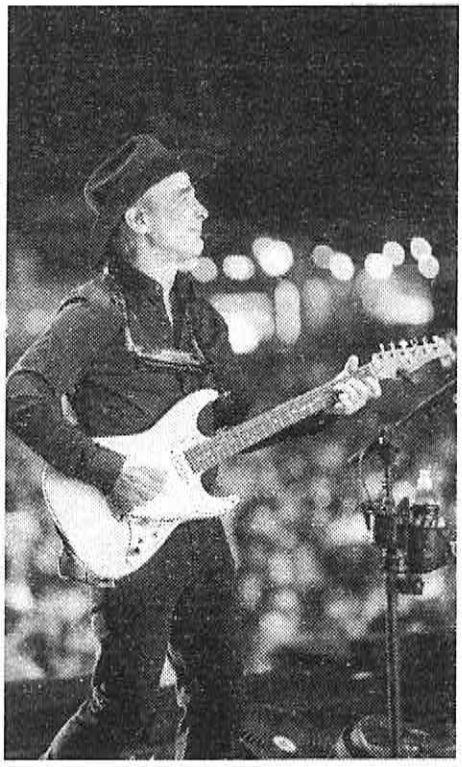
Beaverhead County High School Announces Josh Patterson as Superintendent/Principal

We are pleased to announce that Josh Patterson was selected as the next Superintendent/Principal of Beaverhead County High School. Dr. Patterson was unanimously selected by the BCHS School Board from a pool of quality candidates that were interviewed on Tuesday, January 28, 2025. Patterson currently serves as the Superintendent of Brockton Public Schools in Brockton, MT. He brings with him 12 years of experience in the Montana education system. We are excited to welcome Josh Patterson to our district. His leadership experience, and vision for the future make him a great choice to guide our school into the future. He is expected to assume his role as Superintendent/Principal on July 1, 2025. The district looks forward to working with Dr. Patterson to continue providing excellent educational opportunities for all Beaverhead County students.

2025 "Montana's Biggest Weekend" Concert Headliner – Clint Black!

The Dillon Jaycees are excited to announce the headliner for the 2025 "Montana's Biggest Weekend." Headlining the 38th Annual Labor Day Concert on Sunday, August 31st, 2025, will be none other than country artist Clint Black!



It is one of the most storied careers in modern music. Clint Black surged to superstardom as part of fabled Class of '89, reaching #1 with five consecutive singles from his triple-platinum debut, Killin' Time. He followed that with the triple-platinum Put Yourself in My Shoes, and then a string of platinum and gold albums throughout the '90s. Perhaps most impressively, Clint wrote or co-wrote everyone of his more than three dozen chart hits, including "A Better Man," "Killin Time," "When My Ship Comes In, " "A Good Run of Bad Luck," 'Summer's Comin," "Like the Rain" and "Nothin' But the Taillights," part of a catalog

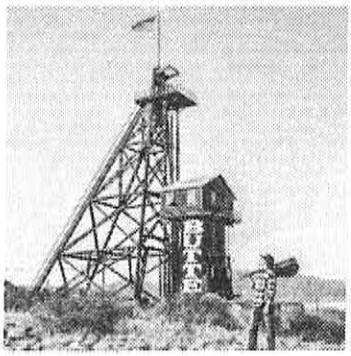
that produced 22 #1 singles and made him one of the most successful singer/songwriters of the modern era.

Along the way, Clint has sold over 20 million records, earned more than a dozen gold and platinum awards in the U.S. and Canada including a GRAMMY, landed nearly two dozen major awards and nominations, and earned a star on the Hollywood Walk of Fame. In addition to touring across North America, Clint hosted his own talk show, Talking in Circles, on Circle TV.

