Death Notice

James Robert Wigen

November 15, 1960 ~ January 31, 2025

Obit to follow

Gerald Lester Jones, 83

June 6, 1941 ~ January 29, 2025

Gerald Lester Jones, age 83, passed away from the effects of pulmonary fibrosis on January 29, 2025, at his home in Dillon, Montana. Gerald was born on June 6, 1941, in Malad, Idaho, to June and Lester Jones. At the age of nine, his family relocated to Dillon, Montana, where he resided for the remainder of his life.

Gerald graduated from Beaverhead County High School in 1959 and went on to attend Western Montana College, where he played basketball, rodeoed and earned a bachelor's degree in Secondary Education with a focus in Industrial Arts. He then attended BYU, where he met and married Patricia Hogan on June 13, 1964 in the Los Angeles, CA temple. Together, Gerald and Patricia built a life rooted in hard work and love, raising their six children on the family ranch.

Gerald lived a rich and fulfilling life. He worked hard and valued relationships. Everywhere he went, he knew someone, and if he didn't know you when you arrived, he did by the time you left. Gerald's love for his family was evident in every aspect of his life. He cherished time spent with his children, teaching them the finer points of hunting and fishing, riding horses, playing basketball, and working side by side on the ranch. It was always clear who his favorite child was—whoever he was with at the moment. He had a special gift for making you feel like the most important person in the world.

Gerald's love for his grandchildren, great grandchildren, nieces and nephews was equally profound. He made a point of building a special relationship with each one, whether by teasing them with his humor or supporting them at their events. His warmth and devotion created lifelong memories for his family. Gerald was an active member of The Church of Jesus Christ of Latter Day Saints, serving in the bishopric.

Gerald's love of horses was evident in the high-quality breeding stock he and his father developed. Together, they bred and trained highly sought-after quarter horses, renowned for their exceptional lineage. Gerald was instrumental in the early years of the open arena Saturday rodeo events at Montana's Biggest Weekend and generously supported the county fair through his horses, time, and resources. His passion

Dillon, MT Since 1991

for rodeo took him across Montana, where he competed in calf roping, team roping, wild cow milking, and hide racing.

Hunting was another lifelong adventure for Gerald. He spent countless days combing the mountains of Beaverhead County in pursuit of big game, with elk being his favorite. In his later years, he turned his focus to bird hunting, with pheasants becoming his preferred quarry. Even after losing sight in his right eye, Gerald simply switched to shooting with his left—and, to no one's surprise, remained just as skilled.

Gerald had an enduring passion for sports, especially basketball. He followed Beaver basketball from the time he played in 1955 until his last game on January 17, 2025. If there was a basketball game, Gerald was there—even when he didn't have a child or grandchild on the court. In high school, he excelled as an athlete, playing football, earning a third-place finish at the state basketball tournament, and becoming a state champion hurdler.

Gerald's life was a testament to hard work, love, and dedication. His deep affection for his community and friends was evident in his genuine desire to know and connect with people. He was known for his cheery disposition and passion for life, touching the lives of all he met. He was a beloved husband, father, grandfather, great-grandfather, brother, uncle and friend. His memory will live on in the love he shared with his family and friends, and he will be deeply missed by many.

Above all, Gerald's greatest pride and joy came from his family. He was a devoted husband, spending 60 years sharing life's ups and downs with his wife, Pat. Gerald is survived by his loving wife, Patricia; his children, Shawn (Janet) Jones, Conny (Brent) Tanner, Jennifer (Monte) Henderson, Cary (Marcelle) Jones, Shannon (Gage) Grossman, and Jessica (Billy) Johnson; and his grandchildren, Kyle Josey, Josey Jones, Andrea (Trevor) Siebert, Ashley (Jordan) Steinquist, Andrew Tanner, Aaron Tanner, Sydnee Clinton, Kayl Clinton, Kohl Clinton, Kenadee Pitcher, Shawn

Dillon Ice Rink Hosts Second Annual Dillon Rink Day

Jeremy Crawford, Southwestern Montana News

The Dillon Ice Rink celebrated its second annual Rink Plink on Saturday, February 1st, hosting a fun-filled event that serves as a fundraiser for the ice rink.

Participants of all ages took part in a unique skate and plink course, divided into various skill levels: children, beginners, intermediates, and experts. Each

contestant completed three laps around the ice, taking shots at two targets after each lap. The first target, placed closer to the skaters, allowed them to avoid penalties; hitting it meant no time was added, while missing resulted in a three-second penalty. The second target was located about twenty yards away, and hitting it deducted three seconds from their total time. In a twist for the expert class, participants had to take two shots at each turn.

In addition to the skating competition, the ice rink offered a chili feed to raise additional funds, along with team curling events that brought even more excitement to the day. Following the competitions, the Beaverhead Brewing Company hosted a fundraising Pint Night, which included a raffle and awards for competitors.

The event not only showcased local talent but also strengthened community involvement, helping to ensure the continued operation and enjoyment of the Dillon Ice Rink.

Results from competition are as follows:

Milk jug Curling tourney winner team Sandy Beaver Bottom
Joe Reyes, Jason Mickleson, Zayne Mickleson, Gail Plovanic

Bulldogs Battle No. 9 Montana Tech in Nail-Biting 68-66 Road Loss

The Montana Western men's basketball team (12-10) fell in a close road game to No. 9 Montana Tech (20-2), 68-66.

Jalyn Stepney led the Bulldogs with 21 points on 8-of-11 shooting, including four three-pointers.

In a tightly contested first half, the Bulldogs and Orediggers traded baskets. Alan Kane opened the scoring for Western, netting five of his seven first-half points early.

