Birch Creek Stage

Bryce Angell

Four cowboys lit out on the road, just out to have some fun. Their faces worn from winter's cold and too much summer sun.

But on that day the cowboys didn't take a horse to ride. They chose the F150 and the trail boss for their guide.

They drove for hours, then made their stop. Each cowboy longed to see the Birch Creek Stagecoach Station, now a part of history.

The buildings showed true character of how life was back then. But now were mostly shambles or a makeshift cattle pen.

Their disappointment was short-lived. The four men understood that stagecoach travel and their stations were all but gone for good.

Each cowboy stood and pondered, they'd become part of this show. 'Cuz in their minds they visioned 'bout this station long ago.

The Lux Hotel and Eatery were a welcome sight to see. Ice shavings in the tallest glass would quench with fresh ice tea.

The new icehouse, down by the creek, would keep a half beef cold. You could eat your steak and eggs not worrying if they were too old.

Hotel rooms were ready for the stagecoach sleepyheads. And if you paid some extra you might get a featherbed.

The hotel bragged about hot baths. Each room had a claw foot tub. If your room was the Executor your bath included grub.

The barkeep poured his liquor, listening to their lonely plight. Then hoped they wouldn't be too drunk to pay their bill that night.

The livery had eight horse stalls with the loft filled up with hay. The cowboys kinda wondered if they baled hay like today?

And last of all the cowboys walked out to the blacksmith shop. Each cowboy soon identified his role at this stage stop.

They heard the pounding of the hammer on a red-hot shoe. And watched the blacksmith roll a wheel to keep it sound and true.

The men had viewed the station where a stage coach line once ran. Then hopped back in the F150 where their day began.

The men were sitting comfortably in the finest warming seats. While calling on the cell phone ordering Little Caesars treats.

One cowboy in the backseat said, "As far as I can tell. Comparing to the old stagecoach we're completely spoiled to $#&&."

No. 4 Bulldogs Suffer Loss in NAIA FCS Quarterfinal to No. 6 Morningside

The no. 4 ranked Montana Western football team (10-2) capped the season this afternoon with a 31-24 loss to the no. 6 ranked Morningside University (12-1) after a season that saw the Bulldogs win the outright Frontier Conference championship and make the NAIA FCS Quarterfinals.

After leading 24-10 at the half, the Bulldogs were held scoreless in the second half as the Mustangs racked up 21 unanswered points in to close out the game on top.

How It Happened: After forcing the Mustangs to punt on their opening drive, the Bulldogs were quick to get on the board. Michael Palandri hit Dylan Shipley in stride for a 58-yard reception that put the Bulldogs on the Morningside 1-yard line. Jake Humphrey would finish the job on the following play to put Western up 7-0 early in the game.

As Morningside began to pick up steam on the following drive, UMW's James Ochs picked off Morningside's quarterback Zack Chevalier to fuel a quick scoring drive. Palandri went on to hit Eli Nourse from 32-yards out to send Western into the second quarter up 14-0.

Shortly after the start of the second quarter, Morningside's kicker Trevor Paulsen put it through the uprights to put the Mustangs on the board at 14-3.

The Bulldogs then used 15 plays to go 64 yards down the field and eat up eight minutes off the clock to score on a 24-yard field goal from John Mears. They would then go up 17-3 with four minutes to play in the first half.

Morningside answered on the following drive with their first touchdown of the game, but the Mustangs left just shy of two minutes on the clock for the Bulldogs. UMW would utilize the time left with a quick one-minute drive to score on a rush from Nourse and take a 24-10 lead into the half.

Following a fumble that gave the Mustangs excellent field position after Western's opening drive of the second half, Morningside needed just three plays to score, narrowing the gap to 24-17 against the Bulldogs.

Despite their best efforts, the Bulldog offense was unable to piece together a scoring drive for the remainder of the game. Morningside would go on to score twice more to take the lead and finish on top 31-24.

Notables

- Today's loss marks the first loss for the Bulldogs at home this season.
- Both teams struggled on the ground, with the two teams combining for just 151 rushing yards in the game. Western led with 85 yards on

First Responders Battle Trailer House Fire On Railroad Street

Jeremy Crawford, Southwestern Montana News

On Friday late afternoon, first responders rushed to the scene of a fire at a trailer on Railroad Street. When they arrived, the occupants had successfully escaped the flames but reported that two dogs remained inside the burning structure.

