She met her forever love, Edward David Washik Jr., whom she waited for after he enlisted in the USAF and served in the Korean War. She wrote to Ed every day. Pauline is survived by her three children, Michael E. Washik (Katy), Patricia A. Thornton-Blake (Kelly), Debbie L. Viallon (Rodney) and numerous grandchildren and great grandchildren.

MT, son Derik Seymour, of Tulsa,OK and daughters Adreia Hensley and husband Ken Hensley of Bartlesville,OK, Angela Seymour-Thomas and Brett Thomas of El Reno,Ok, and Lori Filstrup and husband Brett Filstrup of Oklahoma City,Ok.

Danny was a proud grandfather of three, grandson, Raland Hensley of Bartlesville, Ok, granddaughter, Alexis (Mimi) Thomas and grandson, Bryan (Rusty) Thomas of El Reno, OK.

Danny and Debbi celebrated their 50th wedding anniversary in July of this year, still very much in love, surrounded by family and friends. He had a life well lived, always putting others before himself. No one could lift you up and make you feel special as Danny could. A talented writer and storyteller, he loved to sing and had a beautiful voice, most often singing "Fly Me to the Moon" in a very strong voice. He loved sharing music.

He was surrounded by love, both giving love and receiving love.

A constant in the life of Danny was his greeting to loved ones, "Who Loves You Baby?" and his rely was always, "I do" as he graced you with a kiss on the forehead.

Now comes the time to turn the question to Danny, "Who Loves you Baby?" and the answer is, "We All Do."

Loved by God, Family, and many caring Friends, Danny lives on in our hearts and memories until we meet again.

A Celebration of Life will be held for Danny in Tulsa, Oklahoma during the Christmas Season. Danny loved Christmas when family and friends gather to take joy in each other's company. This earthly journey was all about the love.

Bulldogs Flip Script on Skylights, Reverse Sweep MSU-Northern 3-2

The no. 19 ranked Montana Western women's volleyball team (12-5, 4-3) won their second straight game this week after they reverse swept the MSU-Northern Skylights this afternoon by scores of 19-25, 18-25, 25-18, 25-19, and 15-8.

Senior Jazi Smith hit a milestone in her Bulldog career, hitting 1,000 career digs after she racked up 23 digs in the game.

"One of the team's goals today was to be resilient and they definitely achieved that goal. Being down two sets is a tough way to come back but they were able to get refocused and really have some grit against a really good team," Head Coach Katie Lovett said. "Northern played lights out and made us work for each and every point."

How It Happened: The Skylights got out to an early lead in the first set, jumping out to a 12-6 lead early on. Back-to-back kills from Peyton Vogl got the Bulldogs back in the game and they were able to close the gap to just two points. MSU-N fought back for some momentum and utilized their own 7-2 run to take a lead big enough to keep them in front of the Bulldogs for the remainder of the set, winning it 25-19.

Set two mirrored the first, seeing the Skylights take a massive 17-10 lead from the start. The Bulldogs got back into it and tied the game at 17 all behind a 7-0 run that saw Taylor Petersen serve up back-to-back aces. A kill from Jordan Olson to tie the game at 18 was the last points UMW would be able to pull as the Skylight ran on a 7-0 run to win the set 25-18.

Western got the jump early in third, seeing another pair of aces from Petersen early in the set. The Bulldogs then went up 14-9 as Dani Brown banged in a pair of kills from the outside. The Skylights brought the game within four late in the set, but UMW capped off the set win at 25-18.

A 7-1 Bulldog run got Western out to another early 10-7 lead in the fourth frame. After combining for a .241 hitting percentage and a set high 19 kills in the set, the Bulldogs would force a deciding fifth set after winning 25-19.

After jumping out to a 9-3 lead behind three kills from Olson, the Bulldogs were able to run away with the reverse sweep and win the final frame 15-8.

Montana Western and Bank of Commerce Performing Art Series Present "The Witching Time: Shadow Immersive"

The University of Montana Western Theatre Department and the Bank of Commerce Performing Arts Series are thrilled to present "The Witching Time: Shadow Immersive", an interactive experience showcasing the untold stories of nine historical figures, women who were persecuted for witchcraft, between the years of 1657 and 1693. This event will be held on November 4 and 5, 2024 in UMW's Beier Auditorium.

Enter a mesmerizing world of immersive shadow theatre, where the captivating stories of real-life witches unfold through interactive media, live performances, dance, and enchanting melodies. Spectators will explore the untold narratives of these witches through short vignettes, repeated like echoes of history laid bare. Audience members will be transported back in time to witness these stories of courage and resilience that reverberate through the ages.

