James Miller

It is with deep sadness that we announce the passing of our beloved husband, father, and brother, James D Miller at the age of 88.

Jim was born in Butte, Montana to James H and Sarah (Reno) Miller. He lived in Garrison, Montana with his parents and 5 siblings and graduated from Powell County High School.

He married Mary Lou Rainville and they had 3 children, He retired from the Cominco mine after 45 years of service.

Jim's passion for camping, hunting, and fishing had his family going somewhere almost every weekend. He loved horses and cattle and the work that entailed in raising them. The love he had of the outdoors he instilled in his children and grandchildren. His compassion led him to the role of care taker as his parents aged. Due to his love of sports, you could find Jim at many basketball games, tournaments, and track meets long after his children and grandchildren were no longer playing.

Jim was preceded in death by his wife Mary Lou, parents James and Sarah, brother Richard, Sister Bonnie, and granddaughter Carlie. He is survived by son Perry (Mindy) Miller, daughters Melanie (Kevin) Miller and Joyce (Bill) Schaff, and 7 grandchildren and 14 great grandchildren, and siblings Thomas, Barbara, and Sallie.

His love of life, family, friends and hard work will always be remembered by all who knew him. Jim's ashes will be spread in the upper Madison (Beaver Creek, Cabin Creek, and Bear Creek) , places he truly loved and buried at the Deer Lodge Cemetery with family members who truly loved him.

A memorial service will be held at Christ Fellowship Church, 600 4 th St., Deer Lodge, Montana, Saturday March 8 th at 11:00 am and a reception to follow.

Anderson Fencing Honored as "Friends of UMW Rodeo" at 2025 Rodeo Banquet

The Montana Western Rodeo Team, along with Head Coach JT Robbins, is proud to announce that Anderson Fencing LLC will be recognized as this year's "Friends of UMW Rodeo" honoree. The award will be presented on Friday, March 28, during the annual UMW Rodeo Banquet, the program's largest fundraising event of the year.

"Tim Anderson has been a tremendous supporter of Montana Western Rodeo for many years. I consider him a great friend, and his generosity has made a lasting impact on our team," said Robbins. "Whether he's donating to our banquet, helping us fix our bucking machine, or providing shirts for our CNFR qualifiers, Tim is always there. His support, along with that of our community and local businesses, is truly the backbone of our program. We wouldn't be where we are without them."

Anderson shares the same deep appreciation for the UMW Rodeo program and the strong community that supports it.

"[Montana] Western Rodeo has always been family to us, and it has always been a great rodeo team every year," said Tim Anderson of Anderson Fencing LLC. "They set their goals to excel, and you can't achieve greatness without all of the support the community gives."

The Rodeo Banquet raises critical funds that provide scholarships, practice opportunities, team travel and lodging, and support for Montana Western's home college rodeo each fall.

This year's event will once again feature Vance Ruff as emcee, with special guest Morgan Seymour providing entertainment during dinner and King Friday performing live music. Guests will enjoy a prime rib dinner and a no-host bar provided by the Den. Attendees will also have the opportunity to bid on an exciting lineup of silent and live

Notice of retirement from property management and the closing of Reliant Property Management in 2025.

I will be wrapping up my RPM business in the next 2 months. I want to say a big thank you to the community of Dillon, my property owners, and tenants that I have had the privilege to work with these past years. It has been a pleasure! I look forward to pursuing other interests and am thankful for the relationships forged and lessons learned as a property manager in Dillon, MT.

All the properties I manage will be turned over to Grove Property Management by the first of May. I believe Tyler & Stephanie Grover will continue to serve the Dillon area well with a similar philosophy of business. I am pleased and thankful that they have agreed to serve all my property owners and by default my tenants. I wish everyone the best!

Dillon, MT has been good to me. Thank you Dillonites! I want to give back a bit as well, so, I am giving my devotional book away in its PDF format to anyone who would like to give it a try. Message me online through Messenger or text me your email address at 406-683-2721 and I will send it by attachment. My life was amazingly changed in the research, writing, and publication of HE IS! Knowing God through Fifty Scriptural Meditations. I am thankful it's helping those who make time to read it. The book is filled with Scripture and lessons I have learned through the gift of life. It is also available in print from The Bookstore, so you can shop local!

