Bannack Wreath Walk

Bannack Association will be hosting the Third Annual Wreath Walk at Bannack State Park. Please join us in bringing some old-fashioned Christmas fun to Bannack. Local individuals, organizations, and businesses are invited to decorate a wreath to be hung on a door at the park.

Plan to deliver and hang your wreath/swag/decoration of choice to Bannack State Park on Sunday, December 8 from 1 to 3 pm. Over-the-door hangers will be provided. They will remain up until Saturday, December 14th. Visitors to the park that week will be encouraged to vote for their favorite so you may win the People's Choice Award.

A reception will be held on Saturday, December 14th from 1 to 3 pm in the Visitor Center. Desserts and hot drinks will be provided. The People's Choice Winner will be announced. All wreaths/decorations will be available to purchase through a silent auction with proceeds going to the Bannack Association to benefit projects at Bannack.

Do you have a favorite building at Bannack where you would like to hang your wreath/decoration? Let us know as soon as possible! We will do our best to accommodate your choice.

For more information or to enter a wreath/decoration, please call John Phillips at the park: 406-834-3413 or Arlis Vannett at 406-925-2209.

Application cycle for Recreational Trails Program grants opened

Applications for Recreational Trails Program (RTP) grants will be accepted from Nov. 15 to Jan. 15. RTP is a federally funded grant program administered through Montana Fish, Wildlife & Parks that awards approximately \$1.5 million annually.

Applicants may request up to \$100,000 with a required match of 20 percent. Eligible activities include construction or maintenance of motorized and nonmotorized trails or trail-related facilities, purchase of trail equipment and development of trail education or ethics programs. Grant applicants may include federal, tribal, state, county or municipal agencies (including school districts); and private corporations, including nonprofits. An organization can submit only one grant application per grant cycle.

A webinar training, including a question-and-answer session, will be held on Tuesday, Dec. 5, at 9 a.m. This session is highly recommended for new and returning applicants. The training will provide helpful information on program requirements, tips on writing a competitive application and using the grant management software to apply. Interested parties must register for the training to receive a meeting link.

For more information on the program and how to apply, visit the Recreational Trails Program webpage or contact RTP Program Manager Stephanie Clemen at stephanie.adamscllemen@mt.gov.

BEAVERHEAD FIRE DIST. #2 MEETING NOTICE

FWP game wardens seek information on bull elk killed and wasted near Dillon

Game wardens with Montana Fish, Wildlife & Parks are looking for information on a bull elk that was killed recently and left to waste south of Dillon.

Wardens found the carcass on public land near Small Horn Canyon after a tip on Oct. 26 that the elk died and was left to waste as a result of a herd shooting incident. Game wardens are seeking information on who may have been involved.

Hunters are prohibited from wasting any part of a game animal that is defined as suitable for food, which, for most game animals, includes the four quarters above the hock, the loins and the backstraps.

Anyone with possible information about this incident is encouraged to visit tipmont.mt.gov to get in touch with a local game warden. You may be eligible for a cash reward of up to \$1,000.

Game wardens in the Dillon area have received additional reports lately of similar incidents that resulted in injured and wasted elk.

"This is a reminder of one of the basic rules of firearm safety: Always be sure of your target and beyond," said FWP game warden Cameron Wischhusen. "Shooting into a herd of animals is never a good idea and often results in wounded animals and wasted meat."
