Barrett Hospital and Healthcare Breaks Ground on New \$5.6 Million Facility in Dillon

Jeremy Crawford, Southwestern Montana News

On Tuesday morning, Barrett Hospital and Healthcare celebrated a significant milestone with a groundbreaking ceremony for a new state-of-the-art facility, valued at \$5.6 million. This expansion project aims to enhance healthcare services for the residents of Dillon and Beaverhead County, incorporating the latest medical advancements.

The new facility will span 7,320 square feet and will feature 10 exam rooms, along with three procedure and cast rooms. Additionally, it will house a specialty clinic that will provide services in general surgery, orthopedics, urology, podiatry, and gynecological care, all conveniently attached to the hospital. Surrounded by doctors, hospital staff, and community members, participants took shovels in hand to officially break ground, marking the beginning of a new chapter in healthcare for Dillon and Beaverhead County.

The new facility is expected to enhance patient care and streamline services within the community, representing a significant investment in the region's health infrastructure.

Construction is set to begin shortly, with the completion date anticipated in the coming months. Barrett Hospital and Healthcare looks forward to welcoming new patients to the cutting-edge facility, ensuring that the residents of Dillon and Beaverhead County receive the best possible care.

Life: Inside and Out 2024-2025 Season Lineup

The University of Montana Western's Biology Department is pleased to present Life: Inside and Out (LIO), a speaker series that features scientists from across the country, sharing their research in an accessible and engaging format. LIO would like to invite both the UMW and Dillon communities to attend the next presentation, "Geochemistry and Life: From Supervolcanoes to Silver Bow Creek" by Dr. Stephanie Crofts, on Wednesday, October 16, in UMW's Lucy Carson Library.

LIO offers a unique opportunity to learn directly from experts about exciting biological research happening today, as well as insight into potential career paths for students, enhanced by firsthand knowledge from leading scientists.

The first LIO presentation, held on August 21, showcased the research of Montana Western's Biology Faculty and the opportunities for students to get involved in scientific research. UMW students participate in a range of projects, from investigating antibiotic-resistant bacteria in local waterways to studying parasites that infect fish in those same waters. Other projects include exploring the outdoor ecology of alpine environments, studying the internal anatomy of sharks and horses, understanding the dynamics of aquatic ecosystems, and investigating chronic wasting disease in local deer populations.

The second LIO presentation, held on September 18, featured the research of Dr. Diane Bimczok, DVM, PhD, an Associate Professor in the Department of Microbiology and Cell Biology at Montana State University. Her talk, titled "Modeling Epithelial-Immune Cell Interactions in the Human Gastric Mucosa," described the current understanding of how stomach cancer begins and spreads in relation to a bacterium that many people naturally host within their stomachs. She uses model tissues, called organoids, to simulate a stomach environment, allowing detailed study of the cellular mechanisms that link stomach bacteria to our immune system.

LIO presentations take place on the first Wednesday of every block, beginning at 4:00 p.m. on the first floor of the Lucy Carson

Life: Inside and Out 2024-2025 Schedule:

Wednesday, October 16: Dr. Alysia Cox, Associate Professor in the Department of Chemistry and Geochemistry at Montana Technological University, will speak on "Geochemistry and Life: From Supervolcanoes to Silver Bow Creek."

Wednesday, November 13: Dr. Stephanie Crofts, Assistant Professor in the Department of Biology at the College of the Holy Cross in Worcester, MA, will speak on "Tails, Teeth, and Spines: Biomechanical Consequences of Morphology at Multiple Levels."

Wednesday, January 15: Dr. Beverly Piggot, Assistant Professor in the Division of Biological Sciences at the University of Montana, Missoula, will speak on "Bioelectric Regulation of Brain Development."

Wednesday, February 12: Dr. Bob Cieri, National Science Foundation Postdoctoral Fellow in the Department of Zoology at the University of British Columbia, will speak on "Taking a Breath: The Mechanics and Evolution of Tetrapod Ventilation."

Wednesday, March 19: Dr. Hilary Katz, Assistant Professor in the Department of Biology at Western Kentucky University, will speak on "Spinal Cord Regeneration in the Larval Sea Lamprey."

Wednesday, April 16: Dr. Dan Atwater, Assistant Professor of Rangeland Ecology in the Department of Animal and Range Science at Montana State University, will speak on his research about global changes on ecosystem function and how they're mediated by changes in plant communities.

