Bulldog Football Announces Updated Kick-Off Time For Nov. 9

To accommodate scheduling needs, the no. 4 ranked Montana Western Bulldog football game against Carroll College will now kick off at 12:00 p.m. this Saturday, November 9.

This adjustment considers daylight savings, the absence of stadium lighting, and allows both the Bulldogs' game and the Beaverhead County High School playoff game at 4:00 p.m. to be fully supported by shared personnel and fans.

To purchase tickets online prior to the game and save time at the gate, click here.

Ticket booths will open at 9:30am, with gates opening at 10:30am for fans.

Montana Department of Commerce Launches Fair Market Rent Survey

Responses will help assess amount of assistance low-income Montanans need to afford housing

The Montana Department of Commerce announced today that an online survey of Montana renters has been launched to gather information to better understand the actual amount of assistance low-income Montanans need to afford housing.

"We are asking for your help with an important study to better understand how inflation, the limited supply of rental housing, increased demand, high cost of labor, increases in property insurance rates and other factors have driven up the cost of housing and impacted rental housing throughout Montana," said Cheryl Cohen, Commerce Housing Division Administrator. "We hope we can count on you to complete this survey; by doing so, you can help us better support your community."

The survey will be used to request an update to fair market rents for the state of Montana from the U.S. Department of Housing and Urban Development, based on a more accurate

reflection of current local market conditions. Commerce will use survey results to seek more appropriate rental subsidies for lower-income households, particularly persons experiencing a disability and elderly households on fixed incomes. The survey results could potentially adjust the maximum rent amount that can be paid to landlords on behalf of households served in federal rental assistance programs, based on the latest housing market data in Montana.

Montana renters will receive a letter in the mail this week that will have survey instructions and a code to get started. The online survey takes, on average, 10 minutes or less to complete. Responses are voluntary and confidential, and names will not be held on a mailing list and answers will not be linked to a name or mailing address.

Econometrica, Inc. and M. Davis and Company, Inc., will conduct this survey. If you receive a survey letter and have questions, contact mmcgilvray@econometricainc.com or call Commerce at 406-841-2840.

Funding for the survey and study is provided by Montana HB 872 and the Behavioral Health System for Future Generations Commission.

Wardens investigating live mule deer buck shot with arrow in Billings neighborhood

Those with information encouraged to report at tipmont.mt.gov

Montana Fish, Wildlife & Parks game wardens are seeking information on a mule deer buck that was shot with an arrow in a Billings Heights neighborhood. The buck is alive and not expected to die from the injury.

Wardens responded to a report from a resident in the area on Saturday, Nov. 2, and found the buck with an arrow stuck in its back. The arrow is gray in color with white fletching and a yellow nock. After investigation, wardens believe the buck was shot at some point on Saturday, Nov. 2. The deer was initially observed on Crestline Drive.

The area surrounding the neighborhood is within city limits, where hunting is not permitted. However, mule deer are known to frequent this residential area. FWP does not believe the arrow wound will be fatal for the deer and at this time are not planning to capture the deer to remove the arrow.

Anyone with possible information about this incident is asked to visit tipmont.mt.gov or call the local warden at 406-860-7805 to provide details. Those who report information may be eligible for a cash reward of up to \$1,000.
