Dillon Jaycees Honor Individuals

The Dillon Jaycees and Jaycee Auxiliary honor people in our community for their outstanding community service.

This years, Outstanding Woman Diane Armstrong is an individual who is deeply committed to her community and goes above and beyond to help others. No matter what she is helping with she is always cheerful and full of enthusiasm.

She serves on the Dillon City Council and does an outstanding job whenever she is needed. She volunteers her time with many community functions such as Festival of Trees, Dinner in the Park and various UM Western Events. You will also see her lending a helpful hand at the Bookstore and Library too.

Whether she is shoveling sidewalks at the crack of dawn, giving rides out of town to appointments for neighbors and friends, or transporting animals to and from the shelter, you can always count on her. She is genuinely kind and friendly and gives our community an interconnection that has become rare these days.

This year's Outstanding Young Woman embodies everything that it means to be outstanding in a small community such as ours. She has been civic minded since a young age. While in high school she served as a student body officer and as class officer and was a member of the honor society.

Prior to moving to Dillon, she was a member of the Butte Rotary for over 4 years, and she worked on the Butte Relay for Life for years, as well as being the co-chair in 2017 & 2018.

When she moved to Dillon, she immediately became involved on the YMCA board, which she continues to serve on for the past 6 years. She is a dedicated Board member of Engine 18, serving as their secretary for the past several years. She was active in their new facility and took the lead in their raffle fundraiser. She is a JCA member for the last couple of years, serving as their current secretary. She uses her marketing skills and prepares many of their social media posts and flyers for their events. She has shown her commitment to young people and her desire to make this the best place for the Dillon families. She has never shied away from hard work and going the extra mile to get the job done.

Joey is a positive influence in Dillon and a great example of that a young leader should be. This years Outstanding Young Woman Award went to Joey Beers.

Donnie Keltz is the 2024 Distinguished Service Award Honoree. He is an exceptional individual, whose tireless commitment to his community and unwavering dedication to the betterment of others have left an indelible mark on all of us. Donnie is not just a person who lends a helping hand; he is a beacon of selflessness, always ready to make a difference in the lives of those around him.

At the college, he has been a mentor for the students,

while helping with the grounds. His wisdom and patience have been a source of inspiration, helping students navigate the often-challenging path of higher education, instilling in them the confidence and resilience they need to succeed. His commitment to the safety and welfare of our community goes beyond the academic sphere. He's been an integral part of our local search and rescue. When disaster strikes, and lives hang in the balance, He has been there, selflessly dedicating his time and energy to ensure that those return home to their families. But his service doesn't stop there. He's a fixture at all the football games, bringing his infectious enthusiasm and unwavering support to the players, coaches, and fans. His presence on the sidelines have been a source of motivation and camaraderie, reminding us of all the power of community spirit in sports.

Donnie plays a vital role in the sno-rider community. His dedication to grooming trails and ensuring the safety and enjoyment of snowmobilers exemplifies his commitment to making our winter a little brighter and safer for all. You can catch him at every single football game, doing the chains too. In all my years of knowing him I have never seen him miss a Beaver or Dawgs game, standing on the side line.

Donnie embodies the true spirit of community service. He's not only a mentor, a search and rescue hero, a football enthusiast, and a snowmobiling advocate- he is an unwavering pillar of support for all who have had the privilege of crossing his path. Donnie's actions remind us of the extraordinary impact one person can have when give themselves selflessly.

Your 2024 Outstanding Young Man is Seth Vrooman! He is an outstanding leader, business owner, volunteer, son, friend, father, husband and member of the Dillon community. He has a friendly and outgoing personality and is always more than happy to give a helping hand when he can.

He graduated Polson High School in 2005. After

graduation, he moved to Alaska and began a career as an exploratory driller. After a few years in Alaska, he wanted to move closer to home and began drilling in Nevada. In 2012 he married the love of his life Kaylin and shortly after that he was approached by Kaylin's uncle with a career change. In 2013 he went to work for his wife Kaylin's uncle at Carquest in Wolf Point. In 2019 he had the opportunity to purchase his own store which brought him and his family to Dillon.

He joined the Dillon Jaycees in 2019 shortly after moving to Dillon and purchasing Carquest. He had heard about the Jaycees from a colleague and thought he could make an impact. Since joining the Jaycees in 2019, he has been Vice President of Maintenance, Grounds Chairman, Derby Judge, Flag Chairman and was the Dillon Jaycees Rodeo Chairman in 2023. He has been an integral part in almost every project the Jaycees have done and his hand and footprint will be seen at the fairgrounds for many years to come

Seth and Kaylin are the parents of three beautiful kids, Braden (13), Brinlee (11) and Blayke (8). Being a father to three beautiful kids is a dream come true for Seth. You will often find him helping his kids with their homework, working on their house to accommodate their growing family, wrestling around with his kids, taking them hunting or fishing and even traveling to watch one of their sporting events.

Seth does not volunteer his time and energy for recognition or awards, but he is an exceptional and humble example of what it is to be an Outstanding Young Man.

her craft, she is celebrated not only for her technical skills but also for pushing the boundaries of traditional glass art. Her creations are featured in galleries and private collections worldwide, and she is passionate about sharing her craft with students and emerging artists.

Joining her for the residency is her husband, Jasen Johnsen, an accomplished glass artist and master toolmaker. Known for creating one-of-a-kind, handcrafted carbon-steel and stainless-steel tools, Jasen's designs are uniquely refined by his experience using them in his own glassblowing and hot sculpting work. Together, they will work closely with UMW students, guiding them in exploring new techniques and approaches to glass sculpture. This residency offers students a unique opportunity to learn directly from two experts in the field, gaining insights into the creative and technical aspects of glass art.

The week-long residency will conclude with a free public presentation on Saturday, November 23, held in UMW's Emerick Art Studio. The presentation will begin at 3:30 p.m., followed by a live demonstration at 5:00 p.m., where attendees can witness the glassblowing process up close. This event is open to the public and provides an exciting chance for the campus and broader community to engage with highly skilled artists celebrated for their dynamic, nature-inspired sculptures.