The Bulldogs would hold Montana Tech to just 1-of-9 from three-point range and Kyle Gruhler led the rebounding effort with eight, helping UMW out-rebound Tech 20-13 and convert seven second-chance points. Tech would lead 28-27 at the half.

Stepney would score 18 of his 21 points as the teams remained neck and neck, with no lead exceeding five points.

Trailing 64-60 in the final minute, Stepney drilled a three while drawing a foul, sinking the free throw to tie it at 64. Tech quickly regained the lead at 66-64 with 35 seconds left.

Kevin Bethel then drove for a layup to tie the game at 66 with 10 seconds remaining. On the final possession, the Orediggers hit a jumper with 0.6 seconds left to edge out a 68-66 victory.

Bulldogs Set Personal Bests at Bobcat Performance Meet

The Montana Western track and field team continued its indoor season yesterday at Montana State University's Bobcat Performance Meet.

Wade Dahood ran a personal best of 9.32 in the 60m hurdles and placed ninth in the long jump with a mark of 5.70m.

Gracie Yakos opened her season by running a 10.82 in the 60m hurdles and a 29.38 in the 200m.

Brody Henry and Bridger Wheeler competed in the 800m, with Henry finishing 10th in 2:07.17, while Wheeler ran a personal best of 2:21.46. In the women's 800m, Olivia Canney also achieved a personal best with a time of 2:56.02.

In the men's mile, three Bulldogs competed, led by Harrison Silverio, who placed ninth with a time of 4:49.58. He was followed by Henry at 5:00.16 and Wheeler, who ran another personal best of 5:11.34.

Justene Santi led the Bulldogs in the women's mile with a time of 6:23.27, followed by Canney at 6:45.96 and Kylee Wyatt at 7:05.34.

Silverio and Noah Rovente represented Montana Western in the men's 3000m, with Silverio finishing in 10:10.59 and Rovente clocking in at 10:47.80.

Ruby Smith led the Bulldogs in the women's 3000m with a time of 12:04.72, while Santi continued her day by running a 12:34.34.

Layne Cooney improved upon his previous shot put mark, throwing a personal best of 13.53m. Ellie Stutsman made her season debut in the women's shot put with a throw of 8.54m.

Up Next: The Bulldogs will be back in action next Friday, Feb. 7, at the Stacy Dragila Invitational on the campus of Idaho State University in Pocatello, Idaho.

Bulldog Women Drop Game to RV Montana Tech

The Montana Western women's basketball team (7-14) fell to RV Montana Tech (14-8).

Payton Hagy led the Bulldogs effort scoring 17 points.

The Bulldogs came out strong, with Isabella Lund scoring seven early points to help Western make its first three baskets and take an early lead. However, Montana Tech capitalized on free throws and a late basket to end the first quarter with a 19-17 advantage.

The Orediggers picked up their defensive pressure in the second quarter, forcing nine Bulldog turnovers that led to 12 points. Payton Hagy knocked down three three-pointers to keep Montana Western within reach, heading into halftime down 40-28.

Maddy Moy helped spark a comeback in the third quarter, scoring five points to lead an 11-4 Bulldog run, cutting the deficit to just five at 44-39. Tech quickly responded with a decisive 16-4 run to close the quarter, pushing their lead to 60-43.

Kenzie Pedersen scored seven of her 14 points in the fourth quarter, while Trinidie Nichols hit a pair of three-pointers in an effort to keep the Bulldogs in the game. However, Montana Tech maintained control, securing the win in the teams' second meeting this season.

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary
School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a \$150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
\$8.01 per year	Estimate for a home with a market value of \$100,000
\$24.02 per year	Estimate for a home with a market value of \$300,000
\$48.03 per year	Estimate for a home with a market value of \$600,000

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:

Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:

Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:

Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:

Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at <https://www.dillonschools.org/page/2025-technology-levy> or scan the QR Code.

Dillon Elementary School District #10

2025 Technology Levy

By the Numbers

 **\$150,000** Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

 **10 year term for levy**

If approved, the technology levy would remain in place until 2035.

 **\$50,000 - \$1 million**

Monetary losses to school districts following a cyber incident ranged from \$50,000 to \$1 million according to the U.S. Government Accountability Office.

 **141%**

Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

 **14.7% less per-pupil**

Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent \$11,388 per pupil, in contrast to Montana's state average of \$13,346, as reported in the 2022-2023 school year.

 **23 years**

Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a \$50,000 annual technology levy.

 **\$275,000 current shortfall**

Current technology costs exceed the existing \$50,000 technology levy by \$275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

Learn more at <https://www.dillonschools.org/page/2025-technology-levy> or scan the QR Code.

1/31-2/6 BILL

St. Rose Catholic Church is seeking a full-time Office Manager. This position works closely with ministerial staff, volunteers, and parish leaders, and as such, the successful candidate must have excellent customer service skills and positively represent the Catholic Church and its endeavors to members of the community. Computer knowledge of Microsoft Works and Quick Books On-Line is a plus. 30 hours per week, Monday-Friday, with full benefits. Starting wage \$16/hr. with an increase after six months. Call 406-683-4391 or stop by the church office at 226 S. Atlantic St. between 9 am-12 pm to pick up an application and drop off a resume.

Together

Have you experienced the death of someone close to you?

Would you like the opportunity and space to talk about your experience?

Together, we will:

- Share a meal
- Discuss the needs that arise from loss, grief
- Explore avenues for healing, and moving forward
- Create a community of kind support and friendship

Please join us from 11:00 am - 1:00 pm on the first Thursday of each month in the Community Room at the Bicentennial Apartment Building, 76 W. Center Street
Lunch Provided

For more information, please contact:
Bryan Coble at Brundage Funeral Home 406-683-2112
or Heidi Peterson, LCPC 406-241-2422
