## Mark D. Malkovich July 7, 1966 - September 30, 2024

It is with heavy hearts that we announce the passing of our beloved father, grandfather, and son, Mark D. Malkovich, on September 30, 2024, at the age of 58.

Mark was born on July 7, 1966, in Butte, Montana, to Sue and Nick Malkovich. He was the third of four children, with siblings Steve, Pam, and Gregg. At a young age, Mark moved to the Big Hole Valley, where he quickly realized

this would be the place he would call home for the rest of his life. He graduated from Beaverhead County High School in 1984.

Mark married Brenda Boyce, and together they had three children: Kyle, Kateland, and Klint. He loved working on the ranch and had a deep passion for working cattle. As his family grew, Mark's grandchildren became the center of his world. He cherished every moment spent with them, whether it was taking Ranger rides or going on family trips to places like Lagoon and Bear World. He always said you couldn't spoil them enough, and his time with them was filled with joy.

Known for his friendly nature and generosity, Mark made countless friends throughout his life, leaving behind many wonderful memories for all who knew him.

Mark was preceded in death by his father, Nick Malkovich; his cousin and best friend, Dean Johnson; and many other beloved family members.

He is survived by his mother Susan and father Joe Johnson of Jackson, MT; his children, Kyle (Cali) Malkovich of Jackson, MT, Kateland Malkovich (Ben Stein) of Jackson, MT, and Klint Malkovich of Worland, WY; his siblings, Steve (Nadine) Malkovich of Wise River, MT, Pam (Kelly) Wooley of Kennewick, WA, and Gregg (Laura) Malkovich of Fallon, NV; and his treasured grandchildren, Emma, Ryland, Riker, Ridge, Ryeitt, and Riggs. Mark is also survived by numerous cherished nieces, nephews, and loved ones.

Mark's memory will live on in the hearts of all who knew him.

A Celebration of Life will be held on October 5th at 2 p.m. at the Jackson Hot Springs Lodge. All are welcome to attend and share in remembering Mark.

In lieu of flowers, please consider making a donation to the Jackson Volunteer Fire Department in Mark's honor.

**Bicentennial, Incorporated Grants**

Bicentennial, Incorporated is now accepting grant applications from non-profits in Beaverhead County and the Ruby Valley; the deadline is November 1. Applications will be available by contacting board member Fred Morgenthaler at fmorgenthaler@qwestoffice.net.

There are two categories of grants. Category 1 is for grant requests up to \$3000. The second category is for grants above \$3000. Category 1 has a simplified application; the application for grants ranging from \$3000 and above is more extensive.

Bicentennial, Incorporated was established following the sale of the Bicentennial Apartments, and since then has awarded grants to non-profits which meet the vision of the mission statement. The mission statement of Bicentennial, Incorporated is to provide support for services that will enhance and improve the lives of senior citizens in Beaverhead County and Ruby Valley in Madison County.

The Bicentennial Apartments were built in 1976 to provide safe, affordable housing for senior citizens, and following the completion of the building, the board began donating, in lieu of taxes, to various entities which provided services for the Bicentennial residents, as well as other seniors in the area. The spirit of giving back in order to help senior citizens maintain a quality lifestyle has been carried forward by the board of Bicentennial, Incorporated. Current board members include Fred Morgenthaler, Marlene Stonelake, Robyn Walker, George Warner, Jim McIsaac, Kelly Taylor, Shirley Midlestadt, and Harriet Chambers.

For the past two years the board has sponsored a dinner, which is free to all senior citizens in Beaverhead County and the Ruby Valley. The dinner will be on December 7 this year. The grant recipients will be announced at that time.

Some staffers relish the balancing act of celebrating their community's growth and progress while keeping alive time-honored traditions. ("Former opponents of the 2021 zoning variance are singing a new tune. The new \$100 million AI facility can – in a matter of seconds – reroute rush hour traffic, schedule ESL instructors, compile a list of villagers who need to be burned at the stake for witchcraft...")

Me? I have a day job outside the journalism field, but I subject y'all to these weekly musings because sometimes the voices in a person's head just demand to be committed to ink and paper.

