Columbia River Canoe Project

The Columbia River Canoe Project follows cousins Robert Lester and Braxton Mitchell as they attempt a 1,300-mile canoe expedition from the Continental Divide near Butte, Montana, all the way to the Pacific Ocean. Braxton, only 18, has never been in a canoe before volunteering for this adventure of a lifetime. Though just a few years older, Robert leads the expedition, trying to overcome the unforeseen challenges of such an ambitious journey. As the pair navigate the river, enduring the hardships of battling dams, rapids, and wind, Braxton grows up, learning about life and discovering his true capabilities.

While following their downstream journey, the film highlights the ecological issues facing the Columbia River Watershed and promotes the importance of environmental stewardship. The Columbia River Canoe Project takes viewers on an adventure filled with breathtaking landscapes, unpredictable challenges, and a wealth of inspiration.

The film will play on Wednesday and Thursday at 4:15 and 7 PM at Big Sky Cinema on both days and Robert Lester will be there to talk and answer people's questions about the expedition and film!

O. Alan Weltzien Returns for UMW Writers Series

The University of Montana Western English Department invites the community to the next event in the O. Alan Weltzien Writers Series on Thursday, March 27, at 7:00 p.m. in the Bulldog Lounge of the Student Union Building. UMW Professor Emeritus O. Alan Weltzien will share readings and discussions from his latest works, "The Taylor Triptych" and "Into the Khumbu".

The O. Alan Weltzien Writers Series is a literary event that brings authors, poets, and writers to campus for readings and discussions. Named after Weltzien, a longtime professor and writer, the series highlights both emerging and established authors, often with a focus on literature connected to Montana and the West.

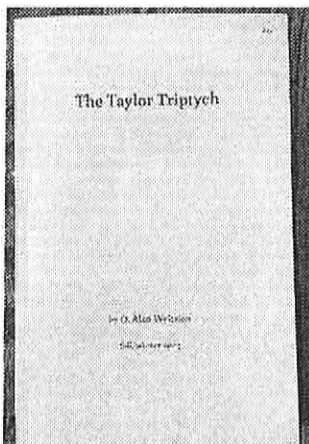

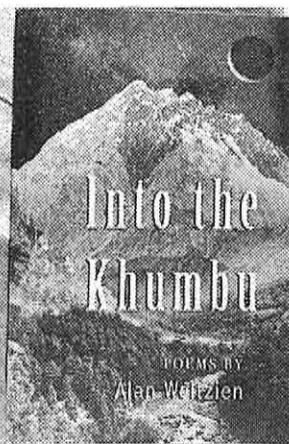

Weltzien, Professor of English Emeritus, taught full-time for 40 years, including 29 years at Montana Western. A prolific writer, he has published eleven books and five chapbooks spanning memoir, poetry, and literary studies. His notable works include "A Father and an Island" (Lewis-Clark Press, 2008) and "On the Beach: Poems 2016 – 2021" (Cirque Press, 2022). When he is not writing, Weltzien enjoys traveling with his wife and hiking and skiing in the mountains of Southwest Montana.

For this event, Weltzien returns to share readings and discussions from his latest works, "The Taylor Triptych" and "Into the Khumbu."

"The Taylor Triptych" (The Sea Letter journal, Fall/Winter 2024) – This prose chapbook explores Weltzien's family history, focusing on a great-grandfather, great-uncle, and grandmother. Through imaginative narratives, he delves into their unique identities—

including an astrologer and a vaudeville advance man—while reflecting on how their stories intertwine with his own life.

"Into the Khumbu" (Cirque Press, 2025) – This poetry collection documents Weltzien's trek through Nepal's

Drouillard Fishing Access Site on Jefferson River reopens Other fishing access sites closed due to extensive flooding damage

Drouillard Fishing Access Site on the Jefferson River near Three Forks has reopened. The site was closed partially in January due to an ice jam and flooding.

Other sites in the region remain closed, including Ennis and Valley Garden fishing access sites on the Madison River. Initial assessments have found extensive damage at Ennis Fishing Access Site, with much of the site's infrastructure destroyed and buried by sediment. Damage is still being evaluated at Valley Garden Fishing Access Site.

Montana Fish, Wildlife & Parks will work to reopen these sites as soon as conditions allow. Current restrictions and closures of FWP-managed lands and waterbodies can be found here.

Recreationists are encouraged to use caution when visiting rivers because of unseen hazards, as well as flow and ice conditions that can change suddenly. For more information about river recreation safety, click here.

BIG NEWS

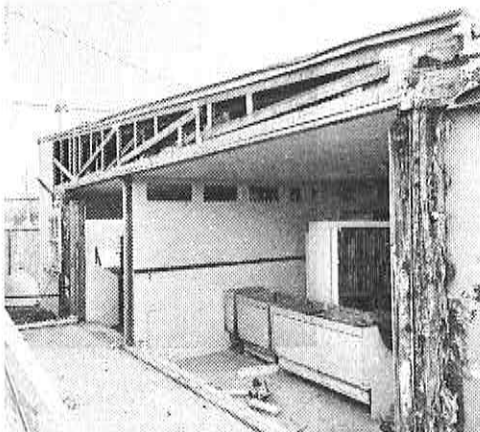

Help is needed to rebuild!

Help Us Reach Our Goal!

As we dive deeper into our renovation project, we've discovered additional necessary repairs. After consulting with professional and reputable contractors, we've developed a more solid plan—but unfortunately, the costs are slightly higher than we initially anticipated. This is common with construction projects, especially in older buildings!

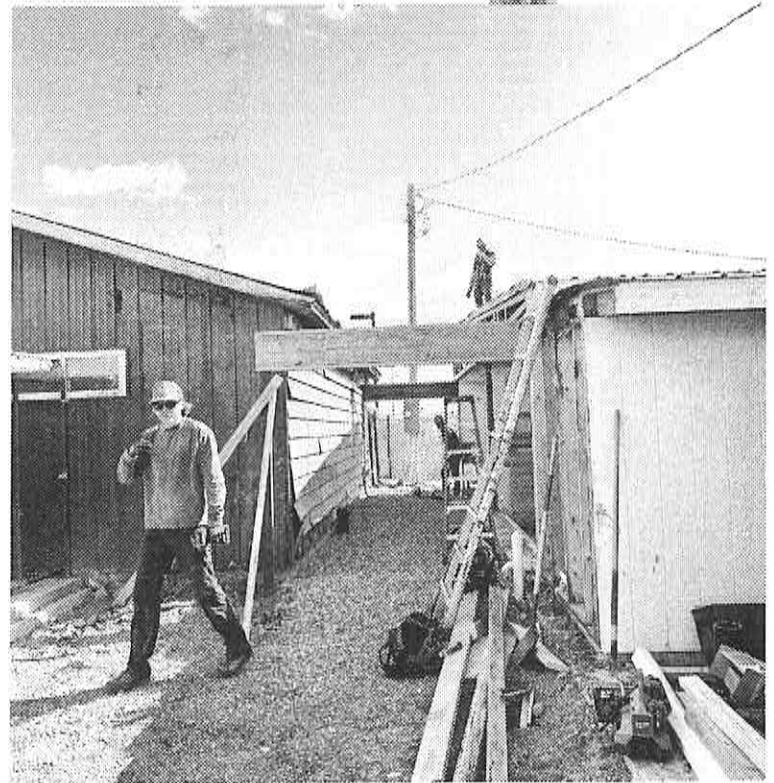

Scan to Donate

OR

Go to: www.beaverheadshelter.org

For Questions: ed@beaverheadshelter.com

To complete these crucial repairs, we need to raise \$15,000. Thanks to generous donations, we have already secured \$6,000 toward our goal!

We kindly ask for your continued support. Please consider donating and sharing our campaign with friends, family, and any groups that may be able to help. Every contribution brings us closer to making the shelter a safer, more functional space for the animals in our care.

A heartfelt THANK YOU to our donors and volunteers who have been instrumental in this project, including RE Miller, Rowe Excavation, LS Ready Mix, Doering Trusses, Forrest Wagoner, Ryan & Premier Plumbing Crew, Standard Lumber, Brian Burkenpass, Todd Rieser, Bryan Longie & Lane at 747 Construction! Your generosity and hard work mean the world to us.