Rocky Mountain Elk Foundation
annual big game banquet

Rocky Mountain Elk Foundation is hosting their annual big game banquet on Saturday October 19th at the Frontier Event Center in Dillon, MT. Join us for an evening out with games, auctions, guns and gear, good food and great company, all for the benefit of elk, wildlife, public access, and our hunting heritage. RMEF is celebrating their 40th year anniversary in 2024, so come celebrate the accomplishments of RMEF Montana with us at the Beaverhead RMEF Banquet. Tickets and seats are still available. Doors will open at 5:00pm. For more information or to get signed up please call Chris Doyle at (406) -565-7346 or email at cdoyle@rmef.org.

Montana Cowboy Hall of Fame Announces 2025 Inductees

The Montana Cowboy Hall of Fame & Western Heritage Center (MCHF & WHC) announces their 17th class of inductions into the Montana Cowboy Hall of Fame. The inductees were chosen from a field of candidates nominated by the general public. Inductees are honored for their notable contributions to the history and culture of Montana.

"The Hall of Fame exists to honor those who have made an impact in their part of the state and represent Montana's authentic Western heritage for future generations," said Du Wayne Wilson, MCHF & WHC president.

The MCHF & WHC board of directors has designated 12 trustee districts across the state. Nomination criteria established by the board inductions allowed for the election of one Living Inductee and one Legacy Inductee from each district.

District 12: [Deer Lodge, Beaverhead, Silver Bow, Granite, Madison, & Powell Counties]: Living: Brittany Shelby "Bucking Horse Gal" Miller of Dillon; Legacy: Ralph Edward "Rem" Mannix, Jr. of Helmville.

The MCHF & WHC plans to honor these inductees during the MCHF Annual Induction Ceremony & Western Heritage Gathering February 8, 2025, in Great Falls at the Heritage Inn.

Full biographies for past inductees are available on the MCHF & WHC's website, <http://www.montanacowboyfame.org>. 2025 inductees will be added to the website in the near future.

Run The Boo Kids Race

Montana Running Company is hosting, Run The Boo Kids Race, Saturday October 26, at Beaverhead Brewing Company at 10 AM. We hope to bring back the 10k and 5k next year. Run The Boo is a Halloween themed race so get your kids and yourself dressed up and come run the one-mile course. Starts and finishes at Beaverhead Brewing Company. Everyone is welcome to this FREE event.

An Evening with Diane K. Boyd- Author of A Woman Among Wolves

The Old Depot Theatre Thursday, October 17th 7-8:30pm

Join us at The Old Depot Theatre for a short reading from the book "A Woman Among Wolves", followed by a discussion, then an open Q&A, and lastly book sales and signing with author and wildlife biologist, Diane K. Boyd.

Montana DNRC and Partners Fight East Gallagher Fire South of Dillon

The East Gallagher fire, located approximately 14 miles south of Dillon, near the Blacktail Mountain range, was reported around 2 pm Saturday, October 12. The fire started on Bureau of Land Management ground under fire protection of the Montana Department of Natural Resources and Conservation (DNRC), and firefighters from the DNRC and Beaverhead-Deerlodge National Forest responded initially. The fire is currently at 0% containment, but forward progress was stopped at 11 acres. The exact cause of the fire is unknown but is suspected to be human caused and is currently under investigation.

"Fire season isn't over yet and this time of year can bring unexpected dry and windy conditions, perfect for fire growth," stated Tim Egan, Montana DNRC- Dillon Unit.

Portions of the fire continue to smolder as dead timber on the forest floor, within the fire perimeter, continue to burn. Crews are currently focused on extinguishing any remaining heat along the line by stirring water and dirt into burning sections to secure edges and prevent any forward growth or spotting in the event of hot, dry, and windy conditions.

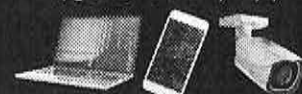

To prevent a campfire from becoming a wildfire, take the following precautions:

- If available, use an established fire ring, clear away all combustible material from outside the ring, and only burn logs that fit inside the ring.
- If in the back country, build warming fire in areas clear of vegetation.
- Keep fires small.
- NEVER leave a fire unattended.
- When you are finished, drown your campfire with water, stir, drown again, and feel to make sure it is cold to the touch.

Visit MTFIREINFO.ORG/prevention to learn more on preventing wildfires year-round.

Upcoming "On the Rocks" Presentation at Montana Western

The University of Montana Western's Environmental Sciences Department is pleased to present "Using Surface Processes to Understand Mountain Range Evolution" by UMW Assistant Professor Dr. Lorrie Carnes as part of the "On the Rocks" lecture series. This free, public event will be held at the Lucy Carson Library on October 23 at 4:00 p.m.