2025 "Montana's Biggest Weekend" Concert Opener – Tanner Laws



From the mountains of Montana comes a refreshing, authentic country sound from a native Montanan, Tanner Laws. He quit his Civil Engineering job to pursue music full time in 2021 because he felt country music was becoming too "cookie cutter" and "unauthentic" and his family and friends wanted him to record and release his original songs. Tanner vowed to keep traditional country and storytelling alive in his music with influences like Marty Robbins, Johnny Cash, Merle Haggard, Keith Whitley, Turnpike Troubadours, and Chris LeDoux. Tanner Laws Band was formed in Missoula, MT in 2024 by Sam Purvis (Colville, WA), Owen Cleary (Helena, MT), Geoff Taylor (Billings, MT), and Eric Rudnick (Mandan, ND) and has quickly taken the state by storm.

Tanner and his band won "Missoula's Best New Band 2023-2024" and Tanner has won Northwest CMA Songwriter of the year, Male Vocalist of the year, and Favorite local artist

of the year. Tanner has opened for notable artists like: Clint Black, Rodney Atkins, Randall King, Sam Barber, Dustin Lynch, Mitchell Tenpenny, Braxton Keith, Colby Acuff, and Marty Stuart to name a few. 2025 is full of new music, recorded for the first time in Nashville, Tennessee, music festival slots, rodeo street dances, weddings, and touring to new states to perform like Texas and Colorado. This Montana artist is just getting started!

Tickets are on sale starting May 1st.For more event information, visit www.dillonjaycees.com or https://www.facebook.com/DillonJaycees.

Secretary Christi Jacobsen discusses responsibilities, legislation with Montana Farm Bureau Federation

Montana Secretary of State Christi Jacobsen met with members, leaders, and staff of the Montana Farm Bureau Federation on Tuesday morning at the State Capitol. Around 50 members gathered in the Montana House of Representatives chamber to meet with Secretary Jacobsen, who was introduced by Scott Kulbeck, the organization's executive vice president.

Secretary Jacobsen highlighted the successes from her first term in office, including record business creation, safeguarding Montana elections, and increasing public access as a deciding vote on the Land Board.

"The work that we do on the Land Board is very important to all of us as Montanans, and I take that very seriously," said Secretary Jacobsen, who explained the Land Board's role in generating revenue for Montana schools. "We approved oil and gas lease sales generating millions of dollars, authorized multiple timber sales, and approved ag and grazing leases to ensure our great farmers and ranchers, like all of you, remain on the land."

"Thank you for all that you do in providing for our state and our country and for your commitment to Montana and our state's number one industry—agriculture," she continued.

The Farm Bureau members applauded Secretary Jacobsen's work in "bringing security and integrity to our Montana elections," while others discussed their experience serving as an election judge. Several

others asked questions and shared concerns about the ballot initiative procedure in the state.

"It was great to hear directly from the members of the Montana Farm Bureau Federation about their thoughts, suggestions, and experiences. As business owners and voters, they were able to share valuable perspectives," said Secretary Jacobsen. "It was great to hear of their positive experiences working with our office to register their businesses and casting their votes on election day.

"Thank you to Scott Kulbeck, Sage Zook, and the Montana Farm Bureau Federation team for the honor of visiting with members and leadership during their 'Calling on the Capitol' event this week."

Bulldog Football Recruiting Class Continues

Mack Jensen, QB

6-1, 200, Burley, Idaho, Burley Senior HS

Jensen is a quarterback who joins the Bulldogs from Burley Senior High School in Burley, Idaho. Jensen was a four-year varsity athlete for the Bobcats who earned all-conference honorable mention for two seasons. In addition to football, Jensen also competed in baseball and track while at Burley Senior. Jensen is the son of Zack and Aubrie Jensen and plans to major in business while at Montana Western.

Mason Kralj, LB

6-1, 215, Great Falls, Mont., Great Falls HS

Kralj is a linebacker who joins the Bulldogs from Great Falls High School in Great Falls, Mont. He was a four-year varsity athlete for the Bison, surpassing over 250 career tackles while also adding 806 rushing yards on offense. Kralj earned All-State honors eight times during his career, both as a linebacker and as a running back. He was named the Electric City most valuable player, selected as the team's most inspirational player, and named most outstanding player for his team. Kralj also competed in basketball and track and field while in high school, earning an all-conference selection in track while also earning the team's most inspirational award. He is the son of Jacqueline Doughty and Matt Kralj and plans to major in physical education and health k-12 while at Montana Western.