It has been a pleasure living in Dillon these past 20 + years and frankly, it's going to be hard to say goodby. I hope to see you around town or on the river this summer as I'll be hanging around Dillon in June and July for guide season. Then as rumor has it, I'll be off to BC, Canada with my bride of 16 months for a new chapter of life. We have more books to write and share with the world. Stay tuned for notices about our house cooling as we downsize into an RV.

We also hope to come back every summer for a visit and guide season. So, you can't get rid of me that easily. LOL. Thanks for all the love and friendships!

Blessings!
Sincerely, Mark R Worden

Veteran's Corner Update

By Mike Lawson

Natural disasters can come in a variety of ways whether it's fires, hurricanes, floods, earthquakes, etc.,etc.. If you're a veteran it's important to know that the VA can and will help you durning a crisis natural disaster situation. For latest updates and information visit VA's Disaster Help website. Also free, confidential support is available 24/7 for Veterans in crisis by phone, text, or chat: 1) Dial 988 then Press 1. 2) Send a text to 838255. 3) Chat Online 4) Support for deaf and hard of hearing:1-800-799-4889 . The VA has many ways to help a Veteran experiencing a disaster from housing to fraud to benefits/compensation and the list goes on. It's amazing how the VA can help in so many areas of disaster situations. Check it out.

Many times some of us get out of shape, put on more pounds than we want, don't exercise and at times become couch potatoes. It can happen at any age but as we become older we find it easier to do. One program that is especially targeted for older Veterans is called GeroFit. This program is tailored to the needs and goals of Veterans who are 65 and older. Strength training is one thing they recommend as we get older. An individual assessment is made for each Veteran, because we're all different. They try to tailor activities to the Veteran's needs as much as possible to ensure they get the most out of it. The Gerofit is a good regular workout program that focuses on exercises to assist Veterans in aging without losing function, like the Move program is for younger Veterans.

This is National Identity Theft Prevention & Awareness Month: Protecting Veterans and their families. It's sad that bad people are especially targeting Veterans to basically steal their money in a variety of schemes. They really focus on recurring monthly benefits payments. They focus on getting stolen privacy information to exploit VA benefits, healthcare and pensions. Veterans need to keep a high vigilance to keep from being a victim of fraud. The VA Privacy website in your area contains privacy guidance resources. You can download information sheets about protecting Veteran's identity and privacy. The bottom line is to not give your identity information to anyone unless you know, without a doubt, who they are.

Locally the MCL Det #724 had their monthly SOS Breakfast at the Copper Plate in Uptown Butte. We had a great time with 23 people attending. Many of us attended the Elks ceremony celebrating the reopening of their remodeled building. It really looked great. Our United Veteran's Honor Guard will be part of their Flag Day Ceremony in June. The Elks have been a wonderful supporter of Veterans in SW Montana. We wish them nothing but the best in their future endeavors

BLM Dillon Field Office Completes Programmatic Vegetation Management Environmental Assessment

The Bureau of Land Management (BLM) Dillon Field Office has completed the Programmatic Vegetation Management Environmental Assessment (EA), which includes actions across 905,000 acres of public land in Beaverhead and Madison counties in southwest Montana. The EA will be available for public review starting March 5, 2025, with a 44-day comment period concluding on April 18, 2024.

This EA outlines various vegetation management treatments aimed at addressing widespread concerns identified throughout the Dillon Field Office. Instead of focusing on individual treatment units or specific geographic locations, the EA evaluates alternatives and effects on a landscape level, particularly where changes in vegetation composition, structure, and functionality have been noted in upland, riparian, and woodland habitats.

The proposed treatments focus on two primary objectives: conifer reduction through manual or mechanical removal and/or prescribed fire, and rangeland restoration utilizing a variety of techniques.

After the public comment period, the Authorized Officer will review the feedback and select one or a combination of alternatives for implementation.

The EA is available for review online at BLM ePlanning. Public comments should be submitted directly on the ePlanning site. To request a paper copy of the EA, write to 1005 Selway Drive, Dillon, Montana 59725, call the Dillon Field Office at (406) 683-8000, or email us at MT_Dillon_FO@blm.gov.

If you have questions about the proposed management alternatives, contact the Dillon Field Office at 406-683-8000.
