Marques Allen Herrin

10/9/1988-10/14/2024

In the early morning hours of October 14, 2024 while Marques was sleeping, his heart, which was very tired and extremely overworked, decided that it could no longer go on so it stopped and turned him into an eternal sleeping giant.

Marques Allen Herrin was born on October 9, 1988 in Dillon, Montana to Bill and Linda Herrin and is the third of seven children.

He grew up in Dillon. He is always lived life to the beat of his own drum.

While living in Helena, he belonged to a City League Softball team called Bipolar Bears. He was very close to them and they were all very near and dear to him.

At the time of his death he was living in Helena, MT where he had many friends.

He is preceded in death by his 2 grandmas, a grandpa, and other family members.

He is survived by his parents Bill and Linda, his siblings, nieces, nephews, many other family members, and many friends.

At this time there are no services planned. In lieu of flowers, if you would like to honor his memory, a donation to the Bipolar Bears Softball Team would be a great possibility. You can send it to Kelly Patrick, 900 N. Jackson Street, Helena, MT 59601

**Earn Your Elementary Education Degree Fully
Online with UMW's Project REAL**

The University of Montana Western is excited to offer a path for paraprofessionals, emergency hires, and place-based Montana students to earn a Bachelor of Science in Elementary Education, fully online, through UMW's Project REAL (Rural Experience, Authentic Learning).

Project REAL is a program designed to give career opportunities to school employees in underserved rural communities by providing an accessible way to become licensed educators. The program brings UMW's Elementary Education curriculum directly to students, ensuring they have access to high-quality education without needing to relocate or commute to campus.

One of Project REAL's key components is its focus on real-world application. Through in-school lab hours, students can integrate what they learn in coursework with hands-on experience in their school settings. This blend of practical skills and academic knowledge prepares students to thrive in educational environments. Participants will also receive coaching and support from experienced educators, ensuring they have the guidance needed to succeed both in their studies and in their teaching careers.

Project REAL is intended for individuals already working in schools, such as paraprofessionals, who are looking for an opportunity to advance their careers. By applying what they learn in a familiar educational setting, students can actively engage and enhance their skills while pursuing their degrees.

Montana Western is currently accepting applications for Spring 2025. Visit <https://apply.umwestern.edu/apply/> to apply for Project REAL today.

To learn more about Project REAL, please contact Kathy Shipman at 406-925-0225 or kathy.shipman@umwestern.edu.

New parcel at Missouri Headwaters State Park

A 26-acre parcel that was recently added to Missouri Headwaters State Park will soon be open for public access.

FWP is planning an event to celebrate the acquisition and the important habitat, cultural resources and expanded recreational opportunities it provides. The event will be Friday, Oct. 25, at 11 a.m. beginning at the information plaza across from the park office. All are welcome to attend and explore the parcel, along with the rest of the park.

The Montana State Parks Foundation acquired the parcel in February using funds provided by a grant from the Montana Fish and Wildlife Conservation Trust and facilitated by Montana's Outdoor Legacy Foundation, and then donated the property to Montana Fish, Wildlife & Parks in April.

Since then, FWP staff have been preparing the parcel for safe public access, including removing old farm equipment, fencing and other materials.

Additional work to restore habitat is being planned, but most of the parcel is on schedule to open to the public this month. The westernmost portion of the parcel, which includes a house and several outbuildings, will remain closed to public access until a baseline cultural survey can be done and any buildings not identified for re-use or retention for their historical significance can be removed.

The acquisition received overwhelming public support throughout the process, which included an environmental assessment. The Montana State Parks and Recreation Board gave initial approval for the acquisition on Feb. 5, followed by final approval by the Montana Board of Land Commissioners on March 18.

Bulldogs Sweep No. 19 Montana Tech

The no. 17 ranked Montana Western Women's Volleyball team (15-6, 5-3) earned a 3-0 sweep over the no. 19 ranked Montana Tech Orediggers by scores of 25-17, 25-21, and 25-17.