Deegan Mattson, DB

6-1, 170, Townsend, Mont., Broadwater HS

Mattson is a defensive back who joins the Bulldogs from Broadwater High School in Townsend, Mont. He was a four-year varsity athlete for the Bulldogs who won a pair of conference championships. Mattson earned All-State honors while also being selected all-conference twice. In addition to football, Mattson competed in basketball and track while in high school. He is the son of Ryan Mattson and Heather Sinclair and plans to major in environmental sustainability while at Montana Western.

Isaac Rook, DB

5-11, 170, Coeur d'Alene, Idaho, Coeur d'Alene HS

Rook is a defensive back who joins the Bulldogs from Coeur d'Alene High School in Coeur d'Alene, Idaho. He was a three-year varsity athlete for the Vikings where he was a two-time league champion and state runner up his junior season. In addition to football, Rook participates in track, golf, MMA, and kickboxing. He was an all-league selection in track his junior season. Rook is the son of Nick and Jen Rook and plans to major in business while at Montana Western.

Veteran's Corner Update #295

By Mike Lawson

Veteran News Updates:

• For those of us veterans under the VA Healthcare system, it's a lease on life… The cost of my gallbladder operation, tests and two day stay at the St. James Hospital is close to the $60,000 dollar mark. Between the VA and medicare, the bill is paid and I owe nothing. Make sure you are up to date on your medicare. If you're a veteran who is not in the VA Healthcare system get an appointment with a Veteran's Representive and apply. Most of our Veteran Organizations have these representatives as well as each state and the VA.

• If you know a veteran who is having financial difficulties and isn't able to keep up with his/her house payments or are in danger of being foreclosed on, the VA can help. The VA has one-on-one support from a VA Loan Technician with specific VA home retention options. VA Home Retention Waterfall is well worth looking into. They have a last resort option called Veterans Affairs Servicing Purchase (VASP). The VA can be contacted by calling 877-827-3702, option 5 or by visiting the VA website for avoiding foreclosure. More than 145,000 Veterans avoided foreclosure in 2023 alone. The VA is committed to helping Veterans keep their homes.

• Driving the DAV Vans, we who drive Veterans to their medical appointments have see a number of them with severe COPD and emphysema lung disease. It's really heartbreaking in some of these cases.The VA has developed a state of the art lung surgery called bronchoscope lung reduction (BLVR). It involves placing one-way endobonchial valves into identified targets of the lung that have significant emphysema. Investigate this if you or your loved one has severe lung disease. The outcomes have been very positive and life improving. Check with your Pulmonary Dr. at the VA or your private Dr..

• Signing into VA.gov, VA Apps and other VA online services has changed. You now have two sign-in account options: a login.gov or ID.me account. Veterans can use their account to sign in to VA.gov, VA apps and any other VA online service they use to manage their VA benefits and care.

Wishing you all a Happy Valentine's Day. Please be careful in this cold weather.

Montana man connected to previously missing Arizona teen sentenced in child sex abuse case

A Montana man was sentenced to 100 years at the Montana State Prison with 50 years suspended and will not be eligible for parole for 25 years for possessing child sex abuse material, Attorney General Austin Knudsen announced today.

Edmund Davis pled guilty to one count of sexual abuse of children last year after authorities found child sexual abuse material on his electronic devices in 2023. A review of the content determined the individuals depicted to be under the age of 13, with two images of children under the age of 5, including images of infants and toddlers and other computer-generated or animated content showing children being sexualized.

