Secretary Christi Jacobsen: 'More than 10,000 new businesses registered in September, October'

Montana Secretary of State Christi Jacobsen said roughly 4,900 new businesses registered with the Secretary of State's Office in September, while almost 5,500 more registered in October, according to the Montana Business Economic Report. In total, more than 10,000 new business registrations were filed in September and October.

"Several new customers visited our office to register their business in the last two months, while many more took advantage of our 24/7 online filing system. Our team was honored to serve them all in this exciting first step of their business journey," said Secretary Jacobsen. "Montana remains an excellent place to start a new business, and we're proud to be a partner in making it easier and less expensive to do business in our great state."

Montana has had more new registrations in eight of 10 months this year compared to 2023. August had a nearly identical number of new registrations between 2023 and 2024.

Secretary Jacobsen recently announced she is once again waiving the fee for all Montana businesses filing their annual reports by the 2025 deadline (January 1 - April 15, 2025). The fee waiver will again result in millions of dollars in savings for Montana businesses.

Earlier this year, Montana's Legislative Audit Committee praised Secretary Jacobsen and the Secretary of State's Office for letting "businesses be businesses in Montana while continuing to save them money."

"I would like to say, 'Thank you.' It's great when government can actually work for the people and give the people back their money, or not charge them for something," said Senate President and Legislative Audit Committee Chair Jason Ellsworth during the meeting.

Secretary Jacobsen has previously cut and eliminated several other fees, leading to record new business registrations in each of her first three years in office. Approximately 60,000 new businesses registered with the Secretary of State's Office in 2023, and Montana is on pace to break that record again this year.

"We're grateful to our hard-working Montana businesses for their dedication, innovation, and commitment to our local communities," said Secretary Jacobsen. "These businesses are the backbone of Montana's success, and we thank you for doing business in Montana."

TOWN PUMP MATCH HELPING THE FOOD PANTRY

It is that time of year again, and the Town Pump has graciously offered to provide a match up to \$20,000.

As we're sure you know, the cost of food keeps climbing and we are helping more families. We also know this if affecting each and every one of us.

Here at the Food Pantry, we have dedicated volunteers who work tirelessly to keep the Pantry running. We are a totally volunteer staff. We also have valuable organizations in town that when we need assistance with a forklift or they have milk to donate, they step right up and help us.

We would truly appreciate you helping us reach our goal of \$20,000 in cash donations. This is what we can bring in from September 1 - November 30, 2024. If we reach the \$20,000, Town Pump will match that amount.

We use these funds to purchase milk, produce, eggs, yogurt, cheese, canned goods, and meat. We are a non-profit 501(c)3 business. We will send out receipts for tax purposes in January 2025.

Please make checks out to Beaverhead Community Food Pantry, or BHC Food Pantry, and send to P.O. Box 1356, Dillon, MT, 59725.

Thank you very much,
 The Beaverhead Community Food Pantry

According to court record, he was not found innocent or guilty for the rapes. He received a conditional Deferred Prosecuting Agreement, in part due to the complexity of trying rape in marriage. For his abusive handling of a minor, he received one year suspended prison sentence. The important thing is, it's stopped, and the treatment is on record. I recommend the film, 'It Ends with Us' for family of survivors of domestic violence. Thank you to those in the justice system who worked tirelessly to procure justice. I am neither alone nor special, in that I should receive perfect justice when so many have not, and God's timing is not our own.