Dr. Lorrie Carnes, an Assistant Professor of fluvial geomorphology at Montana Western, will explore surface process analysis in her presentation. With a B.S. in Earth and Environmental Sciences from Lehigh University and a PhD in Geological Sciences from Arizona State University, Dr. Carnes will explain how erosion rates, soil production, and channel steepness are used to uncover the evolution of the Pinaleno Mountains, a metamorphic core complex located in southeast Arizona.

Veteran's Corner
 By Mike Lawson

Veteran News Updates:

- The plea for DAV Drivers continues. Getting Veterans to their VA medical appointments, whether they're in Community Care or go to a VA healthcare site, it is a lifeline for many of these Veterans. On Friday I took the 230 mile trip to Billings to pick up a veteran who was life-flighted there and was ready to be discharged. He was very grateful to get a ride home. Like Veterans do, we had a great time visiting during the 3 plus hours it took to come home. This is what we as drivers feel is our payment in full in knowing we are helping and making a difference in a Veteran's life. If we have the drivers it would be a commitment of one or two days a week with most of the Veterans having their rides in or close to Butte. Going on a long trip to a place like Billings is rare. You don't have to be a veteran to drive. Think about how you can make a difference by giving of yourself to help a Veteran get medical treatment.
- The United Veterans Council Honor Guard of Butte did 3 Veteran funeral ceremonies this past week. The three round Volley Gun Salute and Taps are always felt in a special way by the families and friends. We always get appreciative comments when it's over. Someday it will be our turn. Hand Salute!
- The Toys For Tots Butte Campaign kicks off this Wednesday, the 16th. This starts with lunch and a presentation at the Marine Corps League "Hooch" on Garden Ave. here in Butte. McKenzie River Pizza is donating pizzas/salad/etc. as they have every year for the past four or five years. We're grateful to Colin and his staff for this. Our TFT's volunteers come from Butte, Dillon, Twin Bridges and Harrison, Mt.. and donate a lot of hours to give underprivileged kids a happy Christmas. After lunch, toy and donation boxes will be distributed in the aforementioned locations. As I mentioned in the past, our Campaign was voted the best TFT Campaign of Region 7 which consists of 11 states with over 100 campaigns. Our volunteers are the ones who make this campaign so successful and as Coordinator I couldn't be more grateful and proud.
- The DoD have authorized newly eligible categories of Veterans and caregivers, with privileges to commissary, exchange, and authorized MWR facilities. For more information go to <http://www.militaryonesource.mil/expandingaccess>.
 I'll close for now and did find out that Western won by 6 points over Montana Tech.

Bulldog Men's Basketball Picked To Finish Second in Frontier Conference Preseason Polls

In a preseason poll of Frontier Conference men's basketball coaches, the Montana Western men's basketball team was picked to finish second for the 2024-25 season.

Montana Tech claimed the top spot in the 2024-25 Frontier Conference Men's Basketball Coaches' Preseason Poll. The six Frontier head coaches voted on the projected order of finish and the preseason awards.

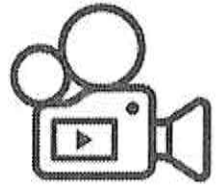

Montana Western picked up the final first place vote and 20 points to finish second in the preseason poll. Rocky Mountain came in third with 17 points, followed by Montana State-Northern fourth with 12 points, Providence fifth with nine points, and Carroll sixth with seven points.

Montana Western placed two on the Frontier Preseason All-Conference Team with seniors Abi Adedo (forward) and Jalyn Stepney (guard).

Last season, Stepney made an immediate impact for the Bulldogs as he averaged 16.2 points per game and led UMW with 1.3 steals per game.

Adedo followed closely behind with 15.2 points per game, shooting 58.5 percent from the field and pacing the Bulldogs on the boards with 5.6 rebounds per game.

**DEERE CREEK
EXCAVATION**

406.660.2492 • Dillon, MT

Locally owned and operated since 2012

THANK YOU Dillon community and surrounding communities, for making Dillon's 1st Digger Day a success! It was wonderful to meet so many great families and we can't wait until next year!

THANK YOU to our Deere Creek Excavation team, family and friends who volunteered to help. We could not have done it without you!

A SPECIAL THANKS to our collaborating partners for their contribution this year. Your generosity is greatly appreciated. We look forward to continuing our partnership in the years to come.