Put that in your pipe and smoke it.

("Dude...did you hear that? Maybe there's still hope for the Tribune and Intelligencer. Plus, I heard something about a SCOOP...")

## Attorney General's Office secures guilty plea from man connected to previously missing Arizona teen

A Montana man linked to a previously missing Arizona teenager pleaded guilty in Hill County District Court to one count of sexual abuse of children after authorities found child sexual abuse material on his cell phone last year, Attorney General Austin Knudsen announced.

Edmund Davis, 37, admitted to possessing child sex abuse material on his electronic devices. A review of the content determined the individuals depicted to be under the age of 13, with two images of children under the age of 5, including images of infants and toddlers and other computer-generated or animated content showing children being sexualized.

The devices were discovered in July 2023 when the Havre Police Department served a search warrant on Davis's apartment after learning that a woman, who went missing from Glendale, Ariz. as a 14-year-old in 2019, was living there. When she answered the door, officers observed Davis in the kitchen behind her throwing a cellphone into a trash can and placing items on top of the phone as if to hide it.

The phone and other electronic devices found during the search were transferred into the custody of the Division of Criminal Investigation Computer Forensics Unit in Helena. DCI agents then obtained a separate search warrant for the electronics and identified a known child sexual abuse material photo series and other evidentiary images.

The sentencing hearing is scheduled for December 16, 2024.

**Secretary Christi Jacobsen thanks law enforcement after suspicious mailing**  
 Montana Secretary of State Christi Jacobsen thanked law enforcement after a suspicious mailing was intercepted before being delivered to the Montana State Capitol.  
 Over the past couple of weeks, suspicious packages were delivered to election offices across the country, while several others were intercepted before delivery. The similar mailing intended for the Montana Secretary of State's Office was intercepted last week.  
 "I'm grateful to our law enforcement partners for their work protecting our team of husbands and wives, sons and daughters, who are committed to serving Montanans," said Secretary Jacobsen.  
 The FBI and U.S. Postal Inspection Service are investigating the mailings.

## Veteran's Corner Update #276

By Mike Lawson

Greetings to all of you who read my articles.

Veteran News Updates:

• The Montana VA has launched it's Flu vaccination campaign as of Oct. 1. This is a statewide launch that Veterans who are enrolled with VA healthcare can get their shots at their VA primary care sites across the state. In SW Montana the VA CBOC clinics are in Butte and Bozeman as well as at Fort Harrison. The other option is getting a no-cost flu vaccine closer to home at a in-net community care provider. To find one of these locations that's close to your home, search by entering in your home zip code in the drop-down menu of the VA locator (<https://www.va.gov/find-locations>).

• The Montana VA Health Care System is expanding healthcare services at the Butte VA Clinic and the Travis W. Akins VA Clinic in Bozeman. These services will include the addition of Physical Therapy and Audiology at both locations. To get an appointment for either service, call 406-447-6769.

• I always like to remind people that Montana VA serves over 49,000 enrolled Veterans across Montana—an area of roughly 147,000 square miles in size. Veterans are cared for by a staff of 1,400 at 18 sites of care across the state. One third of Montana VA employees are Veterans.

• The VA tele-emergency care (tele-EC) is now available nation wide, a step that increases timely access to virtual emergency care options for Veterans enrolled in VA health care. "Veterans can now be evaluated for possible emergencies from the comfort of their own home" according to the VA Under Secretary of health. Sometimes a person is not sure if they are experiencing a minor emergency or not and tele-emergency care can help resolve those questions. For more information call the VA Health Connect, through the VA Health Chat app.

Our Funeral Honor Guards continue to be there for our veterans who are leaving us through death. I just lost a cousin who served aboard ship off the coast of Vietnam in the 1960s. He was a year older than myself. His death makes me realize that, for many of us of that era, our days are numbered. Honoring our veterans who are leaving us is a special moment for their families. I know when it's my time to be buried, this veteran's ceremony is my request. It's wise to let your family know beforehand.