The win marks the first home win over the Orediggers since the 2011 season when the Bulldogs pulled out a 3-2 win over Montana Tech.

Jazi Smith broke her second record of the season when she broke the Montana Western career kills record in the match. The record was previously held by Emily Erickson from 2011-14 at 932. Smith has a career total of 943 kills and counting.

This sweep was the fourth sweep the Bulldogs have pulled out over the Bulldogs since the 2022 season. Smith led the Bulldogs in the win with 11 kills and 16 digs. Martin was a big help at the net, recording seven blocks at the net while also adding four kills. Olson followed with six blocks in the game, adding to the team's total of 12 blocks in the game. Kaylee Fritz and Petersen combined for 31 assists in the three-set game, good for 10.3 assists per set combined.

Public Lands Rule Advisory Committee

The Bureau of Land Management is seeking nominations for a new Federal advisory committee that will help inform how the Bureau implements the Public Lands Rule. The Committee will advise on outreach and engagement, best management practices, and the development and refinement of agency guidance to support implementation of the Rule across the country.

The Public Lands Rule provides the BLM with new tools and guidance to inform the balanced management of our natural resources. The Committee will allow the Bureau of Land Management to continue working with the public and a full range of experts to support successful implementation of the Rule, protecting our best and healthiest lands and waters, restoring those that need it, and making informed management and development decisions based on the best available science and data, including Indigenous Knowledge.

Secretary of the Interior Deb Haaland recently signed the charter establishing the Committee and is seeking 15 members to serve two-year terms. The 30-day nomination period is open until November 18, 2024. Nominations should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior to make informed decisions to meet the membership requirements of the Committee, as well as appropriate contact. Completed nomination packages or questions about the Committee should be emailed to BLM_PLR_IAC@blm.gov.

General season for deer and elk opens October 26
What's new for chronic wasting disease management
 This year FWP will continue chronic wasting disease (CWD) surveillance and monitoring in specific areas known as Priority Sampling Areas across southwestern, central, and central-eastern Montana.
 Carcass disposal requirements: Carcass parts, such as brain, eyes, spleen, lymph glands, and spinal cord material, should be left at the kill site when possible. If the animal is transported for taxidermy or meat processing, the brain and spinal tissue must be bagged and disposed of in a Class II landfill.
 All hunters who want their harvested animal sampled can submit samples themselves by following steps on the Montana CWD Submission Guide or by visiting a CWD Sampling Station.
 Report sick-looking deer, elk or moose. If you shoot an animal that looks diseased or sick, report it immediately to your local FWP office for further instructions and limit handling it.
 For more information on CWD, visit fwp.mt.gov/cwd.

Dillon Middle School News October 21-25

The lunch menu for the week is as follows:

Monday: Chicken Alfredo and Caesar Salad or Chicken Salad Bar

Tuesday: Roast Beef with Mashed Potatoes and Gravy or Taco Salad Bar

Wednesday: BBQ Pulled Pork Sandwich or Chef Salad Bar

Thursday: Breakfast Sandwich or Cobb Salad Bar

Friday: Meat Nachos or Asian Chicken Salad Bar

On Monday, October 21, 7th and 8th Grade Boys Basketball Begins at 3:45 pm.

On Tuesday, October 22, there will be a parent meeting at 5:30 pm for 7th and 8th Grade Boys Basketball. Parents, be sure to come to this meeting to get important information for the basketball season.

On Tuesday, October 22 and Thursday, October 24, DMS students will be taking the English and Language Arts tests for Montana State Testing. This is one of four testing weeks that we will have this year. Good luck, students! Make your ELA teachers proud by showing off what you know!

Healthy families are the cornerstones in a community where all young people thrive. Children develop lasting resilience when raised with consistency. The ACEs Task Force works to nurture and develop resilience in our community. Healthy families build strong communities.
