Willis Darrell Miller

September 26, 1955 ~ December 30, 2024

Obit to follow

Celebration of life, January 4th, 2025 at
1:00PM in Lima at the Lima Community
Center

Kevin Wilkerson

The Wilkerson Family gathering has been moved to
the Andrus Hotel "The Gathering Place" for ease of access.
Saturday, January. 4th at 1 p.m. to honor Kevin and share in
the memories of his life.

Darlene Mae Christiansen

Our beloved Mom, Grandmother
and Great Grandmother got her
greatest Christmas wish on December
23, 2024 at the age of 88. She was
received into the arms of Jesus and is
walking the streets of Gold with her
wonderful husband of 70 years who
preceded her just six months before.

Darlene Mae Christiansen was
born May 14, 1936 to Edith and
Ralph Christiansen in Cheyenne,
Wyoming, joining siblings Lloyd,
Doris and Ruby Christiansen. There
were many years between siblings
and as her brother and sisters grew
up and out of the house, Darlene
was raised alone by her mother in
Cheyenne, and later spent her high
school years in Brule, Nebraska.
She also spoke fondly of the time spent in Rangely, Colorado
with her brother Lloyd and his wife Doris, and her sister Doris
and her husband Larry Ward.

After attending High school in Brule, Nebraska, she was
attending church with a friend in Ogalala, where she met
Dale, who followed her to College at Grace Bible Institute
in Omaha. They were married in August of 1954 and their
70-year adventure together began. They lived in Omaha until
their son Duane arrived in 1958, then they went home to the
ranch to work alongside Dale's father. Two years later their
daughter Dalene joined the family before their adventure then
led them to church planting and ranching in Colorado where
they settled at Trails End Ranch near Hillside, Colorado. While
there, they welcomed another son, Darrell in 1963. A few years
later, Darlene's sister and brother-in-law invited them to join
them

in Montana at Yellowstone Boys Ranch. They were looking for an ag manager and thought Dale would be a perfect fit. Off to Montana they went with their three children. In 1967, they moved a little father west to Trapper Creek Ranch outside of Melrose and raised their family there. Darlene always welcomed family and friends to the dinner table and treated all our friends and cousins like they were her own. Darlene worked tirelessly making a home full of love with home grown and home baked items, straining and separating the cow's milk, making butter from the cream to go with the homemade bread and cinnamon rolls, while always teaching Sunday school, bible clubs and women's ministries and enjoying community clubs and events. When her children grew and were attending high school in Dillon, she took on some parttime jobs to allow her to be in town for afterschool activities and shuttling kids and friends home. Later, Dale and Darlene made Dillon their home and began welcoming grandchildren to the family. Her life was full of being Mom, Grandma, Sunday School Teacher and Young Adult mentor. Dale's mother Floy Beauchamp came to live with them just prior to them moving to Butte, in 1995, where Dale operated his own business hauling grain around the state. While in Butte, Dale and Darlene continued to be very involved in their church and entertaining friends and family. Baking cookies, reading books, and having tea parties or picnics with her grandchildren, became her favorite pastime and continued on with her great grandchildren. After returning to Dillon just a few years ago, she was able to welcome two more great grandchildren and enjoyed being entertained by all the great grandkids instead of being the entertainer. Little did she know, she was still the entertainment! Darlene continued to touch lives in her last few months when she moved to Assisted Living, making new friends with residents and caregivers alike, always looking out for everyone else. Darlene was loved for her humor, her love and her acceptance

of everyone. Her presence is already missed greatly.

Darlene was preceded in death by her parents and siblings and recently, her beloved husband Dale. She is survived by her sons Duane (Berta) Beauchamp, Darrell (Shareece) Beauchamp, and daughter Dalene (Lee) Hahnkamp, seven grandchildren Jessica Taylor, Mandy Hahnkamp, Darcy (Matt) Schuetz, Erica (Chris) Buck, Cassie (Rich) Taylor, Samantha (JR) Davis, and Charlee (Matt) Reed, and 17 great grandchildren.

