Warmer Weather Greet Pumpkin Runners

Jeremy Crawford, Southwestern Montana News

Excitement filled the air today as kids lined up eagerly at the starting line for the 9th Annual Pumpkin Run, held at Chris Craft Park. Originally conceived as a political stunt by County Commissioner Mike McGinley, the event has transformed into a cherished community tradition over the past nine years.

Fortunately, the weather was delightful this Saturday, with bright sunshine contrasting the snowstorms that had swept through earlier in the week. At noon, the sound of the lunchtime siren signaled the start of the race, sending children sprinting toward the field, all in pursuit of the perfect pumpkin.

In just a minute, the field was a flurry of activity as excited participants emerged, each clutching their prized pumpkin. The event not only provided a fun-filled afternoon for families but also showcased the community spirit that has made the Pumpkin Run a highlight of the fall season. With each passing year, it continues to foster joy and unity among participants and spectators alike.

**TOWN PUMP MATCH AND THE BREWERY
HELP THE FOOD PANTRY**

It is that time of year again, and the Town Pump has graciously offered to provide a match up to \$20,000.

As we're sure you know, the cost of food keeps climbing and we are helping more families. We also know this is affecting each and every one of us.

Here at the Food Pantry, we have dedicated volunteers who work tirelessly to keep the Pantry running. We are a totally volunteer staff. We also have valuable organizations in town that when we need assistance with a forklift or they have milk to donate, they step right up and help us.

Also, The Brewery has been kind enough to offer us as one of their "Pint Night" charities. They will donate their proceeds sold on Friday, November 1, 2024. They open at 3 PM. They also have live music from 6-8 pm. Please come and enjoy this music and help the Food Pantry. All funds raised here go towards our Town Pump Match.

We would truly appreciate you helping us reach our goal of \$20,000 in cash donations. This is what we can bring in from September 1 – November 30, 2024. If we reach the \$20,000, Town Pump will match that amount.

We use these funds to purchase milk, produce, eggs, yogurt, cheese, canned goods, and meat. We are a non-profit 501(c)3 business. We will send out receipts for tax purposes in January 2025.

Please make checks out to Beaverhead Community Food Pantry, or BHC Food Pantry, and send to P.O. Box 1356, Dillon, MT, 59725. Thank you very much,

The Beaverhead Community Food Pantry

Dillon Beavers Dominate Butte Central Maroons in 49-0 Win

Jeremy Crawford, Southwestern Montana News

Under the bright lights of Vigilante Field on Friday night, the Dillon Beavers showcased their dominance in a commanding 49-0 victory over the Butte Central Maroons.

From the opening whistle, the Beavers asserted their physicality and offensive prowess, scoring five touchdowns on their first six drives. The sheer force of their performance left the Maroons struggling to keep pace.

The highlight of the first half came when the Beavers reached a 35-0 lead with just under five minutes remaining in the second quarter, triggering a running clock for the remainder of the game.

Notable Performances

Senior running back Robbie Wharton set the tone early, opening the scoring with an impressive 47-yard catch-and-run touchdown. Returning from injury, Jrny Mata'afa added to the Beavers' lead with a pair of long rushing touchdowns, showcasing his speed and agility. As the second half commenced, the Beavers took the opportunity to bring in younger players, giving them valuable game experience while maintaining their defensive edge. Remarkably, the younger athletes did not allow the Maroons to score, solidifying the Beavers' defensive dominance.

Sophomore Caden Morrisroe joined the scoring party, becoming the third Dillon running back to find the end zone, further emphasizing the team's depth and talent.

Looking ahead, the Beavers will hit the road on Friday, October 25,

to take on the Libby Loggers. A victory in that matchup will secure the Beavers the number two spot in the conference and propel them further in their pursuit of the postseason.

Section of Big Hole River reopens to fishing

Improved flows have allowed a section of the Big Hole River to be reopened to fishing. The reopened section extends for 26 miles from the river's confluence with the North Fork of the Big Hole River downstream to Dickie Bridge.

