Dustin Allen Brown

Dustin Allen Brown (Bowenz) journeyed to the other side November 9th, 2024. He was born on May 14, 1984, in Sheridan Montana to Doug and Carla Brown. Dustin grew up loving dogs, dinosaurs and the great outdoors. Upon moving to Nebraska in 1992, Dustin helped everywhere he could at his parents' bakeries by working the counter, kneading dough, and most importantly watching over lil sis when needed. Dustin was active in Boy Scouts

for several years ending his time being ranked First Scout. During one Boy Scout camping adventure Dustin's appendix burst, sending him into severe pain for 3 days before they realized what was happening to him. He was sent back to town for immediate surgery. After spending a week in the hospital for recovery and having to watch the 4th of July fireworks from his hospital bed, he was finally released with a battle scar to match his father's. While in school, Dustin was active in speech and drama and won the Thespian Award for one of his performances. Dustin was an incredible swimmer who won numerous medals on the Lincoln, Nebraska swimming team. In 1999 the family moved back to Dillon, Mt. He began his sophomore year at BCHS and continued excelling in his swimming career for another year before injuring his rotator cuff. In 2001 his son Stone was born. Although he was still young himself, he strived to be the very best father he could be.

Dustin attended Montana Western College, majoring in English with a minor in Creative Writing, graduating Magna Cum Laude in 2009. While attending Western he enjoyed hosting his own radio show where he acquired the nickname D.Bo. Dustin enjoyed working as the local Milk Man and his time bottling water at Montaqu. In 2012 Dustin and his best friend Jon Stephani moved to the Bitterroot Valley, living in Stevensville, Hamilton and eventually residing in Missoula. While in Missoula, he worked at Paradise Dental Technologies for almost 10 years before changing careers in early-2024, becoming a Kombucha brewer for Back To The Mother. In 2015 Dustin met a beautiful lady named Tenyssa. They began dating in 2020 and were partners for the next 4 years, having a commitment ceremony in October 2023. In support of Ten's food allergies, Dustin began creating healthy baked goods that soon became Bowenz Bakes, selling items at the local Farmer's Market.

Dustin is preceded in death by his Father Doug Brown, Grandfather Buster Brown, Grandmothers Barbra Devers and Shirley Cote, Aunt Mara Haby and Uncle Scott Devers.

He is survived by his Partner Tenyssa, Mother Carla Roderick (Gavyn), Sister Courtney Brown (Chris), Son Stone Smith-Brown, Grandfather Cloyd Devers (Joanne), Grandmother Cheryl Brown, Nieces Jordyn and Quincee Martinez, Aunts Kolene Brown and Norma Isaacs (Ted) and Uncles Cody Brown (Diana), P.J. Brown, Mark Brown (Brenda) and Allen Devers (Megan).

**Steven Stafford Dawson**

Steve was born at Las Vegas Army Airfield to Donald and Eloise Dawson. His first memory was of drowning, as he was swept away in the current of the Carmel River at age 2, while he calmly watched his father run along the bank and dive in to save him. This near death experience would prove to be quite foreshadowing, as he lived a life of daring and adventure, packing it full to the brim with meaningful experiences and relationships.

He grew up running through the deserts of Nevada, learning to hunt,

fish, and deal cards. His younger years were spent in Hawthorne, and later Reno and the Jack Creek Ranch. He worked his way to a B.S. in Zoology from the University of Nevada, Reno, by dealing in local casinos. In his college years he was a member of the Phi Sigma Kappa fraternity, made lifelong friends, and never missed an opportunity to go hunting or fishing.

He was honorably discharged from the Air National Guard in 1968 and from the US Air Force in 1969. Soon after he joined his brother Raymond in Homer, Alaska, where he worked for Fish & Game before going into an eventful career in commercial fishing for king crab, followed by herring and salmon processing. He met Katie Merle-Smith on a blind date, and they were married in 1976, eventually having two children, Will and Nick, in 1979 and 1981. In 1986, he moved the family to Dillon, Montana, where there are markedly fewer volcanoes, tsunamis, and opportunities to sink boats. Here, he partnered with his lifelong friend Barry Figg to operate a business owning and maintaining gambling machines. His children remember going on his route with him, and seeing how he treated everyone he encountered in the course of his workday. Patrons would brighten up as he came into an establishment. It seemed he knew everyone's name, everyone's story, and treated everyone like an old friend. He was a very active member of First Presbyterian Church in Dillon.

Executive Director of Barrett Hospital Foundation

Mary Ann Nicholas

Barrett Hospital & HealthCare is pleased to announce that Mary Ann Nicholas will serve as the next Executive Director of Barrett Hospital Foundation beginning December 2nd, 2024. Mary Ann will work with the Foundation's Board of Directors and Barrett Hospital & HealthCare's hospital leadership to direct the fundraising efforts of Barrett Hospital Foundation.

Our sincere thanks go out to Brooke Erb, who became the Foundation's Executive Director in September 2016. Under Brooke's leadership, the Foundation has grown and entered a new era of giving. During the past eight years, funds have been raised to support the hospital's greatest needs, including the establishment of a multimillion-dollar Equipment & Technology Endowment that will continue to support the hospital's future needs. Through the generous support of Foundation donors, our community hospital has been enriched in so many meaningful ways.

To ensure that our community is cared for, Brooke will continue working with the Foundation through December 2024. We are grateful to Brooke for her years of service and are excited to welcome Mary Ann Nicolas during a time of growth and expansion for the hospital.

Beaverhead Search and Rescue News

Submitted by Mel Rice: Public Relations

The Beaverhead Search and Rescue was called out on one rescue and one lost individual the evening of Saturday November 30. The first incident was a rescue on the divide between Ravalli County and Beaverhead County. The second was to be a search for 1 lost hunter.

