Beaverhead County Search and Rescue News

Submitted by: Mel Rice, Public Relations

I want to apologize for the lack of information about your SAR in the past month or so. My computer went down and have just now gotten a new one up and running. There has been a little excitement with the unit. First of all, there were two great trainings that took place for the membership. The first training was a mock search. The mission was to find an overdue hiker from the trail system west of Dillon. It was a great training in that everyone involved learned the entire process from call out, to deployment procedures including equipment needed and why, the actual finding and rescuing the victims, and then debriefing of the incident. Those participating were: Anthony Grant, Julia Clark, Zane Wood, Aaron Beard, Keri Carson, Lance Hopman, Kolby Malesich, Cody Schnee, Lawrence Morrisroe, Brian Venson, and Adam Norlander. A special thank you to Adam for all his time in organizing this training.

The next training was a mock rescue of a victim from a vehicle rollover down a steep embankment. Participants learned about the use of ropes, tie rope knots, litters, and pulleys to produce mechanical advantages. Individuals worked in groups learning how to be a litter attendant which meant tying into a rescue litter, take the litter down a 30 foot bank, getting the injured victim in the litter and secured, and then ascending the bank with the littered victim. A second group on top of the bank learned how to create mechanical advantages with the aid of pulleys and how to tie off to a solid anchor. Participants in this training were: Wade Bush, David Broadhead, James Mathews, Tara Remely, Brad Wagner, Joshua Yeadon and son, Julie Clarke, Jaime Trivette, and Steve Mock and his wife. Special thank you to Steve Mock for organizing and ramrodding this training exercise.

So far this hunting season there have been two callouts. The first was for a young lady on horseback who was reported overdue Sunday night, October 27th at 11:55 PM. The incident took place in the Grasshopper Valley in the area between Lake Creek and Clark Creek. The young lady decided to take a short cut off the mountain which turned into a nightmare for her. The sidehill was steep with lots of downfall. Once she reached to bottom of the draw she could not proceed down and was too exhausted to try and climb back out. Search teams were deployed to the search area.

After searching all night to no avail, a military helicopter and crew were deployed to the search area and quickly found the individual and horse around 9:30 AM Monday morning. The helicopter was equipped with litter and hoist and with the aid of SAR members and sheriff deputies, the victim was placed in the helicopter litter and extracted from the mountain to safety. Deputy Ternes was able to walk the horse back up the mountain to safety as well. The search involved approximately 200 person hours. Search and Rescue members participating out in the field were: Steve Mock, Adam Norlander, Josh

Yeadon, Jaime Trivette, Joe Reyes, Sam Peterson, Cody Schnee, Weston Helle, Ean Helle, Kolby Malesich, Mike Clarke, Julia Clark, and David Broadhead. IC command included: Alan Holt, Dusty Crowe, Jason Erickson, Tara Remely, and Gayle Rawson.

The second search occurred the night of November 2nd. The page was received at 8:56 to search for a missing male on the west side of the Medicine Lodge. After interviewing one of the lost individual's partners, the unit had waypoints for his last known location, his pack, and his truck. Hasty teams were deployed at 11:15 PM to the Schwartz creek area. The young man had been helping a group of hunters pack out an elk. After getting the elk off the mountain, he decided to go back up and hunt for some elk he had seen earlier. His phone was about dead when he headed back out but was able to text a party member and let them know his plans. Not only was his phone dead but his head lamp was broken as well. At 1:53 AM this missing person was located by search members Julia Clark, Dalton Tamcke, and Cody Schnee. When the young man got caught out after dark, he did exactly what lost individuals should do, to stay put and build a large fire. He was reported to be in good shape and was assisted off the mountain back to his vehicle. At this point all search members were notified and returned to Dillon. Individual SAR members participating in the field were: Steve Mock, Josh Yeadon, Kolby Malesich, David Broadhead, Shane Puyear, Charles Weidow, Mark Smith, Julia Clark, Dalton Tamcke, and Cody Schnee. The incident command team working out of the Search and Rescue Building were: Mel Rice, Lawerence Morrisroe, Alan Holt, Brian Vinson, Sheriff 18-5.

It is early in the season and weather will come in at some point in time. Please take care out there, make sure you are prepared for any number of situations. That goes for your vehicles as well as the packs you carry in the field. Don't become a statistic. Be Safe. "In the Business of Saving Lives", your Beaverhead Search and Rescue.

Our Veterans

Bryce Angell

I'd listened to my father talk 'bout days of World War II. And how he served his country. He wore the Navy Blue.

He waited nearly thirty years to speak about the war. Some visions still unspeakable of sights he'd seen on shore.

But, he showed respect and proved it when he stood up for the flag. He stood for those who died who came back a lone dog tag.

He said when they were coming home and finally close to shore. The sailors saw the Golden Gate, knew they were home for sure.

Old Glory was then lowered. Sailors walked down off the ship. He watched the roughest sea men covering up a quivering lip.

Last year my wife and I flew back to Washington DC. We viewed the War Memorials. A site that all should see.

Each structure is a tribute to the ones who served and died. The Vietnam Memorial is where we stood and cried.

We searched the name I knew so well and found it on the wall. A country boy away from home, like so many, gave his all.

Back then I was too young to serve. Sixteen was not a man. But our good friend died at nineteen while he served in Viet Nam.

One day, with God's own grace I'll thank my friend for what he did. To give his life for others, when he was still a kid.

