Garth Alan Elser (Bum Bum)

March 11, 1959 – September 16, 2024

Born and raised in the Heart of the Ruby Valley, Sheridan,

Montana, Garth was focused on agriculture and ranching. As a young boy, he only wore blue jeans, western shirts with snaps, cowboy boots and cowboy hats. He rode an All-American pony named Joker. He worked with his dad in the fields, and helped with the sheep, cattle, and pigs. Garth became involved in 4-H and FFA, showing cows and pigs at the Madison County Fair. He won Grand Champion

showmanship with his pet pig.

After graduating from Sheridan High School, he continued working at the ranch. Garth had the opportunity to drive semis with the Montana Livestock Auction hauling cattle and traveling in and out of state.

Garth moved to Butte to be closer to his work. He continued working for MLA for years and eventually started his own business hauling livestock. He was passionate about agriculture, and very knowledgeable about cattle. His best cow dog, Ozzy, accompanied Garth in most of his travels. He also cherished his relationships with all his friends, family, neighbors, and fellow cattlemen. Garth never forgot a name or face. He had a great gift for remembering everyone he met. Garth was kindhearted and would do anything for anyone. Garth loved people no matter their age and they loved him too. If he knew you, you became his friend. He kept track of all his relationships. Garth attended more funerals, celebrations, and activities than the average person. He made special trips to the nursing home to visit his longtime friends. Little kids were like magnets, drawn to him. He always had time to talk and listen to you. Garth was a perfect example of what all of us should be. He continued helping others until the end. His corneas were donated through the Lions Club.

Garth spent quality time with his mom, Bonnie. He took good care of her and stayed with her often. He continued to help his sister, Paula, and her husband John, on the ranch. Garth was active in the Bagdad Shriners with his brother Kelly (Lisa). He maintained a close relationship with his sister, Kathy. He was fondly referred to by Candace and Paul as Uncle Bum Bum and always supported them through their endeavors. Garth had a special relationship with his dear friend Liza. He proudly watched his goddaughter, Madison growing up. Garth never missed a visit with his aunt, Ella Rae (Andy).

Garth was a long-time captain of the Shriners Janizary

All Star Band Kids!

Just wanted to pass on that we had six band students selected for the All Star Band Festival in Missoula this November! Students are nominated by me, and are chosen based on their musical resume, including things like their festival scores, past participation in All State and All Northwest, and their contributions to the Band program during their time in high school. They will be performing in three ensembles with kids from multiple states under the direction of University of Montana faculty and guest composer Steven Bryant. They will also get to spend third quarter of a Grizzly game with the Marching Band!

CALENDAR SUBJECT TO CHANGE**Future Fisheries Improvement Program**
grant deadline is November 15

Montana Fish, Wildlife & Parks reminds landowners, watershed groups and others that this winter's deadline to apply for Future Fisheries Improvement Program (FFIP) grants is Nov. 15. Approximately \$400,000 is available for the winter grant cycle.

The goal of FWP's FFIP is to restore rivers, streams and lakes to improve Montana's wild fish habitat. Entities can receive funding for qualifying projects that benefit Montana's wild fish. Projects can be located on private or public property, but must benefit a public fishery. Each project is assessed by an independent review panel and final funding decisions are made by the Fish and Wildlife Commission.

To learn more about the program, and to download the grant application form, go to the FFIP website at fwp.mt.gov/ffip, email FWPFFIP@mt.gov or call the fisheries division at 406-444-2449.

Completed FFIP applications must be received on or before 11:59 p.m. on Nov. 15 and should be sent electronically to FWPFFIP@mt.gov. Paper applications can be sent to Montana Fish, Wildlife & Parks, Fisheries Habitat Bureau, P.O. Box 200701, Helena, MT 59620-0701.

No. 19 Bulldog Volleyball Picks Up 3-0 Sweep Over RV Carroll College

The no. 19 ranked Montana Western women's volleyball team (11-5, 3-3) got a win over the visiting RV Carroll College Saints (12-4, 2-4) in a 3-0 sweep.

Jazi Smith led the Bulldogs with an impressive double double. She went on to rack up 15 kills and 10 digs in the match.

"It was a great team win tonight. Our defense did a great job just working together. Not only backing each other up in the back court, but also our blocking and setting up real solid," Head Coach Katie Lovett said. "Our serve receive and our defense gave us great options on offense and they definitely took advantage of it. The team played awesome."

How It Happened

After battling for ground early in set one, the Fighting Saints were the first to grab momentum and take a 17-14 lead over the Bulldogs. Down two, Kelsey Goddard helped the Bulldogs to a 5-0 run, serving Western to a 21-18 lead. Back-to-back kills from Jordan Olson and Peyton Vogl gave UMW the fire they needed to close the set 25-20.

Montana Western stayed one step ahead of Carroll for much of the second set, riding behind the powerful arm of Smith from the outside. Smith would rack up six kills for the Bulldogs on their way to a 25-20 set two victory.

