butte Rescue Mission
2. Beaverhead Community Food Pantry
3. Headwaters Area Food Bank
4. Deer Lodge Food Pantry
5. Ruby Valley Food Pantry

"These resources are truly a lifeline for our community and the Butte Rescue Mission. This year, the Butte Rescue Mission has served more meals than last year, and the rising cost of food has made it increasingly difficult to keep up. This shipment arrived at a crucial time. We've partnered with the Butte Emergency Food Bank to ensure that not only the unhoused population has food to eat but everyone in our community has access to adequate food," said Brayton Erickson, Executive Director of the Butte Rescue Mission.

The Beaverhead Community Food Pantry's clientele has grown more than 21% in the past year to more than 130 households per week. Roughly 55% of those clients are over 55 years old with very limited incomes.

"The cost savings will allow us to focus some of our funds on fresh produce, dairy and protein products," said Carolyn Dillon of the Beaverhead Community Food Pantry. "We are also able to service other non-profits with this donation, such as the Senior Center and the Backpack Program, which provides school-age children with backpacks of food before weekends or holidays to ensure they will have enough to eat."

"The Ruby Valley Food Pantry is incredibly grateful for such a generous donation," said Kelsie Tate, President of the Ruby Valley Food Pantry, which serves 25-30 families and more than 225 individuals monthly. "This donation will allow us to free up funds for different products and helps to ensure we can keep our doors open."

The Church's humanitarian efforts are part of a global initiative to care for those in need, regardless of faith or background. These contributions are made possible through the donations of Church members and others who contribute to the Church's humanitarian funds.

For more information about The Church of Jesus Christ of Latter-day Saints and its humanitarian efforts, visit www.churchofjesuschrist.org.

Baiting and feeding deer and other game animals in Montana is illegal
Though bait products are available, they cannot be used for hunting
 Montana Fish, Wildlife & Parks game wardens want to remind hunters and homeowners that baiting deer and other game animals for hunting purposes and/or purposely feeding game animals in Montana is illegal.
 Many sporting goods stores in Montana offer feed, supplements, and other baiting attractants that are targeted to these various game animals. Although it is legal for vendors to sell these attractants, it is not legal for Montanans to use them for hunting purposes.

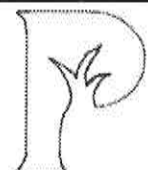

Montana to receive \$900,000 settlement from unclaimed property dispute with Delaware
 Attorney General Austin Knudsen announced that Montana will receive over \$900,000 in a multi-state settlement, ending the outstanding damages phase of an unclaimed property dispute with Delaware.
 The dispute originated after states discovered Delaware was misapplying federal law in advising MoneyGram Payment Systems, Inc. ("MoneyGram") to allocate unclaimed official checks to Delaware instead of back to the states where those financial instruments were purchased. In 2023, the U.S. Supreme Court unanimously ruled in favor of Montana and its 29 other coalition partners, holding that unclaimed official checks issued by MoneyGram, which is headquartered in Delaware, are governed by the Federal Disposition Act, which states that the unclaimed property in question should be transferred to the state it originally came from.

Montana will receive \$901,528 of the total \$190 million multi-state settlement that will be directly deposited into the state's general fund.
 Under the terms of the settlement, Delaware will transfer more than \$102 million of the property that MoneyGram reported to Delaware from 2011 to 2017 to the coalition states, based on each monetary instrument's place of purchase.
 The coalition states will receive nearly \$55 million, plus earned interest, from the escrow account.
 The settlement agreement ends the outstanding parts of the ongoing litigation before the U.S. Supreme Court.

The Beaverhead County ACEs Task Force wants you to know that children who grow up in a household with a family member with mental illness or depression can experience confusion, fear, anxiety, and stress. But one committed, caring adult can help a child build resilience and find success. Be that adult! Healthy families build strong communities.