A Celebration of Life will be held Sunday, January 5, 2025 at 3:00 p.m. at the Dillon Vineyard Church, 310 E. Center St., Dillon, MT with a reception to follow. Arrangements and obituary can be found on Axelson Funeral and Cremation Services website. Memorials can be made to Westland Bible Mission, 250 Camp Trail, Dillon, MT. Condolences can be sent to PO Box 1101, Dillon, MT 59725

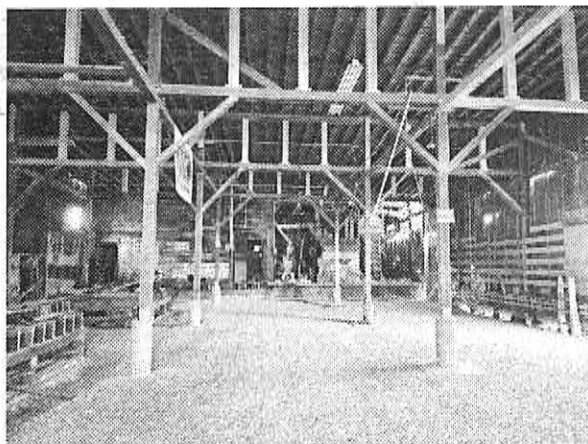

Terminus Distilling Company Updates

Katrina & Derek Lewis

Happy New Year!

With all utilities (electricity, gas, water, and sewer) connected and run in the building, Derek has been busy doing final preparation for the concrete slab. The next few months will be busy - expect exciting updates as we install equipment, finish the manufacturing space, draft opening menus, and generally prepare for opening.

We started this adventure in the fall of 2021, buying the Williams Feed building in April 2022. Since then, we have been incredibly grateful for the support of our family, friends, and community. We look forward to raising a glass with you in 2025!

Kane Ties Pair of School Records in Win Over Alberta-Augustana

The Montana Western men's basketball team (8-5) rolled to a decisive 85-44 victory over the University of Alberta-Augustana (2-9) in a non-conference game this afternoon.

"Two great team wins this weekend. We had a lot of guys step up and received contributions from everyone," Head Coach Pat Jensen said. "It was good to be back in the gym with our guys this week after Christmas break! On to conference play now!"

Alan Kane led the way for the Bulldogs with 33 points and tied the school record for field goal percentage in a game, going a perfect 12-12 and tied the school record for 3-pt percentage in a game going 6-6 from beyond the arc.

How it Happened

Kolter Merritt got the Bulldogs rolling with his relentless defense on his way to tying the school record for steals in a game with six and also led UMW with 12 first half points.

The Bulldogs over the last 14:15 in the first half used a 37-7 run to take a 47-14 lead into halftime.

Led by Kane, the hot shooting continued in the second half with the Bulldogs shooting 48.6 percent from the field and getting 14 points from their bench while scoring seven points off four steals.

The Bulldogs would finish strong by taking an 85-44 victory.

Notables

- Merritt finished with 14 points on a 7-10 shooting day, six steals, four assists, and eight rebounds.
- Colter Charlesworth scored six points, two steals, one block, and two rebounds.
- Jacob Ankeny was a perfect 3-3 from the field and tallied five rebounds in 11 minutes of action.
- The Bulldogs scored 31 points off of 19 Viking turnovers.
- UMW received quality scoring production off the bench totaling 32 points.

Up Next

The Bulldogs will open Frontier Conference play as they travel to Montana State University-Northern on Saturday, January 6 for a 4 p.m. tip-off.

Call For Artists: Wrap Our Ride!

Do you have a design idea for the City of Dillon Police Department's Ford Interceptor?

The Police Department is looking to artists to design an artistic vinyl wrap for the Ford Interceptor, which will be used as part of an innovative approach that not only will enhance the visibility and presence of our police force, but also serve as a mobile billboard showcasing Dillon's unique attractions and welcoming visitors.

Submissions will be accepted until January 31st, 2025 at 5:00 p.m.