Students from nine courses, including Theatre Workshop, Stagecraft, and Witches of the Atlantic World, will contribute to the design, research, and performance. The production will be directed by Stephen Seder, with historical guidance from Dr. Jessica Fowler. Art direction and technical design will be led by Nathaniel Freeman and Adryan Miller-Gorder.

The exhibit will be open for viewing at UMW's Beier Auditorium on Monday, November 4, and Tuesday, November 5, with sessions beginning at 1:00 p.m. and 5:00 p.m. each day. Audience members will be guided through the exhibit in groups of 10, with tours starting every 7 minutes. Due to limited tickets, attendees are highly encouraged to arrive early or purchase tickets online in advance to secure a spot in one of the groups.

To purchase tickets, please visit the BOC Performing Arts Series Box Office webpage at www.umwestern.edu/bank-of-commerce-performing-arts-series/box-office. Tickets are priced at $16 for general attendees, $12 for seniors (65+), youth (18 & under), and military personnel, $10 for UMW faculty/staff, and free for UMW students with a student ID.

For more information about the BOC series, visit www.umwestern.edu/bank-of-commerce-performing-arts-series/ or contact Assistant Professor of Theatre, Stephen Seder, at stephen.seder@umwestern.edu.

UM WESTERN WOMEN'S BASKETBALL TEAM JOIN DILLON KIWANIS FOR HIGHWAY CLEANUP

Jeremy Crawford, Southwestern Montana News

On Saturday, Oct. 5, 2024, the University of Montana Western women's basketball team under the direction of the Kiwanis Club of Dillon, Montana completed the first leg of the Kiwanis' Highway Cleanup on Interstate 15.

"I would like to thank coach Britt Cooper and the Bulldog women's basketball team," Mike Miller, the chair of the highway cleanup committee and president of the Dillon Kiwanis club said. "They did in two hours what it might take our club all day to do. We'd never get this done without the volunteers who help us."

The players were divided into three groups, one working the middle and one on each side of road. The players worked from mile marker 59 to mile marker 57.

"Our team is extremely appreciative of the support the community shows us," Cooper said. "Doing a community service event is a small way we can give back to this great community. We were thankful Wally Feldt and Mike Miller included us in this cleaning project to help make the Dillon area look a little better."

The Montana State Highway Department provided bags and colorful vests to increase the visibility of the workers. Signs, also provided by the state, were posted at each end to warn drivers of the presence of the 'pickers' along the highway.

The Montana Department of Transportation's Adopt a Highway Program allows groups such as Kiwanis or families to help keep the highway area free of trash.

Trash can pose a traffic hazard, especially items that blow onto the highway. Highway litter can also injure wildlife, especially small animals that may become trapped in plastic tossed out of a speeding automobile. And finally, we all know that highway litter can be unsightly.

The Kiwanis Club of Dillon has been serving our community since 1940.

General antelope season opens October 12

General antelope season opens Saturday, Oct. 12, and runs through Sunday, Nov. 10. For information about what to expect this season, check out Montana Fish, Wildlife & Parks hunting forecast.

FWP provides online information about hunting access, including our popular Block Management Program, which provides hunting access to more than 7 million acres of private land.

FWP's interactive Hunt Planner is a mapping tool that allows users to look at information for various species, including hunting districts and regulations. The hunt planner interactive map is a great way to access our block management information. If you're planning a hunt in a certain region of the state, you can see if there are Block Management Areas available to expand your opportunity.

Remember, regulations may change a bit from year to year depending on hunting district. Double check the regulations to be sure.

FWP's Hunter FAQ is another great resource to help you prepare to go out into the field.

RISK FACTORS FOR THE WINTER BLUES

Winter blues is another name for Seasonal Affective Disorder, or SAD. The main difference between SAD and general depression is that SAD, as its name implies, affects people only at certain times of the year, according to *The National Institute of Mental Health.*

At least 25% of the population can be affected by SAD, but the *Centers for Disease Control and Prevention* identified certain populations with a higher risk. Those at risk of SAD include:

- people with a family history of mental illness
- people living with major depression or bipolar disorder
- women
- immigrants
- lesbian, gay, transgender, bisexual, and queer population

Additionally, there are social factors that can increase a person's risk for SAD, including:

- spending little time outdoors
- vitamin D deficiencies
- social isolation

If you feel like you are at risk for the Winter Blues or depression, speak to your provider or a member of our team. Your provider or we will provide you with ideas and support to keep you healthy and safe this winter.

WE CAN HELP.

Our program is designed to meet the unique needs of individuals typically 65 and older experiencing depression and/or anxiety related to life changes that are often associated with aging. Anyone can make a referral to our program, including self-referrals, provider referrals, or community referrals.
