Terry Lee Williams

Terry Lee Williams was born with a full set of teeth eating steak and potatoes September 18th, 1955 in Hamilton, MT, where he lived until he left to go to college and play basketball at Montana Tech. From there, he went to Hardin to be the assistant manager at Anthony's where he worked for his uncle, Joey Malensek.

After a day of playing basketball in Hardin, where Terry refereed a game of Arlene Fossen's, they adjourned to a bar where she proceeded to whoop him in a game of pool (which he would never admit defeat). It was love. In 1978 Terry and Arlene were married and

moved to Dillon. Terry would work at Beaverhead Bar Supply for the next two years. Shortly after, Terry began his career at University of Montana Western where he continued to work until his retirement in 2005.

Terry enjoyed life outdoors, hunting, fishing, and camping. He worked with his close friend, Scott Jones, restoring a cabin in Bell Canyon where they shoveled mounds of cow and rat poop while avoiding hantavirus. He would go onto spend the majority of his weekends there riding his four-wheeler with his dog, Skeeter. Terry enjoyed spending time with his sister, Sherri, his best friend, Dan Moerkorke, and extended family giggling and telling stories with a cold one.

During his retirement he enjoyed seeing his daughters and grandchildren in Helena and Las Vegas. He left us on December 8th, 2024. He is preceded in death by Troy and Dorothy Williams (mother and father). He is survived by his wife, Arlene (Fossen) Williams of 46 years, a very tolerant woman; his daughters Leslie (Robert Moss) and Wendi (Mark Thompson); his grandchildren Miley Moss, Harper Rogers, Owen Moss, Carson Thompson, and Nora Thompson; his sister Sherri (Dave) Williams; and many, many nieces and nephews.

Services will be held at the St. Rose Catholic church, Monday, December 16th, at 11:00 am. Reception to follow at the Beaverhead Golf Course. In lieu of flowers, charitable donations can be made to the Beaverhead Animal Shelter.

One Dead In Single Vehicle Wreck Near Lima

Jeremy Crawford, Southwestern Montana News

December 10, 2024 – At 7:39 PM, Lima Fire and Ambulance were dispatched to respond to a serious accident involving a semi-truck on the west side of Interstate 15, near mile marker 17, just outside of Lima.

The emergency call came from a passerby who reported the accident but did not stop at the scene. Sheriff Wendt arrived on the scene just two minutes later, where he discovered the Texas-based driver had been ejected from the vehicle as a result of the crash. Sheriff Wendt pronounced the driver deceased at the scene.

Montana Highway Patrol has been called in to investigate the incident, and as of now, the cause of the crash remains undetermined. The 18-wheeler involved in the accident was carrying pallets of water softener salt and salt licks.

Authorities have stated that the driver's name will not be released until family is notified. Further updates regarding the investigation are expected as more information becomes available.

Iola "Olie" Else Receives Montana Farm Bureau Distinguished Service Award

The University of Montana Western is proud to announce that Iola "Olie" Else has been honored with the Montana Farm Bureau Distinguished Service Award in recognition of her unwavering commitment to agricultural advocacy.

Montana Western's Iola "Olie" Else receives the Distinguished Service Award from District 2 Director J.M. Peck (left) and Montana Farm Bureau President Cyndi Johnson (right). Photo from Montana Farm Bureau Federation.

Olie has been an integral part of UMW's Equine and Natural Horsemanship Program since its launch in 2000. A two-time National Intercollegiate Rodeo Association Coach of the Year, she guided UMW Rodeo to seven national titles before retiring in 2018. As Department Chair, Olie continues to shape the future of agricultural education by teaching, advising students, and overseeing internships.

Her dedication extends beyond the classroom, with Olie fostering community engagement through the Collegiate Young Farmers and Ranchers (YF&R) Club. Her students regularly visit local Dillon schools to share agricultural knowledge, reading books and providing snacks, while teaching students about the origins of their food. The

YF&R club also introduces elementary school students to livestock, reinforcing the importance of agriculture in Montana's culture and economy.