The devices were discovered in July 2023 when the Havre Police Department served a search warrant on Davis's apartment after learning that a woman, who went missing from Glendale, Ariz. as a 14-year-old in 2019, was living there. When she answered the door, officers observed Davis in the kitchen behind her throwing a cellphone into a trash can and placing items on top of the phone as if to hide it.

The phone and other electronic devices found during the search were transferred into the custody of the Division of Criminal Investigation Computer Forensics Unit in Helena. DCI agents then obtained a separate search warrant for the electronics and identified a known child sexual abuse material photo series and other evidentiary images.

Assistant Attorneys General John Nesbitt prosecuted the case, which was investigated by the Havre Police Department, Glendale (Ariz.) Police Department, and the Montana Division of Criminal Investigation.

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a $150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
$8.01 per year	*Estimate for a home with a market value of $100,000*
$24.02 per year	*Estimate for a home with a market value of $300,000*
$48.03 per year	*Estimate for a home with a market value of $600,000*

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:
Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:
Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

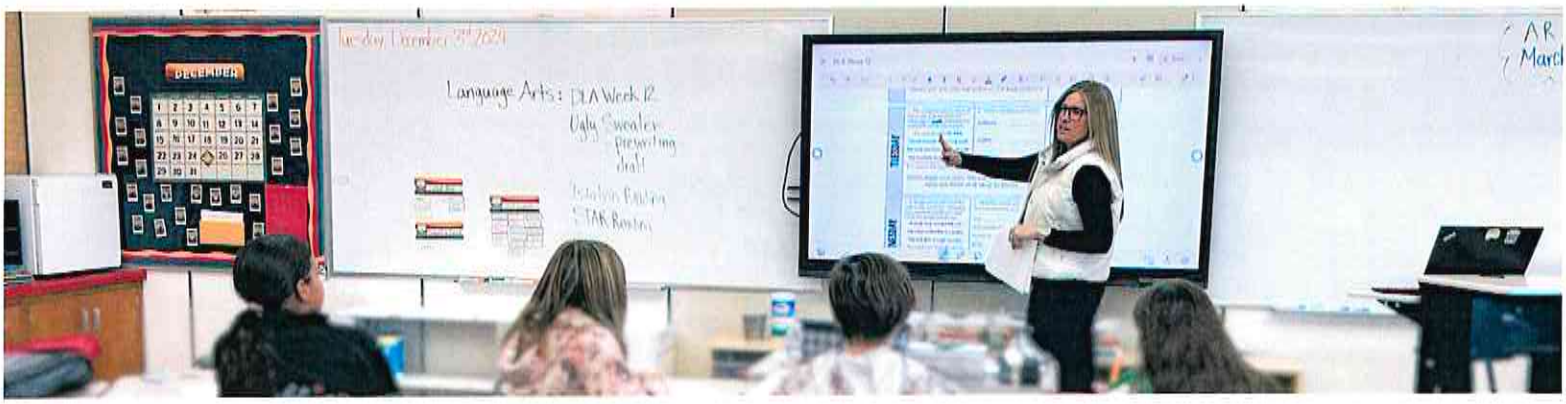
Improving Parent Communication Tools:
Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:
Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at https://www.dillonschools.org/page/2025-technology-levy or scan the QR Code.

Dillon Elementary School District #10

2025 Technology Levy



By the Numbers

$150,000 Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

10 year term for levy

If approved, the technology levy would remain in place until 2035.

14.7% less per-pupil

Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent $11,388 per pupil, in contrast to Montana's state average of $13,346, as reported in the 2022-2023 school year.

$50,000 - $1 million

Monetary losses to school districts following a cyber incident ranged from $50,000 to $1 million according to the U.S. Government Accountability Office.

23 years

Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a $50,000 annual technology levy.

141%

Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

$275,000 current shortfall

Current technology costs exceed the existing $50,000 technology levy by $275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the Parkview Elementary Cafeteria. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Tuesday, February 18th at 5:30pm **Tuesday, March 18th at 6:00pm** **Thursday, April 10th at 7:00pm**