The winning artist will get to:

- Have their own design turned into a vehicle wrap for the patrol car
- Be recognized in the Police Department's social media initiative
- Be invited to reveal the finished design at an open house hosted by the City of Dillon, Montana Department of Commerce Office of Tourism, and the Dillon Police Department

Dillon area residents were asked to vote on a theme to best represent the City of Dillon, and artists are asked to consider the top three themes that were picked:

- Beaverhead County High School Beavers and University of Montana Western Bulldogs
- Rodeo and Ranching
- Fishing and Hunting

Artists must consider the surfaces of the vehicle which will have the vinyl wrap applied, for example there can be no graphics in front two windows and front windshield. A detailed outline of the vehicle as well as the submission form is available online at <https://www.dillonmt.org/patrolling-with-pride>. Artists may submit multiple designs, but one submission form should accompany each design.

Dillon Elementary School District #10

2025 Technology Levy

By the Numbers

\$150,000

Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

10 year term for levy

If approved, the technology levy would remain in place until 2035.

14.7% less per-pupil

Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent \$11,388 per pupil, in contrast to Montana's state average of \$13,346, as reported in the 2022-2023 school year.

\$50,000 - \$1 million

Monetary losses to school districts following a cyber incident ranged from \$50,000 to \$1 million according to the U.S. Government Accountability Office.

23 years

Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a \$50,000 annual technology levy.

141%

Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

\$275,000 current shortfall

Current technology costs exceed the existing \$50,000 technology levy by \$275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

Learn more at <https://www.dillonschools.org/page/2025-technology-levy> or scan the QR Code.

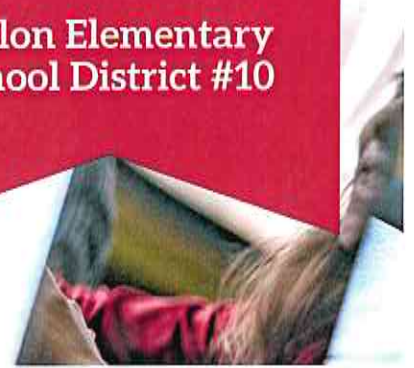

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary
School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a \$150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
\$8.01 per year	<i>Estimate for a home with a market value of \$100,000</i>
\$24.02 per year	<i>Estimate for a home with a market value of \$300,000</i>
\$48.03 per year	<i>Estimate for a home with a market value of \$600,000</i>

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:

Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:

Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:

Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:

Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at <https://www.dillonschools.org/page/2025-technology-levy> or scan the QR Code.

Dillon Jaycee Little Skiers 2025

Thank you for joining the Dillon Jaycee Little Skiers Program. To ensure your child has a great experience here are a few reminders and rules:

- Skiing/Riding will be 2, 4 WEEK SESSIONS starting on January 4th, 2022 - Jan. 25th and Feb 1st - Feb 22nd. There will be NO makeup days for anyone who missed a day.
- For those that ABSOLUTELY need transportation Buses leave at 8:25 am and return at approximately 4:30 pm. Parents transporting participants should plan on meeting at Maverick at 9:15am.
- If a child rides the bus in the morning but will not be riding the bus in the afternoon, **A Note Must Be Provided.** This includes children riding home with parents or with another adult. **NO EXCEPTIONS.**
- Kids must be dressed appropriately for winter weather (Snow pants, winter coat, hat and goggles/glasses) Always be prepared for cold weather conditions. **These items are not provided!**
- Lunch is provided. Lunch times are staggered from ~11am to 1pm. Kids are welcome to bring snacks. Concessions are available at the Mountain.
- Equipment, including skis, snowboard, boots and poles, are available to rent from the Dillon Jaycees and can be used throughout the season. The equipment is property of the Dillon Jaycees and must be returned.
- The date for Equipment Return is April 2nd at 6:00pm at the Jaycee Building. If this time does not work please contact us to make other arrangements.
- Once at Maverick kids will grab their equipment and meet their instructor. The instructor is in charge until the end of the day. *Groups will be small 8 or less. Lessons are structured to learn, PARENTS are strongly discouraged from skiing with lesson groups.*
- Children riding the bus back to town must be aboard the bus by 3:25 pm

Start Date Session 1:
