Leland K. Pittman

Leland Kay Pittman, affectionately
known as Lee, passed away peacefully
at home on the morning of March 2nd,
2025. He was born on January 1st, 1936,
in Lame Deer, Montana, to Roy and
Myrtle (Eastman) Pittman. Lee spent his
childhood attending elementary schools
in Busby, Custer, and Lame Deer.

From a young age Lee had a
passion for sports, particularly basketball.
Despite his small stature, he excelled on
the court. He made a name for himself
as an outstanding player at Colstrip High
School, from which he graduated. After
high school, Lee proudly served in the

U.S. Army. He was stationed in Germany, where he attended Signal
School and became a skilled radio teletype operator. Upon returning
home, he began his career with Polaris Engineering in Billings,
Montana. His journey eventually led him to Dillon, where he met
Judith Ann Reichle. They were married a short time later on August
25th, 1962.

Lee and Judy eventually settled in Billings before returning to
Glen, Montana, where Lee worked at the mine at Maiden Rock. A
few years later, he joined Vigilante Electric in Dillon. Together, Lee
and Judy welcomed three children into their family: Tami, Tater, and
Trina. The family cherished their time spent camping and fishing at
Browns Lake, hunting on McCartney Mountain, and participating
in the 4-H youth rodeo at Garrison Arena. They made it a tradition
to visit Lame Deer at least twice a year, where they would connect
with family and friends, sharing stories and laughter. Tragically,
Judy passed away in 1980, leaving Lee to raise their children with

the unwavering support of his in-laws.

In 1987, Lee met Jeannette Stewart when her mother coaxed her into asking him to dance. They became a couple until they married (finally) on June 30th, 2001. Lee welcomed Jeannette's three daughters Jamesa, Hilary, and Stephanie into his heart and they came to love Lee as their own dad. Lee and Jeannette continued to be a "couple" and thoroughly enjoyed living life together. They danced and traveled all over. Their travels included a trip to Iceland, a weekend in Salt Lake City, Utah to attend a Garth Brooks concert, a trip to Seattle, Washington to visit his daughter Trina, numerous trips to Lame Deer and Ashland, Montana to visit his mother and siblings, many trips to Reno, Nevada and Salmon, Idaho to visit Jeannette's daughters and most recently a trip to Cancun, Mexico to attend Jeannette's Niece's wedding.

Lee is remembered for his love of family, his quick wit, and his ability to bring joy to those around him. He will be deeply missed by all who knew him.

Lee is preceded in death by his first wife Judy, son Jeffrey Robinson, parents Roy and Myrtle Pittman, older brother Robert 'Bob' Pittman, sister and brother-in-law June and Jim Dahle, brother-in-law Alfred Braine, in-laws Art and Myrtle Reichle, second in-laws Russ and Anna Jeanne Stewart, sister in-law Jacki (Stewart) Reed, and special friend Ronnie Norris

Lee is survived by: his wife, Jeannette, his children Tami (Pat) Kissell, Tater (Tammy) Pittman, Trina Pittman, Jamesa (John) Betts, Hilary (Joe) Biase, and Stephanie Taylor, his grandchildren, Thomas, Gabe, Trevone, Adrianna, Dezmond, Kylee, Kaden, Gregory, Austin, Colin, Jacob, Ben, and great granddaughters Timber and Nona. He is also survived by his younger sister Ruby Braine and younger brother Bill Pittman.

Military Honors and interment of ashes will be held at 11 am on Wednesday, April 23rd, 2025, at Mountain View Cemetery, in Dillon, Montana, followed by a Celebration of Life and luncheon at noon at the Dillon Elks Lodge, 26 East Center Street, Dillon, Montana. In lieu of flowers, please make a donation in memory of Lee Pittman to the charity of your choice.

Rural School Science Fair

Students, teachers, parents and community members gathered at the Kelsz Arena on the UM Western Campus, Friday, March 7th for the Rural School Science Fair. Seven rural schools attending included; Grant, Polaris, Jackson, Wisdom, Wise River, Divide, Reichle, and Alder. Students K-8 competed in numerous categories and topics for top awards. What an experience for all the students! Thanks so much to the teachers for dedicating their time to make this event possible. Their work and support for learning was definitely exemplified by the projects the students presented which included numerous topics related to science exploration.

I want to thank the parents, judges and community members who joined together to make this event a success for the learners. Those who attended this event I'm sure were impressed by the knowledge the students shared on projects they had chosen. Congratulations students for jobs well done. Each one of you is a winner because you made the effort to learn about something you wanted to explore and share with others. Thanks again to those who made this possible.

Drouillard Fishing Access Site on Jefferson River reopens

Other fishing access sites closed due to extensive flooding damage

Drouillard Fishing Access Site on the Jefferson River near Three Forks has reopened. The site was closed partially in January due to an ice jam and flooding.

Other sites in the region remain closed, including Ennis and Valley Garden fishing access sites on the Madison River. Initial assessments have found extensive damage at Ennis Fishing Access Site, with much of the site's infrastructure destroyed and buried by sediment. Damage is still being evaluated at Valley Garden Fishing Access Site.

Montana Fish, Wildlife & Parks will work to reopen these sites as soon as conditions allow. Current restrictions and closures of FWP-managed lands and waterbodies can be found here.

Recreationists are encouraged to use caution when visiting rivers because of unseen hazards, as well as flow and ice conditions that can change suddenly. For more information about river recreation safety, click here.
