Evelyn Nilsson Reis Terry, 87

Evelyn Nilsson Reis Terry, 87, passed from this mortal existence to be with our Heavenly Father January 25, 2025. Evelyn was a loving wife, mom, grandmother, great grandmother, great-great grandmother and friend to many.

Evelyn was born in Shelley, Idaho on March 21, 1937 to Clifford Swain Nilsson and Veta Grace Stoddart. She was the second child of 4 children. Evelyn graduated from Shelley High School in 1955. Shortly after she married Robert C. Reis, of Dillon Montana. They Lived in Riverside California for a short time, then moved to Burley Idaho. That is where they had their first baby. They Moved to Dillon, Montana around 1958. Where they had 4 more children. They later divorced.

Evelyn became employed with the City of Dillon to become the last Meter Reader. She would walk the streets of Dillon and check all the parking meters to see if they had time in them or not. After the City took out all the Meters she became a Dispatcher for the Police Department. She did that until the summer of 1979, when she transferred to Idaho Falls Police Department.

Evelyn work for the IFPD for about a year before finding a job in Shelley, at RT French Co. She worked at the front desk as a receptionist. She worked there for many years. Little did she know that she would meet the man that she would someday marry while working there.

While living in Idaho Evelyn took out her endowments in the Temple and started to attend as often as she could. She was an active member of the Church of Jesus Christ of Latter-Day Saints. She had a strong testimony and shared it often. In 1986 she sold her home and moved in with her mother to help take care of her. In 1999 Evelyn got a job working in the temple and had decided to start going through a session every Tuesday Morning, before starting work. One Tuesday Mornings in walks a familiar face from the past. They talked for a moment and the rest is history. They Married Sept 12, 2003 in the Idaho Falls Temple. Evelyn and Kent served a Mission for the Philippines, Manilla Mission 2005-2006

Evelyn is survived by: her Husband Kent G. Terry, Children: Gayle Loman, Brad (Sandra) Reis, Carl (Lori) Reis, Jay (Carrie Beth) Reis, Terri (Ken) Nielson, Bonus Children: Christy Brunt, Dian (Shawn) Cheney, Carolyn Terry, Kathy (Randy) Call, Bonnie (Doug) Norman, Lyle (Shari) Terry, and Sandra Terry, 33 Grandchildren, 72 Great grandchildren, 12 Great-great grandchildren, Brother-in-law Gary Campbell.

She was preceded in death by her parents Cliff and Veta Nilsson, Brothers, Kenneth and Lee (Maxine) Nilsson, and sister Velma Campbell, Son-in-law Jesse Loman, bonus son-in-law Micheal Brunt, Grandson Steven Brunt.

Funeral services will be held Thursday Jan 30. @ 11:00 AM

Attorney General Knudsen announces opioid settlement

Attorney General Austin Knudsen announced Montana is likely to receive over \$16 million dollars from a settlement in principle with Purdue Pharma and the Sackler family, Purdue's owners, for the role they played in creating the opioid crisis.

Montana is projected to receive \$16.57 million of the total \$7.4 billion national settlement. The settlement money will be used for opioid abatement which could include programs like opioid use disorder treatment, providing Narcan to emergency or first responders, and drug treatment courts for defendants with opioid-related substance abuse problems or histories.

"The opioid crisis has taken thousands of lives and destroyed families and communities across the country. The money we get from this settlement will help stop further damage from being done and save lives," Attorney General Knudsen said.

The settlement will resolve allegations that Purdue, under the leadership of the Sackler family, invented, manufactured, and aggressively marketed opioid products for decades, fueling opioid addiction and overdose deaths in Montana and across the country. In addition to the monetary payments, the settlement ends the Sacklers' control of Purdue and their ability to sell opioids in the United States.

This is the second attempt at a deal with the Sackler family and Purdue Pharma to hold them accountable for their actions. Last summer, the United States Supreme Court (SCOTUS) rejected the first agreement forcing the parties involved to come back to the negotiating table.

The opioid epidemic has led to hundreds of prescription overdose deaths in Montana over the last 20 years. These deaths—and the impacts on thousands of Montanans who have struggled with opioid addiction—have created considerable costs for our health care, child welfare, and criminal justice systems. More significant than the dollars and cents in damage to the state, the impact on opioid addiction, substance use, and overdose deaths have torn families apart, damaged relationships, and devastated communities.

Attorney General Knudsen has been combatting the opioid crisis in Montana since taking office.

In 2022, he announced a massive settlement with the nation's three major pharmaceutical distributors accountable for their roles in fueling the national opioid epidemic. In 2021, Montana received a settlement with McKinsey & Company, one of the world's largest consulting firms, regarding the company's role in working for opioid companies.

Bulldog Women Lose in Overtime

The Montana Western women's basketball team (7-12) dropped a close game in overtime to Montana State University Northern (11-9), losing 81-78.

Payton Hagy scored a career high 25 points on a career high 10-22 from the field in the loss.

Hagy and Kenzi Pedersen got the Bulldogs off to a strong start, each scoring five points to fuel an 18-15 lead at the end of the first quarter.

The Bulldogs shot 52% from the field in the second half and forced five Skylight turnovers, converting them into five points.

However, the Skylights came out of halftime shooting 62% from the field and outscored the Bulldogs by 14 points in the third quarter, taking a 60-54 lead.