Witnesses noted that the trailer was fully engulfed in flames, prompting nearby residents to take action by using hoses to douse the fire from their properties. Firefighters arrived shortly after and immediately began battling the blaze, working diligently to contain it to the single trailer.

Despite their efforts, the trailer has been declared a complete loss. The emotional toll on the occupants is significant, especially regarding the pets left inside.

This is a developing story, and we will provide further updates as more information becomes available.

Community Rallies Around Family Who Lost Everything In Tragic Fire

Jeremy Crawford, Southwestern Montana News

On Friday night, while many were gearing up for the annual Christmas Stroll, disaster struck as alarm bells rang out, signaling a fire emergency. The Dillon Volunteer Fire Department quickly responded to reports of a trailer fire off North Railroad Street. Despite their best efforts, the trailer was deemed a total loss.

The fire has left Sabrina and Timothy Nichols without their possessions, clothing, medical supplies, and a home. The community's immediate response has been heartwarming, as family and friends turned to social media, reaching out for assistance just a day after the fire.

In response, residents have mobilized to collect donations, asking for items to help the Nichols family get back on their feet. Community members are encouraged to donate clothing, particularly men's 2XL shirts, colostomy supplies, fragrance-free laundry supplies, women's clothing sizes up to 5XL, and women's size 10 wide shoes. They are also in need of a bi-pap machine.

Big Sky Cinema has taken the initiative to serve as a drop-off location for donations after 3:30 PM.

In addition to their immediate needs, the Nichols family is faced with the challenge of removing the wreckage of their old trailer from the rented lot.

For those who wish to contribute financially, the family can be supported through Venmo at Sabrina-Nichols-1 (last four digits of phone number: 0127) and Cash App at $sabrinanich24.

BEST OF THE WEST PROPERTIES

Dear Community Members, Friends, and Colleagues,

We wanted to take a moment to thank you for your continued support and trust in Best of the West Properties—it truly means the world to us! We also wanted to let you know about a few changes happening here at the office.

First, we are absolutely thrilled to announce that Corinne Welborn has returned to the role of Owner/Broker. With 40 + years of experience under her belt, she has a deep knowledge of Beaverhead County and the surrounding areas, and she's seen firsthand how the local market has evolved over the years. Her expertise is unparalleled, and her ability to guide clients through even the most complex real estate transactions is something we all admire. Corinne is not only an incredible professional but also a wonderful leader who deeply cares about the community and the people she works with.

We're also proud to have Angela Macdonald as part of our team. While Angela has only been in real estate going on two years, she has quickly proven herself to be a standout agent. Her passion for helping clients find their dream homes is evident in everything she does. She takes the time to understand each client's unique needs and goes above and beyond to ensure they have a seamless and stress-free experience. Her warm, approachable demeanor and attention to detail make her an absolute pleasure to work with. Angela has already built a strong reputation for her dedication to her clients, and we have no doubt that she will continue to make a lasting impact on the community.

We're also excited to share that Cassidy Thorn will remain with us as our Executive Assistant. She has been with Best of the West for going on three years now, and her attention to detail and organizational skills are truly invaluable to the team. She helps keep everything running smoothly so we can focus on providing the best possible service to our clients.

We wish Laramie the best as she has stepped away for personal reasons and is no longer affiliated with Best of the West Properties. We are in the process of expanding our office and will update you as these changes materialize.

Our commitment to serving you with the same level of care and dedication that has defined our 35 years of real estate service in Beaverhead County and the surrounding areas remains stronger than ever! We are here for all your real estate needs, and we look forward to continuing our work together. Please feel free to stop by the office anytime—we'd love to see you! Wishing you and your family a Merry Christmas and many blessings this holiday season.

Your Best of the West Team—Corinne, Angela, and Cassidy

The S. W. Montana Veterans Memorial is accepting applications for Veterans bricks to be placed in the memorial by May, 30, 2025.

The bricks are $100 each. This is the same price since 2003! Orders will be placed on April 1st to ensure that the bricks are here to be installed by Memorial Day.

Order forms are available at www.beaverhead.com/veterans or by calling Harvey Lake at 406-683-4514 or cell 406-596-4514.

If you have a friend or family member who has served, this is a wonderful way to recognize their service!