A fishing closure remains in effect upstream of the confluence with the North Fork of the Big Hole River due to low flows. An annual fishing closure on the Big Hole River remains in effect from Dickie Bridge to the Jefferson River. Annual fishing closures began Oct. 1 for sections of the Big Hole, Ruby and Beaverhead rivers to protect trout during spawning seasons.

Check the current fishing regulations for spawning-related closures.

'Montana solution' to keep Montana the Last Best Place and the Treasure State

Montana Secretary of State Christi Jacobsen cast the deciding vote in conditionally approving one of the largest public access acquisitions in northwest Montana during a monthly Land Board meeting. The acquisition, known as the Montana Great Outdoors Conservation Easement, Phase 1, approved a Fish Wildlife & Parks (FWP) purchase of nearly 33,000 acres between Kalispell and Libby. According to Montana FWP, the acquisition "provides a vital migration corridor and year-round habitat for moose, elk, mule deer, and white-tailed deer."

Secretary Jacobsen proposed a motion to clarify that the Land Board's intent with the FWP acquisition does not diminish third-party mineral owners' rights, which would be explicitly stated in the language of the Conservation Easement.

"Montana is the Treasure State for many reasons," said Secretary Jacobsen. "My voice will always support Montana remaining the Last Best Place and the Treasure State."

Letter to the Editor

It won't be long and I will be heading to my happy place in the Arizona Sunshine for the winter. I have done a massive amount of research including telephone calls, achieved paper articles, data on the Clark Canyon Reservoir and conversations with the powers to be and shared it with the disaster coordinator. He seems to be the only one in the County offices involved with the January flood that does not have broken ears. I was told by the head office, the dam was controlled by some magical satellite in the sky. NOT SO!!! It is controlled right here in Beaverhead County by the East Bench Irrigation and Bureau of Reclamation office out on Highway 41.

Gradual freezing, when the weather goes slowly to 25 below and doesn't last too long, does not seem to affect the river too much. It will gather ice along the edges and then when the weather warms it will just fall in and hang onto the bank until spring and everything thaws. BUT, if you hear the weather report and there is going to be a sudden drop in temperature in a short period of time, PREP ARE, we are going to have an ice jam. Be proactive and call the disaster office. Slush will form and start flowing down the river and will gather any place where it has something to cling to, bridges, branches, brush and willows, fencing sticking out in the river, diversions or whatever else is in its way. With high water that slush and ice is going to want to go straight and it will freeze very fast. It will gather and build up until it pushes water over anywhere it is low or it can break through. I don't know if this is written in any book that hasn't been thrown out but it should be and should be read.

Lots of things have happened in the floodplain, floodway, flood fringe, that shouldn't have happened that caused the river to do what it did last January. I am still addressing these issues with the powers to be. I have my friends that helped me out last winter listening and watching and am asking you to do the same. We have gotten very comfortable living on this river in the last 44 years. Up until last year we have had very little problem.

Thank you Delores Gregory

The women's race saw the Bulldogs led by sophomore Olivia Steadman, running a race time of 19:09 and placing in 53rd. Freshman Destiny Vogl followed behind, finishing in 56th with a time of 20:29. Freshman Ruby Smith, sophomore Justene Santi, and freshman Olivia Canney coming in consecutive finishes in 57th, 58th, and 59th with times of 20:41, 21:00, and 21:21. Outside of the scoring five were Lily Wickum (60th, 24:35), Kylee Wyatt (61st, 21:41), and Jodee Cree Medicine (25:59).

On the men's side, sophomore Harrison Silverio led the way for the Bulldogs with a 26:59 and a 47th place finish. Sophomore Brody Henry came in next in 49th with a time of 28:54. Freshman Kreg Butler and junior Carlin Onstad were the third and fourth Bulldogs to cross the line. Butler ran a time of 29:41 and finished in 50th with Onstad running a 30:11 to finish in 51st. Sophomore Kaden Hennessey ran a 30:25 to close out the scoring for UMW and place 52nd. Bridger Wheeler also ran in the race and recorded a time of 31:23.