It was Smith once again who got the Bulldogs out on the right foot in the third frame, adding two kills on their way to a quick 4-0 lead. After running on a 7-0 scoring run that saw a pair of kills from Maxine Hoagland, the Bulldogs would take a 20-12 lead. Carroll made a late push, running on a 5-1 run to close the gap. Western ultimately won the final frame by a score of 25-19 as Olson and Vogl put an exclamation mark on the win with a big block on the outside.

Notables

- Montana Western is now 5-1 in the last six matchups with the Saints, dating back to the 2022 season.
- The Bulldogs outlit the Saints .198 to -.016 in the matchup.
- Vogl had a solid night, totaling nine kills and three blocks.
- Madisyn Frazier led the Bulldogs in the back row with 21 digs.

Pheasant hunting season to open October 12

Pheasant season opens on Saturday, Oct. 12. This fall, Montana Fish, Wildlife & Parks will release nearly 18,000 birds on wildlife management areas, fishing access sites and some school trust lands around the state.

This is the third year of the annual pheasant release program. In 2022, the Fish and Wildlife Commission approved the release of up to 50,000 pheasants annually on FWP WMAs through 2026. In 2021, the Legislature authorized spending up to \$1 million each year for the program.

The purpose of the program is to get new hunters out in the field and have success early to encourage future hunting and participation in conservation around the state. In Montana, like other states, fish and wildlife conservation is funded primarily through license dollars. Hunting and fishing is an active way to support wildlife management, habitat protection and conservation efforts.

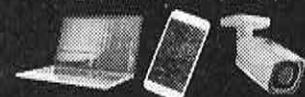

To see a map of the release sites, go to fwp.mt.gov/hunt/roosters-for-recruitment. For more information on hunting pheasants and other upland game birds, go to fwp.mt.gov/hunt/regulations/upland-game-bird. To read the upland game bird forecast, click here. As hunters head into the field, they should keep bear safety in mind and remember the potential for fire danger.

Apply to Montana Western During Free College Application Weeks

The University of Montana Western is excited to announce its participation in Montana College Application Weeks, running through October 11, 2024. This statewide initiative gives high school seniors the opportunity to explore their postsecondary options and apply to colleges for free during school hours using the Montana University System's centralized application portal.

Montana Western encourages prospective students to take advantage of this event and consider UMW's unique Experience One block schedule. With Experience One, students focus on a single course at a time, attending class for three hours a day over an 18-day block before moving on to the next course. As the only public university in the nation with this model, UMW provides a distinctive and immersive learning experience. This hands-on approach is perfect for students who thrive in a focused, personalized learning environment, allowing them to dive deep into each subject without the distractions of juggling multiple classes.

This event is a partnership between the Office of the Commissioner of Higher Education and the state's high school counselors, who will guide students through their options and facilitate the next steps as they plan their futures. Applications to all 16 campuses in the Montana University System are free and easy through ApplyMontana.mus.edu. Event details vary by school, so students and their parents or guardians are encouraged to check with their school counseling offices for more information.

Apply Montana is designed to simplify the college application process for students applying to Montana's public universities and colleges. It serves as a centralized online platform where students can complete one application to apply to multiple Montana institutions.

"Together with our K-12 partners, we're removing barriers and expanding opportunities for Montana's young people," said Commissioner of Higher Education Clayton Christian. "We encourage all Montana high school graduates to seek a postsecondary education and to seek it here in Montana. Just a few years down the road, these students will build our state's future workforce and help drive a strong economy."

After submitting your application, UMW's dedicated staff will be there to support you every step of the way. From financial aid guidance to registration assistance, our team is ready to help with any questions you may have.

For more information about Experience One and the University of Montana Western, or to schedule a tour, visit www.umwestern.edu or call 877-683-7331.

River Recreation Advisory Committee to hold brief planning meeting Oct. 7

Montana Fish, Wildlife & Parks' River Recreation Advisory Council (RRAC) will meet virtually on Monday, Oct. 7, from 5 to 6 p.m. The council and FWP staff will discuss plans and agenda topics for its three-day workshop, which will be held Oct. 16-18.

For a link to watch the Zoom meeting, go to fwp.mt.gov/aboutfwp/commission-councils-committees/river-recreation-advisory-council. An opportunity for public comment will be offered at the end of the Oct. 7 meeting. Participants can raise their hand through Zoom to make a comment.

The purpose of the RRAC is to develop a set of recommendations for managing river recreation in Montana and administering the use of water-related activities. The focus area extends to department lands and water bodies that are restricted under the authority of FWP. This includes recreation use on and along the water way, including fishing access sites.

Members of the RRAC were selected by FWP Director Dustin Temple. They are Derek Young of Lakeside, Todd Frank of Missoula, Ben Schmidt of Missoula, Abbey Thomas of Gardiner, Scott Vollmer of Bozeman, Robert Ray of Helena, Samuel Schmidt of Great Falls, Ross Johnson of Great Falls, Dante Bonanini of Saint Xavier, and Marcus Strange of Helena.