The Dillon Sheriff received a forwarded 911 call from Ravalli County Sheriff's dispatch about 4 stuck vehicles on the Gibbons Pass road. At 6:07 PM Dillon Sheriff paged search managers and members to aid in getting all individuals to safety. It was determined there were actually two stuck trucks and one with a broken tire chain. In one of the vehicles was a 30-40 year old man on oxygen with 2 kids, 3-5 years old. It was not known how many in the other vehicles. Three hasty teams were deployed between 7:15 PM and 7:25 PM with a side by side, snowmobiles, and 4 wheelers with tracks.

At 8:45 PM one of the parties called from Lost Trail and reported all individuals from the stuck truck incident were out and safe. At this time, they believed there may be a cross-country skier that was further up the road from where they were. Deputy Peterson from Wisdom was on site and headed up the road to try and locate the skier. The SAR hasty teams arrived at Lost Trail at 9:20. Deputy Peterson returned at 9:45 and said there was no reason to continue the search. All three hasty teams were dispatched back to Dillon with a chance of being rerouted to another possible search in the Medicine Lodge area.

The second incident was paged at 8:50 PM for a male individual who had sent an SOS message from his Garmin InReach stating he was lost. The message gave a precise location of the individual. Sheriff Wendt drove to the location to investigate and located the individual before hasty teams could be deployed. The lost individual was in good health and returned to his hunting party. Thank you for having the proper equipment. It makes all the difference in the world when locating individuals out there in the world.

Thank you to all the S&R members who responded to the two incidents. Working the first incident were Kolby Malesich and Russ Sigman IC command, and hasty teams made up of Steve Mock, Josh Yeadon, Weston Helle, Jack Bazemore, Aaron Beard, Adam Norlander, Keri Carson, and Wade Bush. Those showing up to work the second incident were John Helle working with IC, and hasty team members Dalton Tamcke, Shane Puyear, and Trevor Hyland. Both events were completed with all Search and Rescue members safely back in town at 11:00 pm.

Bulldogs Win First Playoff Game Since 1994
 After a 30-year playoff win drought, the no. 4 ranked Montana Western football team (10-1) picked up their first NAIA Football Championship Series (FCS) win in Bulldog Stadium with a 41-14 rout of the no. 14 seeded Dickinson State Blue Hawks (10-2) this afternoon.
 The Bulldogs were led by Michael Palandri who threw for 388 passing yards and five touchdowns.

Bulldogs to Host Morningside in Quarterfinal
 The Montana Western football team is set to host the no. 6 seeded Morningside (Iowa) in the quarterfinal of the NAIA Football Championship Series.
 The Bulldogs will welcome the Mustangs to Dillon on Saturday, December 7 for a kickoff at 12 p.m. The game is part of a four-game slate across the NAIA with a trip to the semifinals up for grabs.

Bulldogs Win Third Straight in 104-66 Win
 The Montana Western men's basketball team (7-2) took down the Maine at Fort Kent Bengals in a 104-66 rout.
 The Bulldogs are now 7-2 this season and have won three straight games heading into the Cactus Classic.
 The Bengals were the first to take an edge in the game, going up five points after UMFK's Jordan Guerrero hit a triple with 12 minutes on the clock. Alan Kane answered with a three and Jacob Ankeny added a pair from the charity stripe to tie the game at 18.

The Bulldogs picked up the pace and hit their stride as they took a 12-2 scoring run midway through the first half to lead 33-26.
 Western's Jacksen Burckley capped the first half with back-to-back threes to send Western into the half break up 50-36 after shooting 52.6 percent from the field and outrebounding the Bengals by seven boards.
 The Bulldogs continued to build upon their lead, opening up the second half on a 14-2 run and going 6-7 from the field. Jalyn Stepney would lead the run with a pair of triples from behind the arc.
 After UMFK added three to the board, the Bulldogs continued to go on a tear and hold UMFK to just 30.3 percent from the field on their way to a 104-66 win over the Bengals.

HANDBLOWN GLASS ORNAMENTS

During the month of December, Tendoy Fine Art Gallery is excited to feature handblown glass ornaments made in the glass shop at U of M - Western. Around 100 ornaments will be on display and available to purchase. In addition, Heather Reedy, a 2023 recipient of a Pilchuck Glass School scholarship, will be displaying jewelry she made by lampworking Italian glass beads. She will have a special showing of her works on December 6th at Tendoy during the Christmas Stroll. Refreshments will be available and Tendoy will be open until 8:00 pm.

Reedy, the mother of two, is a ranch woman who began making fiber art almost thirty years ago. In 2022, she began attending classes at the U of M-Western. She hopes to graduate from Western and then continue her studies to earn an MFA degree in Visual Arts. The glass program at Western has been developing over the last few years and affords a specialty that includes scientific glass blowing as well as art glass. This year four students received scholarships to attend Pilchuck, located on the Olympic Peninsula in Washington State. This premiere glass blowing and fabrication school has long been the Mecca of those wanting to learn how to manipulate glass from the current masters in the field.

Parade of Lights and Christmas Stroll

First Baptist Church

Friday, December 6, 2024

The parade route goes directly in front of First Baptist Church, across from the Post Office on Idaho St.

Everyone is invited to stop by and get warmed by the fire pits while enjoying a warm drink and cookies, as you watch the parade go by. Parade watching can't get any easier than that! *Between 6pm and 8pm.*

Don't forget to stop and see the exciting Ice Sculpture Exhibition next door at the Bank of Commerce parking lot.