Tonight, when kneeling at my bed, I'll thank the Lord up there for those who serve our country fending off the evil snare.

And when I pull the covers down, jump in and hit the sack, I know we'll all be safe cuz sure enough they had our back.

So, to every veteran, young and old, I'd like to say to you. "You deserve more than a thank you, a thank you overdue."

Celebrate the Wood Bank at Beaverhead Brewing Co. Pint Night Nov. 8

The Beaverhead Community Wood Bank Ministry is a homegrown, all-volunteer charity that provides gifts of firewood to help warm the homes of our neighbors in need. Each qualified household may receive up to three cords of wood to help heat their home this winter. Last winter 126 cords of firewood were distributed among 48 households. (A cord is a stack of wood 4 ft. x 4 ft. x 8 ft.) So far this season, 36 households have been approved to receive firewood, based on income limitations and disability concerns. The Wood Bank has already distributed close to 47 cords of firewood this autumn.

The firewood isn't free – it is priceless. Our community has stepped forward in extraordinary ways to support the Wood Bank. On behalf of the households warmed by gifts of firewood, THANK YOU for your support. It wouldn't be possible without you!

Making and delivering firewood takes time. 47 local volunteers and 55 cadets from the Montana Youth Challenge Academy logged a total of 2,304 volunteer hours at the wood bank last year. For a few hours each week, wood bank volunteers share their time and energy to help others, while enjoying outdoor activity and the sense of accomplishment a big stack of firewood can provide.

The Wood Bank's major expense is for logs. Most of the wood comes from dry, dead timber salvaged from logging areas on private, State, or Federal lands, purchased in semi-truck loads. The current price of a truckload of logs for the wood bank has been $2,000.00. Each truckload is processed by volunteers into 10-11 cords of firewood, so about 15 truckloads are needed to meet the goal of 150 cords (a total cost of $30,000.00). In addition, there are operational expenses for fuel and equipment, insurance, phone, bookkeeping, etc. So, fundraising is always on the Wood Bank's agenda.

The Wood Bank has been blessed with financial support from many local organizations and individuals. In addition, this year the Beaverhead Community Wood Bank Ministry received a grant of $10,000.00 from The Alliance for Green Heat (AGH), a nonprofit organization partnering with the U.S. Forest Service and others to distribute Federal funds to firewood banks under section 40803(c)(17) of the Bipartisan Infrastructure Law. TOWN PUMP MATCH HELPING THE FOOD PANTRY

It is that time of year again, and the Town Pump has graciously offered to provide a match up to $20,000.

As we're sure you know, the cost of food keeps climbing and we are helping more families. We also know this if affecting each and every one of us.

Here at the Food Pantry, we have dedicated volunteers who work tirelessly to keep the Pantry running. We are a totally volunteer staff. We also have valuable organizations in town that when we need assistance with a forklift or they have milk to donate, they step right up and help us.

We would truly appreciate you helping us reach our goal of $20,000 in cash donations. This is what we can bring in from September 1 – November 30, 2024. If we reach the $20,000, Town Pump will match that amount.

We use these funds to purchase milk, produce, eggs, yogurt, cheese, canned goods, and meat. We are a non-profit 501(c)3 business. We will send out receipts for tax purposes in January 2025.

Please make checks out to Beaverhead Community Food Pantry, or BHC Food Pantry, and send to P.O. Box 1356, Dillon, MT, 59725.

Thank you very much,
The Beaverhead Community Food Pantry

Dillon Elementary School District #10 Mock Drill on Wed., Nov. 6th at 1:00 p.m.

The Dillon Elementary School District would like to pass along some important information pertaining to an upcoming event.

The Dillon Elementary School Crisis team, in conjunction with community agencies and partners, has organized a "mock" 'Active Shooter Response Training Drill' for the afternoon of Wednesday, November 6th. The District is required to practice various drills throughout the year. Unlike other drills, this "mock" drill will involve various community emergency personnel and agencies such as law enforcement, fire department, hospital personnel, and ambulance services. This drill is being conducted in alliance with these community partners so that we may all practice.

Students will have an early release that afternoon and will be released at 12:00 noon on Wednesday, November 6th and the "mock" drill will take place in the afternoon with staff only in attendance.

The goal of the District Crisis Team is for our students, staff, and community emergency personnel to be prepared in case of such an emergency. Practice helps accomplish that goal.

Our District Crisis Team and I would like to thank Jason Grimmis, Director of Security at the University of Montana Western; Tom Wagenknecht, Beaverhead County Disaster and Emergency Services; Mike Reid, Chancellor at the University of Montana Western, Dillon Police Chief Jeremy Alvarez, Beaverhead County Sheriff Dave Wendt, Dillon Fire Chief BJ Klose, our local EMT's and Barrett Hospital personnel as well as Beaverhead County Health Officials for their collaboration and expertise.

Sincerely, Randy Shipman
Superintendent, Dillon Elementary School District #10

WORKWEAR

Is Your Work Puff Tough Enough?

Ever wish you could work in a puff jacket without it snagging and ripping? Come on down to our Patagonia Workwear outpost in Dillon and try on our Steel Forge Puff Jacket and Windbreaker. They're built from a tough, high-tear strength blend of 100% recycled nylon and polyester ripstop that blocks wind and repels moisture. The jacket is packed with 100% recycled polyester insulation and lined with 100% recycled polyester taffeta that glides over layers.

Men's Steel Forge Puff Jacket - $249. Available in S-3XL.