Western responded with key scoring from Keke Davis and Hagy, sparking a 15-7 run that gave the Bulldogs a 69-67 lead with under a minute to play. Six made free throws by the Skylights down the stretch put them ahead 73-69.

With 11 seconds remaining, Isabella Lund sank two free throws to cut the deficit to two. After two missed free throws by MSUN, Lund drove to the basket for a layup, sending the game into overtime.

In overtime, the Bulldogs jumped out to an early lead, but the Skylights regained control with a 79-78 lead with two minutes remaining. UMW was held scoreless for the rest of the game, allowing the Skylights to secure the victory.

HUNTING DISTRICT 103

Saints' Hot Shooting Defeats Bulldog Women

The Montana Western women's basketball team (7-11) fell to No. 22 Carroll College (13-6), losing 63-48.

Trinidie Nichols led the Bulldogs in scoring with 13 points.

The Bulldogs, led by their defense, forced seven Carroll turnovers and held the Saints to just 4-of-14 shooting from the field in the first quarter. A three-pointer by Nichols gave UMW a 12-11 lead at the end of the opening period.

Back-to-back baskets by Nichols extended UMW's lead to six points (21-15) with three minutes to play in the second quarter. Carroll responded with a 7-0 run to take the lead, but two free throws from Ava Bellach allowed the Bulldogs to reclaim a one-point advantage at halftime.

The third quarter saw a competitive back-and-forth battle, with UMW tying the game four times. However, Carroll's three-point shooting helped the Saints pull ahead to a 39-36 lead heading into the final quarter.

Carroll then seized control in the fourth quarter, outscoring the Bulldogs 24-12. The Saints picked it up offensively, shooting a perfect 10-of-10 from the field in the period to secure the victory.

Season opener Soldier Mountain

Super happy with the RMSHA season opener results at Soldier Mountain ski area with four 1st's and a Double Crown. Always fun racing at a new venue and the stoke is high with RMSHA! RMSHA seems good and healthy with new memberships and new racers so that is good to see!

Massive shoutout to everyone in my corner. The entire team at Polaris is on top of it and the factory hand-built 9 Mod is wicked fun! Thanks to everyone who was involved in this project. I'm proud to be working with the best people and best sponsors in the industry. It was nice spending some time dialing in the sleds before the first race and getting a major head start to the season, thanks to Darren Hedlund, Darin Gould, Jack Struthers, Kyle Pulsifer, Noah, Reid, Scott, Emma, and some of the Polaris athletes.

My wife, Katie is always there to motivate and keep me healthy, helping me achieve next level results! Dale, my right hand man in Dillon has been hard at it getting sleds ready along with a new addition to our team, Kyler. Mom & dad are looking forward to hitting some of the races this season and I'm looking forward to having them around. Always so honored to have fans, family & friends to keep me hyped up for the next round!

The General Meeting is after dinner for those who wish to attend. If questions, contact Lois Volkening, Commander 406 925 3774.

Big Rebounds and Late Surge Propel Bulldogs

The Montana Western men's basketball team (10-9) snapped a four-game losing streak with a hard-fought 69-66 victory over the Montana State University-Northern Lights.

"I'm proud of our guys for their response and finding a way to get a win," Head Coach Pat Jensen said. "We did a great job rebounding and got some really important stops down the stretch."

Kyle Gruhler led the Bulldogs with 13 points and eight rebounds, playing a key role in securing the victory.

The Bulldogs started strong, shooting effectively from beyond the arc. Gruhler and Jalyn Stepney each hit two three-pointers early, giving Western an early advantage.

Alan Kane contributed four points and two assists in the first half, helping the Bulldogs maintain a slim three-point lead midway through.

The Lights responded with a 6-0 run to take the lead, but timely rebounds and defensive plays by Kolter Merritt kept the game close. A corner three-pointer by Kevin Bethel, followed by an and-one play from Jacob Ankeny, propelled the Bulldogs to a 43-37 lead heading into halftime.

The Bulldogs came out firing in the second half. Kevin Bethel and Abi Adedo scored key baskets, and a three-pointer by Jackson Burckley extended the lead to 51-41. The Lights mounted a comeback, tying the game at 54-54 with just over eight minutes remaining.

Western responded by ramping up their defensive intensity and dominating the boards. A decisive 11-2 run over the next four minutes secured a lead the Bulldogs would not relinquish, sealing the victory.

By the Numbers

 **\$150,000** Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

 **10 year term for levy**
If approved, the technology levy would remain in place until 2035.

 **\$50,000 - \$1 million**
Monetary losses to school districts following a cyber incident ranged from \$50,000 to \$1 million according to the U.S. Government Accountability Office.

 **141%**
Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

 **14.7% less per-pupil**
Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent \$11,388 per pupil, in contrast to Montana's state average of \$13,346, as reported in the 2022-2023 school year.

 **23 years**
Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a \$50,000 annual technology levy.

 **\$275,000 current shortfall**
Current technology costs exceed the existing \$50,000 technology levy by \$275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary
School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a \$150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
\$8.01 per year	Estimate for a home with a market value of \$100,000
\$24.02 per year	Estimate for a home with a market value of \$300,000
\$48.03 per year	Estimate for a home with a market value of \$600,000

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:

Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:

Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:

Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:

Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.