Olie's work with the Young Farmers and Ranchers Program has had a lasting impact on many of her students, some of whom have gone on to compete in the Farm Bureau Collegiate Discussion Meet Competition and at national Young Farmer & Rancher Conferences. Through her guidance, many of them have discovered new career paths and become active participants in their family farms and ranches.

In accepting the award, Olie emphasized the importance of keeping young people engaged in agriculture, stating, "Montana Farm Bureau's Young Farmers and Ranchers Program is vital in keeping young people active in agriculture. While there are challenges, many of my students have returned to be integral parts of their family farms and ranches."

Olie's lifetime of dedication to agriculture, education, and community engagement continues to inspire and empower the next generation of leaders in the industry.

Dillon Municipal Code Title 6 – ANIMALS Section 6.04.020 requires all dogs that reside at premises within Dillon City limits to be licensed.

The City of Dillon will issue 2025 Dog Tags beginning December 1, 2024. Tags are sold at a reduced rate during the month of December. During that time, the cost for a City dog tag is:

Dogs that <u>ARE NOT</u> spayed or neutered	\$20.00
Dogs that <u>ARE</u> spayed or neutered	\$8.00

These fees increase to \$25.00 and \$10.00 beginning January 1, 2025.

Dillon Municipal Code Title 6 – ANIMALS Section 6.04.035 Kennel License:

"1. It is unlawful for any person, group of persons in the same dwelling, or family to own, keep, harbor, or maintain more than three (3) dogs or three (3) cats over six (6) months of age on any property, single-family residence, apartments, townhouse, condominium, or any building not used as a dwelling."

The City of Dillon will issue Kennel Licenses beginning December 1, 2024. Licenses will be sold at a reduced rate during the month of December. During that time, the cost for a City Kennel License will be \$20.00.

This fee will increase to \$25.00 beginning January 1, 2025.

****Kennel Licenses Do Not Include the Individual Animal Registration Requirements****

Dogs will not be licensed if rabies information is not current.

Proof of current rabies vaccination must be provided at time of license purchase if current proof is not on file with the City of Dillon.

Pet owners who have not licensed their dog(s), or purchased required Kennel License, by January 31, 2025 may be subject to a fine. If you no longer own a dog, please contact City Hall at 406-683-4245 so your pet's name can be removed from our database.

Thank you,

City of Dillon Drinking Water Notice

Dear Residents,

We are pleased to assure you that the City of Dillon's drinking water is safe for consumption and meets all requirements set forth by the Montana Department of Environmental Quality (DEQ).

As part of our commitment to public health, we conduct Lead and Copper testing every three years by collecting 20 residential samples. This year, we conducted the required testing and are fully compliant with DEQ standards.

For detailed information about our water quality, we encourage you to review the Consumer Confidence Report, which includes data from the past three years. This report is available at City Hall, located at 125 North Idaho Street, Dillon, or online at www.dillonmt.org/water-sewer.

In compliance with DEQ requirements, all municipalities in Montana are implementing a service line identification program. This program requires us to identify and report the materials of service lines within the water distribution system. Recently, we sent letters to households where service line materials remain unidentified. These letters followed a template provided by the Environmental Protection Agency (EPA).

We understand that the language in this letter may have been unclear or caused concern, and we sincerely apologize for any confusion or inconvenience. Please rest assured that the City of Dillon's drinking water is and continues to be safe for your use.

As an added precaution, residents may consider the following steps to further ensure water safety in their homes:

- Run cold water from your tap for 1–2 minutes before using it for drinking or cooking, especially if the water has been sitting in pipes for several hours.
- Avoid using hot water directly from the tap for consumption or food preparation, as it may contain more dissolved materials.
- Consider using a certified water filter designed to reduce lead and other potential contaminants.

If you have any questions or need further information, please do not hesitate to contact us at (406) 683-4245 or watersupervisor@dillonmt.org
