Doris May Brown

April 8, 1939 — February 1, 2025

Doris Mae Brown, 85, of Dillon, Montana, went home to be with her Lord and Savior on February 1, 2025, surrounded by her loving family. Born on April 8, 1939, in Foley, Minnesota, to Martin and Ursula Aker, Doris lived a life marked by faith, love, and devotion. She walked steadfastly with Christ and found joy in sharing His love with all who knew her.

In 1957, Doris moved to Anaconda, Montana, and in 1967 she settled in Dillon, where she chose to raise her four children: Michael Hampton, Kimberly Eddie, Kelly Hampton, and Lisa Gross. She began her career at Barrett Mineral Technologies in 1975 and remained a dedicated employee until her retirement in 1999.

Doris was a faithful member of the Beaverhead Baptist Church, where she found joy in worship and cherished the fellowship of her church family. Her faith was the guiding light of her life, and she lived each day as a testament to God's love and grace.

Doris had many talents and interests, including sewing, puzzles, gardening, and spending time with her beloved grandchildren. Known for her exceptional cooking and warm hospitality, she welcomed everyone into her home with open arms and ensured no one left with an empty belly. Her vibrant garden was a testament to her green thumb and became a well-known treasure in the community for its bright, beautiful flowers.

Doris's greatest joy was her family. She was a proud and loving mother, grandmother, and great-grandmother, blessed with 14 grandchildren and 17 great-grandchildren, as well as numerous extended family members and cherished friends.

The family extends heartfelt thanks to Dr. Hansen and his compassionate nurses, as well as Honey Bee Hospice, for their loving care and support during this time. Special gratitude goes to her dear friend Shirley Owenby, who was a constant source of love and help, frequently stopping by to check in on Doris and assist with errands and chores.

A memorial service to celebrate Doris's life will be held at a later date.

Doris will be remembered for her unwavering faith, her kind and generous spirit, and the beautiful legacy of love she leaves behind.

Sip, Savor & Support: A Fundraising Soirée for the Women's Resource Center

The Women's Resource Center (WRC) invites the community to attend Sip, Savor & Support, a fundraising soirée on Wednesday, February 12, from 5:30-8:30 pm at The Stockman in Sheridan, MT. This event will raise essential funds to support survivors of domestic and sexual violence in Madison County.

Tickets are $25 per person and available at the door. Guests will enjoy a wine tasting experience hosted by The Stockman, along with gourmet pizza, breadsticks, and chicken wings from Bread Zepp and desserts provided by SunFlour Sweets Cafe and Great Harvest Bread Company. A signature non-alcoholic mocktail will also be available, courtesy of the Madison County Public Health Department.

The evening will also feature raffles with prizes such as a Valentine's bouquet from Main Street Market, a box of chocolates from Cousins Candy Store in Virginia City, and gift cards from local businesses. Attendees can also participate in a wine pull, where each ticket guarantees a surprise bottle to take home.

All proceeds from the event will directly support the WRC's programs and services, which provide advocacy, education, and resources for survivors of domestic and sexual violence in Beaverhead and Madison Counties.

The WRC office is located at 236 E. Reeder Street in Dillon and is open Monday through Friday from 9 a.m. to 5 p.m. Support is available 24/7 through the National Domestic Violence Hotline at 1-800-799-7233 and the National Sexual Violence Hotline at 1-800-656-4673.

For more information about WRC programs, volunteer opportunities, or donation needs, visit www.wrcmt.org or call (406) 683-6106.

The Women's Resource Center was founded in 1977 and remains committed to empowering survivors and fostering a community free from violence.

This event is sponsored by The Stockman, Madison County Public Health Department, and Bread Zepp.

Sheriff Responds To Slide-Off Incident on I-15

Jeremy Crawford, Southwestern Montana News

At approximately 6:29 PM, local law enforcement officials responded to a reported slide-off incident on Interstate 15 at mile marker 39 northbound. A Texas-registered truck, towing a flatbed trailer, lost control and jackknifed on the ice-covered roadway.

Fortunately, the incident resulted in no injuries. The truck sustained only minimal damage. Turney Towing was dispatched to the scene and successfully pulled the vehicle from the ditch, ensuring the roadway was cleared for other motorists.

Sheriff's officials remind drivers to exercise caution during inclement weather conditions and to remain aware of the potential hazards posed by icy roads.

Dear Friends,

We would like to express our heartfelt gratitude for the kind words, gestures, flowers, food, and donations shared with our family following the passing of Kevin. Your love and support during this difficult time have been a source of great comfort.

Thank you for honoring Kevin's life and for surrounding us with your care and compassion. Your kindness means more to us than words can express.

Sincerely, The Wilkerson and Love Families

During our monthly training night, we concentrated on communications, radio usage, and SCBAs donning/ Doffing. Our drill night was spent learning about knots and ropes, we are also encouraging health & wellness at our trainings this year. Our FF1 class is continuing to meet and train, and we have two firefighters in an EMT class. Thank you for your continued support of the Dillon Volunteer Fire Department. Please be safe & take extra time while traveling this time of year as the road conditions can become dangerous without warning.

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a $150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
$8.01 per year	*Estimate for a home with a market value of $100,000*
$24.02 per year	*Estimate for a home with a market value of $300,000*
$48.03 per year	*Estimate for a home with a market value of $600,000*

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:
Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:
Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:
Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:
Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

2025 Technology Levy

By the Numbers

$150,000

Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

10 year term for levy

If approved, the technology levy would remain in place until 2035.

14.7% less per-pupil

Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent $11,388 per pupil, in contrast to Montana's state average of $13,346, as reported in the 2022-2023 school year.

$50,000 - $1 million

Monetary losses to school districts following a cyber incident ranged from $50,000 to $1 million according to the U.S. Government Accountability Office.

23 years

Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a $50,000 annual technology levy.

141%

Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

$275,000 current shortfall

Current technology costs exceed the existing $50,000 technology levy by $275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.
